Black Balloons Kristi Cronin, 2019-12-31 Throughout our lives we inevitably face difficult circumstances. They come unexpectedly, like black balloons being handed to us when we were expecting puppies and unicorns. Although the situation may not make sense to us at the time, author Kristi Cronin believes that God allows these black balloons to be handed to us in order to help us grow, pursue us, bring us to our knees, and make us in to the people he ultimately desires us to be. What's more, he will give us everything we need to pop these black balloons and experience complete freedom, if we let him. Kristi draws on her personal experiences to reflect on how these black balloons enter our lives—and reveals how we can best deal with them. It is possible to escape from our pain and brokenness. You can be set free to walk blamelessly in Christ, and live to your full potential. This inspirational guide explores the larger purpose of trials and hardships in our lives and presents ways to use the difficulties you face to grow closer to God.
