*Barbie* Robin Gerber, 2024-04-16 Take an enthralling and richly illustrated trip through the official real-world story of the Barbie™ doll—from groundbreaking toy to beacon of female empowerment. Created in partnership with Mattel to celebrate Barbie doll's 65th anniversary and featuring rare images from their archives, *Barbie: Her Inspiration, History, and Legacy* is a stunning tribute to the beloved pop culture icon that has echoed the taste, style, and events of every decade she has experienced. Recall the joy of opening a brand-new Barbie box with this sumptuously designed book chronicling every step in the beloved doll's journey, from entrepreneurial pioneer Ruth Handler's creation of Barbie in 1959 to the record-breaking film in 2023, and beyond, including: *The Birth of Barbie* – Learn how Ruth Handler came up with the idea of a doll that allowed little girls to play at being women, then overcame a parade of challenges—including disbelief from her male colleagues that mothers would buy their daughters an adult doll with full-grown breasts—and persevered to create the wildly successful Barbie doll and prove her doubters wrong. *Breaking Boundaries* – Follow the path that Barbie took from teenage fashion model to over 200 different careers, including trailblazing roles like astronaut in 1965, beating the first American woman, Sally Ride, into space by nearly 20 years, to surgeon in 1973, at a time when the total number of women physicians in the US was around 5 percent, to other male-dominated roles like Marine Corps sergeant, a business executive, and President of the United States. *Reflecting Diversity* – See how a doll that started with a choice of either blonde or brunette hair now boasts 35 skin tones, 97 hair styles, and 9 body types, with those numbers growing each year. *Barbie in Fashion and Art* – Explore how the fashion and art worlds have influenced and been influenced by Barbie, from limited edition Barbie fashions from premiere designers like Christian Dior and Michael Kors to a portrait of Barbie by Andy Warhol. *Barbie in Pop Culture* – Discover all the ways that Barbie has influenced pop culture, from Barbie bloggers and collectors to how her movie smashed records as the highest-grossing domestic release in history, granting its female director, Greta Gerwig, the prize for the highest-grossing film directed by a woman. *Barbie: Her Inspiration, History, and Legacy* reveals how Barbie is more than a toy—she is an ideal that lives forever, encouraging girls to persist through to become whatever they dream to be.

**The Kaleidoscope of Gender** Joan Z. Spade, Catherine G. Valentine, 2008 I have found Spade and Valentine's Kaleidoscope of Gender to be the most effective reader that I have used in my undergraduate Sociology of Gender class, and I was delighted to see what promises to be an even better second edition that recently arrived. -Linda Grant, University of Georgia In a substantial theoretical introduction, Spade and Valentine move their discussion forward by introducing their kaleidoscope metaphor which is comprised of the prisms of culture...that intersect to produce patterns of difference and systems of privilege. Because it captures the fluidity and uniqueness of the intricate patterns, the kaleidoscope is a valuable analytical tool. Though it enters a terrain already littered with terminology, this prismatic understanding of gender has great potential for transforming current conceptualizations. -Jennifer Keys, North Central College Examining the elusive, evolving construct of gender in a unique text/ reader format An accessible, timely, and stimulating introduction to the sociology of gender, The Kaleidoscope of Gender: Prisms, Patterns, and Possibilities, Second Edition, provides a comprehensive analysis of key ideas, theories, and applications in this field as viewed through the metaphor of a kaleidoscope. This collection of creative articles by top scholars explains how the complex, evolving pattern of gender is constructed interpersonally, institutionally, and culturally and challenges students to question how gender shapes their daily lives. Like the prior edition, the Second Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework. Integrating a cross-cultural focus and intersectional inquiry, this unique text/reader

**Forever Barbie: The Unauthorized Biography of a Real Doll** M.G. Lord, 2024-03-05 Barbie is a strong, independent doll. But is she a feminist icon? It's complicated. Since her introduction in 1959, Barbie's impact has been revolutionary. Far from being a toy designed by men to oppress women, she was a toy invented by women to teach women what was expected of them, for better or for worse. Whether tarred-and-glittered as antifeminist puffery or celebrated as a feminist icon (or, at any rate, an important cultural touchstone in understanding feminism) Barbie has undeniably influenced generations of girls. In Forever Barbie, cultural critic, investigative journalist, and first-generation Barbie owner M. G. Lord uncovers the surprising story behind Barbie's smash success. Revealing her low origins as "Bild Lilli," a risqué doll for adults sold as a gag gift in postwar Germany, Forever Barbie traces Barbie's development and transformation, through countless makeovers and career changes, into an international pop culture icon and now "traditional toy." Though not every doll in the line has been a hit—with pregnant Midge and Growing up Skipper among the more intriguing disasters—Barbie's endurance, Lord writes, speaks as much to Mattel's successful marketing as it does to our society's overall ambivalence toward femininity. With new accessories, including a preface on the latest developments in the Barbieverse, Forever Barbie "will make you think of America's most celebrated plastic doll in ways you never have before" (Susan Faludi).

BBC Culture 'A near-miraculous achievement.' Independent 'Brilliant, beautiful, and fun as hell.' The New Yorker For the first time, the BARBIE screenplay is now available in print. Anarchically hilarious and unexpectedly emotional, BARBIE is a magical cinematic confection of absurdity, heart, and Technicolor musicals. Greta Gerwig and Noah Baumbach have created a deeply personal and idiosyncratic film from the polarizing icon that is the Barbie doll. The movie celebrates the perfection of imperfection, and affirms that everyone, even Allan, is Kenough.
