How To Build Your Business With Blogging Barb Drozdowich, 2021-05-01 Are you hoping to build your business – grow your audience - using blogging? Have you considered blogging as a method of connecting with the existing audience of a small business? Technical trainer Barb Drozdowich has been blogging since 2010. She has grown her 3 primary blogs to host thousands of visitors each day. She understands how to build an audience and how to build a business using blogging. She supports her family using money earned from her blogs. One of the best ways to connect with an audience and grow an audience is through the use of a blog. A blog can provide entertainment or provide education. A blog can show that you are the “go-to” person for information in your niche. Do you feel uncertain about the technology or what to blog about? How to Build your Business with Blogging is aimed at a beginner to intermediate audience. Barb teaches not only how to set up a blog, but how to turn it into a money-making tool of communication with your audience. She brings several decades of teaching experience and common everyday language to what many see as a complicated subject. In this book

you'll discover: How blogging can help to build and improve communication with an audience How to create powerful topics to blog about that generate shareable content and grow your audience How to create optimized blog posts that will get people talking How to maintain, protect & backup your content to keep your site safe for years to come How to monetize a blog and how to understand the actions of your audience Through a series of short & easy to follow chapters, How to Build Your Business with Blogging helps you choose the right platform, understand the technical aspects & get started today. If you like an easy-to-understand book that cuts through the technobabble that exists in many tech manuals, this book is for you! Pick up this great deal today & start blogging right away!

Mornings with Monet Barb Rosenstock, 2021-03-02 A new picture book about the iconic artist Claude Monet, from the Caldecott-Award winning team that created *The Noisy Paint Box*. Claude Monet is one of the world's most beloved artists--and he became famous during his own lifetime. He rejected a traditional life laid out clean and smooth before him. Instead he chose a life of art. But not just any art: a new way of seeing that came to be called impressionism. Monet loved to paint what he saw around him, particularly the Seine River. He was initially rejected for using bright colors, tangled brushstrokes--condemned for his impressions. But soon art dealers and collectors were lining up each morning to see as Monet saw. Monet, however, waited only for the light. The changing light...each morning he had a dozen canvases on hand to paint a dozen different moments. His brush moved back and forth, chasing sunlight--putting in the arduous work to create an image that seemed to contain no effort at all. The stellar team that brought you the Caldecott Honor book *The Noisy Paint Box* explores another influential painter, in a moving tribute to creativity, commitment, and new ways of seeing the world around you.

The Shadow War Lindsay Smith, 2021-02-23 *Inglourious Basterds* meets *Stranger Things* in this dark and thrilling tale of power, shadow, and revenge set during World War II. World War II is raging, and five teens are looking to make a mark. Daniel and Rebeka seek revenge against the Nazis who slaughtered their family; Simone is determined to fight back against the oppressors who ruined her life and corrupted her girlfriend; Phillip aims to prove that he's better than his worst mistakes; and Liam is searching for a way to control the portal to the shadow world he's uncovered, and the monsters that live within it--before the Nazi regime can do the same. When the five meet, and begrudgingly team up, in the forests of Germany, none of them knows what their future might hold. As they race against time, war, and enemies from both this world and another, Liam, Daniel, Rebeka, Phillip, and Simone know that all they can count on is their own determination and will to survive. With their world turned upside

down, and the shadow realm looming ominously large--and threateningly close--the course of history and the very fate of humanity rest in their hands. Still, the most important question remains: Will they be able to save it? Praise for *The Shadow War*: Nonstop action, consistent worldbuilding, and a large cast of sympathetic characters, all of them marginalized in some way, create an engaging story. --Kirkus Reviews An action-packed historical novel with a science fiction twist, Smith has crafted a novel where *Stranger Things* meets Nazi hunting. A solid purchase for YA shelves and any reader who wants to fight Nazis. --School Library Journal

Scritch Scratch Lindsay Currie, 2020-09-01 This is a teeth-chattering, eyes bulging, shuddering-and-shaking, chills-at-the-back-of-your-neck ghost story. I loved it!--R.L. Stine, author of the *Goosebumps* series For fans of *Small Spaces* and the *Goosebumps* series by R.L. Stine comes a chilling ghost story based on real Chicago history about a malevolent spirit, an unlucky girl, and a haunting mystery that will tie the two together. Claire has absolutely no interest in the paranormal. She's a scientist, which is why she can't think of anything worse than having to help out her dad on one of his ghost-themed Chicago bus tours. She thinks she's made it through when she sees a boy with a sad face and dark eyes at the back of the bus. There's something off about his presence, especially because when she checks at the end of the tour...he's gone. Claire tries to brush it off, she must be imagining things, letting her dad's ghost stories get the best of her. But then the scratching starts. Voices whisper to her in the dark. The number 396 appears everywhere she turns. And the boy with the dark eyes starts following her. Claire is being haunted. The boy from the bus wants something...and Claire needs to find out what before it's too late. Pick up *Scritch Scratch* if you are looking for: A book for middle school students, 5th grade to 9th grade A story with a strong female protagonist that explores bravery, friendship, and family Mystery books for kids 9-12 Chilling ghost stories and ghost books for kids (perfect for Halloween!) Historical mysteries and Chicago history books for kids

Paddle for a Purpose Barb Geiger, You want to what? Barb regards her husband with incredulity at the prospect of paddling down the entire length of the mighty Mississippi River in their recently completed tandem kayak. *Paddle for a Purpose* sweeps the reader into a journey of faith and personal discovery, as Barb and Gene feel called to volunteer with charity organizations in quaint river towns along one of the most scenic and powerful river systems in America. Against a backdrop of picturesque settings and the river's changing moods, exciting and often humorous accounts of adventure and mishap intermingle with inspiring stories of healing, renewal, beauty, compassion and

trust in God.

Race to the End of the World A. L. Tait, 2014-10-14 Shortlisted for The Readings Children's Book Prize 2015 Adventure and danger lie just off the edge of the map in this swashbuckling new trilogy! Quinn's older brothers may long for adventure, but he is content with a quiet life on the farm. Destiny, however, has other plans. The King is determined to create the first map of the world and has scoured the kingdom for boys who could become mapmakers. When Quinn is chosen for the King's training school, he's amazed - but that is nothing compared to his shock when he is selected as one of the three mapmakers and finds himself on board a ship, competing for the big prize. So begins Quinn's reluctant journey deep into the unknown, on a ship captained by a slave, with a stowaway girl on board, and a mysterious sea monster that seems to be following them. Hot on their trail are the other competitors for the King's prize, who will stop at nothing to win. The Mapmaker Chronicles: Race to the End of the World is packed with action, adventure and intrigue, as Quinn battles unexpected enemies, discovers strange new lands and tries to conceal two very big secrets from his crewmates... 'Not since Emily Rodda's Deltora Quest series has there been such an exciting adventure tale from an Australian author' - Readings The Mapmaker Chronicles 1. Race to the End of the World 2. Prisoner of the Black Hawk 3. Breath of the Dragon (October 2015)

The Healing Doll Way Barb Kobe,2018 In *The Healing Doll Way*, Barb Kobe shares stories and images from her transformative experience becoming a healing doll artist, as well as those of many of her students and peers. The book also guides you through the process of making healing dolls for yourself. The act of making a doll can take you through a process of imagination, recovery, and growth. You do not need to be an expert at dollmaking-or artmaking, for that matter-to experience the power of this kind of work. This dollmaking process invites and encourages you to explore a range of perceptions and emotions, and in doing so, reach a deeper level of understanding and acceptance of yourself.

The Effects of Imprisonment Alison Liebling,Shadd Maruna,2013-06-17 As the number of prisoners in the UK, USA and elsewhere continues to rise, so have concerns risen about the damaging short term and long term effects this has on prisoners. This book brings together a group of leading authorities in this field, both academics and practitioners, to address the complex issues this has raised, to assess the implications and results of research in this field, and to suggest ways of mitigating the often devastating personal and psychological consequences of imprisonment.

Wisdom of the Psyche Ginette Paris,2016-02-22 The first edition of *Wisdom of the Psyche* engaged with one of the main dilemmas of contemporary psychology and psychotherapy: how to integrate findings and insights from neuroscience and medicine into an approach to healing founded upon activation of the imagination. In this revised edition, Ginette Paris re-focuses her attention on the modern lack of desire to become adult and updates the book with brand new neuroscientific research.

Paris uses cogent and passionate argument, as well as stories from patients, to demonstrate that the human psyche seeks to destroy relationships and lives as well as to sustain them. She makes clear that the way out of those destructive states does not start with an upward, positive, wilful effort of the ego, but with an opening of the imagination, and aims to foster the dialogue between psychotherapists and neuroscientists. In clear and accessible language, Paris describes how depth psychology can be seen as a subject of the humanities rather than the sciences, and explains how gaining an understanding of neuroscience will not necessarily make us psychologically wiser. A unique and powerful book, *Wisdom of the Psyche* will be fascinating reading for Jungian and depth psychologists, psychotherapists, analysts and others in the helping professions, as well as students and those in training, and readers with an interest in psychology and neuroscience who want to create an inner life worth living.
