Windows 8, AYURA, 2013-11-15

The Egg & I Betty MacDonald, 2016-11-01 "A work of real comic genius. . . . A wonderful, funny, warm, honest book, and, to use a much overused word, a classic." –Michael Korda, author of *Country Matters* When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's *The Egg and I* is a heartwarming and uproarious account of adventure and survival on an American frontier.

Kingsblood Royal Sinclair Lewis, 2023-11-23 Neil Kingsblood is a white middle-class man who discovers, while researching his family background, that he is directly descended from an African adventurer on the American frontier. Through various machinations, Kingsblood loses his banking job and takes a lesser one. He begins to be treated differently by former acquaintances, despite the lack of visible black African ancestry. He is forced to choose between continuing what he has come to see as a hollow existence in the white community and taking on the oppressed minority status of the black community. After Kingsblood tells several white friends about his newfound ancestry, the news quickly spreads, and he finds that acquaintances change their behavior toward him. He engages in a quixotic struggle against the racism newly apparent but widespread in his community.

Pro Full-Text Search in SQL Server 2008 Hilary Cotter, Michael Coles, 2009-01-29 Businesses today want actionable insights

into their data—they want their data to reveal itself to them in a natural and user-friendly form. What could be more natural than human language? Natural-language search is at the center of a storm of ever-increasing web-driven demand for human-computer communication and information access. SQL Server 2008 provides the tools to take advantage of the features of its built-in enterprise-level natural-language search engine in the form of integrated full-text search (iFTS). iFTS uses text-aware relational queries to provide your users with fast access to content. Whether you want to set up an enterprise-wide Internet or intranet search engine or create less ambitious natural-language search applications, this book will teach you how to get the most out of SQL Server 2008 iFTS: Introducing powerful iFTS features in SQL Server, such as the FREETEXT and CONTAINS predicates, custom thesauruses, and stop lists Showing you how to optimize full-text query performance through features like full-text indexes and iFilters Providing examples that help you understand and apply the power of iFTS in your daily projects

The Real Bluegrass Book Hal Leonard Corp.,2011-05-01 (Fake Book). This collection gathers more than 300 bluegrass favorites presented in the straightforward Real Book format favored by musicians including lyrics where applicable: Alabama Jubilee * Ballad of Jed Clampett * Bill Cheatham * Blue Ridge Mountain Blues * Bury Me Beneath the Willow * Dixie Hoedown * Down to the River to Pray * Foggy Mountain Top * Highway 40 Blues * How Mountain Girls Can Love * I'm Goin' Back to Old Kentucky * John Henry * Keep on the Sunny Side * The Long Black Veil * My Rose of Old Kentucky * Old Train * Pretty Polly * Rocky Top * Sally Goodin * Shady Grove * Wabash Cannonball * Wayfaring Stranger * Wildwood Flower * The Wreck of the Old '97 * and hundreds more!

Remembering the Kanji 3 James W. Heisig,Tanya Sienko,2008-01-01 Volume 2 (4th ed.) updated to include the 196 kanja approved in 2010 for general use.

The Real Book - Volume II (Songbook) Hal Leonard Corp.,2006-02-01 (Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * In Walked Bud * I Remember You * I Thought About You * The Jody Grind * Just the Way You Are * Killer Joe * Little Sunflower * Mercy, Mercy, Mercy * Moanin' * The Nearness of You * Now's the Time * Old Devil Moon * Phase Dance * St. Thomas * Speak Low * Stardust * Tangerine * Tenor Madness * Watch What Happens * Whisper Not * Willow Weep for Me * Yardbird Suite * and more.

Near a Far Sea Don Noel,2006 Russell Wilburn moves to a seemingly quiet small town to start a new life. >He buys a house that appears to be the ideal setting to begin this new venture. Unfortunately, strange things begin to happen. Mysterious phone calls and ghostly visions lead him to believe the house is haunted. He quickly develops a fascination with an old mansion a few blocks away, and a cemetery further up the road. It doesn't take long to discover that the mansion is inhabited by a crazy old man who is the only living descendant of a once rich and powerful family. Everyone in town knows the horrific legend of the mansion. Everybody knows of the tales that tie the mansion and the cemetery to Russell's new house. On the surface, no one admits these places are really haunted.

However, everyone is still afraid of them. The notorious spot in the cemetery is considered a children's story of a grave that doesn't exist. Still, he must go there to answer the questions that will rid his home of its supernatural inhabitants. He must brave the infamous cemetery and the haunted mansion (with its deadly resident) in order to save himself from the unwanted guests in his new home. There is only one person who is willing to aid in his fight to save his house and survive! Unfortunately, that person is already dead!

Obasan Joy Kogawa, 2016-09-13 Winner of the American Book Award Based on the author's own experiences, this award-winning novel was the first to tell the story of the evacuation, relocation, and dispersal of Canadian citizens of Japanese ancestry during the Second World War.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Encyclopedia of Play in Today's Society Rodney P. Carlisle, 2009-04-02 CHOICE Outstanding Academic Title for 2009 This ground-breaking resource is strongly recommended for all libraries and health and welfare institutional depots; essential for university collections, especially those catering to social studies programs. —Library Journal, STARRED Review Children and adults spend a great deal of time in activities we think of as play, including games, sports, and hobbies. Without thinking about it very deeply, almost everyone would agree that such activities are fun, relaxing, and entertaining. However, play has many purposes that run much deeper than simple entertainment. For children, play has various functions such as competition, following rules, accepting defeat, choosing leaders, exercising leadership, practicing adult roles, and taking risks in order to reap rewards. For adults, many games and sports serve as harmless releases of feelings of aggression, competition, and intergroup hostility. The Encyclopedia of Play in Today's Society explores the concept of play in history and modern society in the United States and internationally. Its scope encompasses leisure and recreational activities of children and adults throughout the ages, from dice games in the Roman Empire to video games today. With more than 450 entries, these two volumes do not include coverage of professional sports and sport teams but, instead, cover the hundreds of games played not to earn a living but as informal activity. All aspects of play—from learning to competition, mastery of nature, socialization, and cooperation—are included. Simply enough, this Encyclopedia explores play played for the fun of it! Key Features Available in both print and electronic formats Provides access to the fascinating literature that has explored questions of psychology, learning theory, game theory, and history in depth Considers the affects of play on child and adult development,

particularly on health, creativity, and imagination Contains entries that describe both adult and childhood play and games in dozens of cultures around the world and throughout history Explores the sophisticated analyses of social thinkers such as Huizinga, Vygotsky, and Sutton-Smith, as well as the wide variety of games, toys, sports, and entertainments found around the world Presents cultures as diverse as the ancient Middle East, modern Russia, and China and in nations as far flung as India, Argentina, and France Key Themes Adult Games Board and Card Games Children's Games History of Play Outdoor Games and Amateur Sports Play and Education Play Around the World Psychology of Play Sociology of Play Toys and Business Video and Online Games For a subject we mostly consider light-hearted, play as a research topic has generated an extensive and sophisticated literature, exploring a range of penetrating questions. This two-volume set serves as a general, nontechnical resource for academics, researchers, and students alike. It is an essential addition to any academic library.

Memory Lands Christine M. DeLucia, 2018-01-09 Noted historian Christine DeLucia offers a major reconsideration of the violent seventeenth-century conflict in northeastern America known as King Philip's War, providing an alternative to Pilgrim-centric narratives that have conventionally dominated the histories of colonial New England. DeLucia grounds her study of one of the most devastating conflicts between Native Americans and European settlers in early America in five specific places that were directly affected by the crisis, spanning the Northeast as well as the Atlantic world. She examines the war's effects on the everyday lives and collective mentalities of the region's diverse Native and Euro-American communities over the course of several centuries, focusing on persistent struggles over land and water, sovereignty, resistance, cultural memory, and intercultural interactions. An enlightening work that draws from oral traditions, archival traces, material and visual culture, archaeology, literature, and environmental studies, this study reassesses the nature and enduring legacies of a watershed historical event.

Puzzles and Brain Teasers Reader's Digest Editors, Robert Dolezal, Reader's Digest, 2004-10 An intriguing collection of over a thousand specially commissioned riddles, mysteries, and verbal conundrums, this one-of-a-kind collection is guaranteed to build analytical, creative, and practical thinking power while bringing hours of fun and entertainment. All rated with a level of difficulty from 1 to 3, the puzzles will strengthen a wide spectrum of mental skills.

The CrazyLadies of Pearl Street Trevanian, 2005-06-07 Legendary writer Trevanian brings readers his most personal novel yet: a funny, deeply felt, often touching coming-of-age novel set in 1930s America. Six-year-old Jean-Luc LaPointe, his little sister, and his spirited but vulnerable young mother have been abandoned—again—by his father, a charming con artist. With no money and nowhere else to go, the LaPointes create a fragile nest in a tenement building at 238 North Pearl Street in Albany, New York. For the next eight years, through the Great Depression and Second World War, they live in the heart of the Irish slum, surrounded by ward heelers, unemployment, and grinding poverty. Pearl Street is also home to a variety of “crazyLadies”: Miss Cox, the feared and ridiculed teacher who ignites Jean-Luc's imagination; Mrs. Kane, who runs a beauty parlor/fortune-telling salon in the back of her husband's grocery store; Mrs. Meehan, the desperate, harried matriarch of a thuggish family across the street; lonely Mrs. McGivney, who spends every day tending to her catatonic husband, a veteran of the Great War; and Jean-Luc's own unconventional, vivacious mother. Colorful though it is, Jean-Luc never stops dreaming of a way out of the slum, and his mother's impossible expectations are both his driving force and his burden. As legendary writer Trevanian lovingly re-creates the neighborhood of his youth in this funny, deeply moving coming-of-age novel, he also paints a vivid portrait of a neighborhood, a city, a nation in turmoil, and the people waiting for a

better life to begin. It's a heartfelt and unforgettable look back at one child's life in the 1930s and '40s, a story that will be remembered long after the last page is turned.

Mahjong Annelise Heinz, 2021-04-05 How has a game brought together Americans and defined separate ethnic communities? This book tells the first history of mahjong and its meaning in American culture. Click-click-click. The sound of mahjong tiles connects American expatriates in Shanghai, Jazz Age white Americans, urban Chinese Americans in the 1930s, incarcerated Japanese Americans in wartime, Jewish American suburban mothers, and Air Force officers' wives in the postwar era. *Mahjong: A Chinese Game and the Making of Modern American Culture* illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Annelise Heinz narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women's culture. As it traveled from China to the United States and caught on with Hollywood starlets, high society, middle-class housewives, and immigrants alike, mahjong became a quintessentially American game. Heinz also reveals the ways in which women leveraged a game to gain access to respectable leisure. The result was the forging of friendships that lasted decades and the creation of organizations that raised funds for the war effort and philanthropy. No other game has signified both belonging and standing apart in American culture. Drawing on photographs, advertising, popular media, and dozens of oral histories, Heinz's rich and colorful account offers the first history of the wildly popular game of mahjong.

Women, Food, And Hormones Sara Gottfried, 2021-09-21 New York Times best-selling author Dr. Sara Gottfried shares a new, female-friendly Keto diet that addresses women's unique hormonal needs, so readers can shed pounds and maintain the loss more easily. Most diet plans were created by men for men, but women's bodies don't work the same way. Popular programs can actually make it harder for women to lose weight, because they can wreak havoc on a woman's complex and delicate hormonal system. New York Times best-selling author Dr. Sara Gottfried has spent her career demystifying hormones and helping patients improve their health more broadly with personalized medicine. In *Women, Food, and Hormones*, Dr. Gottfried presents a groundbreaking new plan that helps women balance their hormones so they can lose excess weight and feel better. Featuring hormonal detoxification combined with a ketogenic diet that is tailor-made for women, coupled with an intermittent fasting protocol and over 50 delicious and filling recipes, this book shares a fat-burning solution that gets results.

The Burden of Itys (Annotated) Oscar Wilde, 2016-04-09 This English Thames is holier far than Rome, Those harebells like a sudden flush of sea Breaking across the woodland, with the foam Of meadow-sweet and white anemone To fleck their blue waves, --- God is likelier there, Than hidden in that crystal-hearted star the pale monks bear
