Chamique Chamique Holdsclaw,2001-04-07 She has been called the best woman basketball player ever, the player with the power to decide the direction of the WNBA. But the popularity of twenty-three-year-old Chamique Holdsclaw is rooted not only in her basketball status but also in her remarkable and inspiring life. Here, Chamique takes us on her journey, revealing her unstable and anxiety-ridden childhood with her parents and the escape she ultimately found by moving to her grandmother's housing project, where she discovered the restorative comforts of structure, focus, and basketball. As she finishes her first full year playing for the Washington Mystics and training for the 2000 Olympics, Chamique describes her ambitions, insecurities, frustrations, drives, and dreams, and credits a good part of her success and well-being to her disciplined, humble youth in Astoria, Queens -- a background that inspires in her fierce loyalty and pride. In these pages, Chamique relates what it felt like the first time she ever held a basketball in her hands, how she practiced dunking at age thirteen on a hidden court overlooking New York's East River, her four seasons playing at Tennessee and her transformative relationship with Coach Pat Summit, and her exhausting and exhilarating first year playing professionally and living on her own. She also looks inside to examine her strengths and weaknesses; what motivates her; why she doesn't drink; and how she thinks, both on and off the court. The unparalleled confidence she drew from discovering and nurturing her talent and her lifelong need for focus and discipline have infused both her adult personality and her basketball playing. She reveals her complicated and turbulent relationship with her parents; her total devotion to her younger brother, Davon; her complete admiration for and gratitude to her grandmother. Along the way, she shows the impact all of this has had on who she is and how she lives and plays. Interspersed with short testimonies from the people who know Chamique best -- her family, friends, coaches, and fellow players -- this book offers inspiration, insight, and a window on her life that speak not only to any child with a basketball and a dream, but also to the adults involved in their lives.

Teamwork: Rediscovering the Essence of Basketball Mike Huff,2014-03 Basketball was originally designed to be a team game, but today's players are growing up in a culture that focuses on the individual. In *Teamwork*, Mike Huff calls coaches and athletes to return to basketball's essence, by focusing on The 7 Essentials of Teamwork: communication, leadership, humility, roles, team spirit, a winning attitude, and collective responsibility. The lessons in this book will enable coaches to teach life lessons that help players become winners on and off the court. Mike Huff addresses a serious issue in the basketball culture changing from an emphasis on the team to an increased focus on the individual. He calls coaches to lead the way in returning the focus where it belongs, which is on the team first. *Teamwork: Rediscovering the Essence of Basketball* will help any coach who is interested in teaching the game of basketball and important life lessons through basketball. -Mike Kryzyzewski, Head Coach, Duke University Basketball Building a great team and a championship level culture are two of the biggest challenges a coach faces every season. Using his extensive experience and knowledge as a player and coach, Mike Huff provides valuable insight into the nuances of these important concepts. Every coach should have this book in his or her library. -Greg Dale, Director of Sport Psychology and Leadership Programs for Duke University Athletics

Game Strategies and Tactics for Basketball Kevin Sivils,2009-09 *Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles* is both a how-to book and a guide for how to plan strategy and tactics for basketball for an entire season or an individual game. Coaches often focus on X's and O's and overlook how and when a particular offense or defense should be applied and used during a game. *Game Strategy and Tactics for Basketball: Preparing to Win the Sideline Battles* serves as a planning guide and a master checklist for all the possible situations that a coach will face during a season. The book includes both traditional and some out-of-the-box strategies to the common situations that coaches face and provides both the pros and the cons of the approaches described. It is not the author's intention to tell each coach exactly what to do, but to serve as a guide in the decision making process. About the author: A 24 year veteran of the coaching profession, with twenty-two of those years spent

as a varsity head coach, Coach Kevin Sivils amassed 464 wins and his teams earned berths in the state playoffs 19 out of 22 seasons with his teams advancing to the state semi-finals three times. An eight time Coach of the Year Award winner, Coach Sivils has traveled as far as the Central African Republic to conduct coaching clinics. Coach Sivils first coaching stint was as an assistant coach for his college alma mater, Greenville College, located in Greenville, Illinois. His teams were always known for their discipline, intense effort, execution of fundamentals, and team play. Coach Sivils is also the owner of KCS Basketball Enterprises, LLC, an enterprise focused on providing coaches with information to improve their knowledge of the game of basketball and their ability to coach. If you have been looking for a rigorously thorough handbook on basketball tactics and strategy, you have found it Coach Doug Porter - Head Women's Coach, Olivet Nazarene University National Scoring leaders: 2005, 2006, 2007, 2008 Chicagoland Collegiate Athletic Conference Champions: 2000, 2005, 2007 His thought provoking approach makes for an easy read and will definitely stimulate thought and, most likely, change the way you go about coaching Rusty Rogers - Two time NAIA Division II Women's National Championship Coach and Two time NAIA National Coach of the Year Coach Sivils clearly brings his experience in the game of basketball to his writing. He is a great teacher who acquired great gifts over the years and it's great he wants to share those gifts with other coaches. Bill Reidy - Long time successful high school and AAU coach

Resilience Alonzo Mourning, Dan Wetzel, 2009-09-29 In 2000, Alonzo Mourning was on top of the world: He had a fat new NBA contract, an Olympic gold medal, and a second beautiful child-plus the fame and wealth he had earned playing the game he loved. But in September of that year he was diagnosed with a rare and fatal kidney disease. Over the next couple of years, as his health faltered, he retired, unretired, and retired again-and sought to make sense of what remained of his life. Finally in 2003, after a frantic search for a donor match, Mourning had a new kidney and a new outlook. He vowed to make this second chance count by dedicating his life to others. By sharing his experiences of the chasms and peaks of illness and recovery, Mourning delivers a message of faith and fire, trust and triumph. *Resilience* is a story of both meaningful everyday lessons and the things, great and small, that truly matter in life.

My Focus Is Basketball and That's It: 110 Pages to Write in All the Plays and Practices - Perfect Gift for Basketball Coaches - Designed with Love by Basketball Notebooks, 2019-03-29 110 Pages to plan your basketball practice Write down all your practice ideas, goals, intensity and notes. You can also note your favorite strategies or plays Features Designed with room to write down all what you need for your basketball practice 6x9 inches. Perfect for the sports bag Perfect for pen, pencil or ink Created by Basketball lovers

Lenny, Lefty, and the Chancellor: the Len Bias Tragedy and the Search for Reform in Big-time College Basketball C. Fraser Smith, 1992-01-15 Where were you on June 19, 1986? That's the day when Len Bias, one of the greats of the college basketball game, a player seemingly destined for NBA stardom, died of a cocaine overdose. For the next several months, millions followed the continuing, unfolding tragedy at the University of Maryland at College Park. Six years later, where is big-time basketball the big-money game whose vulnerabilities began to come to life with Bias's death? How far has it come in reforming itself against the abuses that contributed to the Bias tragedy? In *Lenny, Lefty, and the Chancellor*, Baltimore Sun reporter C. Fraser Smith answers those questions through the microcosm of the University of Maryland. He demonstrates how, despite numerous obstacles, the University of Maryland has been reforming its program during the five years since Bias's death actually transforming it from sinkhole to national model. In so doing, Smith provides the first book to look at the problems of intercollegiate sports from the college president's perspective a point of view crucial to getting balance instilled in such programs. From 1929, the year the Carnegie Commission issued its report on the subject, through 1991, when the Knight Commission released its report, every analyst has said that university presidents are the ones who must solve the problems of intercollegiate athletics, says Smith. My book, more than any available, carefully analyzes what presidents

[such as former UM Chancellor John Slaughter] have to work with, and what they are up against. Reliance on the presidents, Smith concludes, is illusory and unrealistic. In *Lenny, Lefty, and the Chancellor*, Smith gets at the central issues through three main characters each of them extraordinary and compelling. Clearly, Len Bias captured the imagination of the sporting world, says Smith. People still remember where they were when they heard the seemingly impossible news that Bias, just drafted the day before by the Boston Celtics, had died. Lefty Driesell, though now at James Madison University and thus somewhat out of the national spotlight, is vividly remembered by college basketball followers nationwide as a uniquely charismatic and successful coach. Chancellor John Slaughter, a black college president, is less well-known but just as interesting. His core experience as UM chancellor was built around a dead basketball superstar and a problem-plagued college basketball program, but his story is important well beyond that, because it delves into such important areas as race relations in America today. Fully-textured and crisply written, sober yet gripping, *Lenny, Lefty, and the Chancellor* is a people and issue book that brings the problems of big-time college basketball down to the understandable level of the individual. That, says Smith, is something you can't get from a year's worth of reading dry texts and graduation statistics. Though the book offers an insider's look at the University of Maryland, and at Maryland politics, it fits snugly into a larger and timely framework. With the Knight Commission refocusing attention on big-time basketball, the NCAA enacting new reforms pioneered at UM, and NCAA teams headed into another season, the lessons of the Len Bias tragedy at Maryland are important at the national level as well. University basketball, says Smith, permeates the American culture.

Basketball Dennis Pernu, 2020 Find out all you need to know about basketball in this new title from the exciting In Focus: Sports series. What's the job of the small forward and what do the guards do during the game? Who's the most famous basketball player of all time? Where and how did basketball originate? What's the best type of ball to use and why? With plenty of detail, star profiles, full-color photographs, straightforward text and lots of fun facts, this is the only guide you'll ever need for basketball.

Improving Practice and Performance in Basketball Aaron T. Scanlan, Vincent J. Dalbo, 2019-11-18 Despite being one of the most popular sports worldwide, basketball has received limited research attention compared to other team sports. Establishing a strong evidence base with high-quality and impactful research is essential in enhancing decision-making processes to optimize player performance for basketball professionals. Consequently, the book entitled *Improving Performance and Practice in Basketball* provides a collection of novel research studies to increase the available evidence on various topics with strong translation to practice in basketball. The book includes work by 40 researchers from 16 institutions or professional organizations from 9 countries. In keeping with notable topics in basketball research, the book contains 2 reviews focused on monitoring strategies to detect player fatigue and considerations for travel in National Basketball Association players. In addition, 8 applied studies are also included in the book, focused on workload monitoring, game-related statistics, and the measurement of physical and skill attributes in basketball players. This book also has a strong focus on increasing the evidence available for female basketball players, who have traditionally been under-represented in the literature. The outcomes generated from this book should provide new insights to inform practice in many areas for professionals working in various roles with basketball teams.

Full Court Success: The Essential Basketball Skills Guide Marcus B. Cole, 2023-01-01 Discover the Ultimate Guide to Mastering Basketball Skills and Achieving Full Court Success! Are you an aspiring basketball player looking to elevate your game? Want to learn the essential skills, techniques, and strategies that will transform you into a formidable player on the court? Basketball to Success Cordell Davenport, 2011-12 A Basketball Student Athlete Having Athletic Ability With Out Focus Is Like Having An Octopus On Roller Skates, Having Lots Of Action But No Direction. Basketball Student Athletes can have a great future in store for them if they make the right decisions with their athletic gifts. Those that get it, will recognize and take advantage of the resources they have. Unfortunately, some will squander these assets away and become a victim of themselves. Years later, they will wish they could go back and do things differently... but it will be too late! The author, Cordell Davenport is a former NCAA Basketball Student Athlete. After high school, he encountered some misdirection that caused him to give up on Basketball and its rewards. During that time period in his life, he didn't have a positive vision for himself. He definitely was not going down the correct course to bring success in his life. Fortunately, positive events occurred in which he was able to get a basketball scholarship. Five years after graduating from college, a friend gave him over 40 audio books on self improvement. Not only did he become focused on learning and growing, the results he wanted became achievable. With his new appreciation for Self Improvement, he wanted to share his positive direction with other Basketball Players. To accomplish this, he wrote the book: . Basketball to Success. How to Be the Prepared Student Athlete & Not Foul Out In the Game of Life! This book teaches that success, doesn't come to players, they must go to it. This is done through implementing and maintaining self improvement as a lifestyle. The material in the book is a must have. Like deodorant, it only works if one uses it. If players apply the factors in this book, They will be motivated to develop the correct thoughts, beliefs, habits and goals to prevent them from fouling out in the game of life!

Choice Not Chance Joanne P. McCallie, 2012-02-28 Foreword by Mike Krzyzewski, Duke's Men Basketball Coach A celebrated coach reveals the secrets to building a fierce competitor At age 26, Joanne P. McCallie, a.k.a. Coach P, began her career at Maine, where in the span of eight years, she elevated the women's basketball program to a very competitive team that outdrew the men's crowds, a rarity in college sports. Over her tenure, she created the Choice Not Chance (CNC) philosophy, training kids how to think and focus on making the correct choices in life. She imparted her passionate philosophy to all of her players and now brings it to her efforts as head coach at Duke. Choice Not Chance highlights McCallie's lessons for building a fierce competitor, such as Going against the grain, Never become satisfied, and Enjoy the prospect of getting better daily. The CNC philosophy is widely used by McCallie, her staff, and players, who are very active in the community speaking about CNC. Joanne P. McCallie is head coach of the Duke Women's Basketball team and was the ACC Coach of the Year in 2010 McCallie became the first coach in Division I history to be crowned champion in four different conferences, as well as the first coach in NCAA history to garner coach of the year accolades in four different leagues A native of Brunswick, Maine, McCallie owns a career mark of 431-174 and is entering her 20th year as a head coach at Maine, Michigan State and Duke; as a coach and player, she has led her teams to 15 conference titles, 19 NCAA Tournament appearances, seven NCAA Sweet 16 appearances, five NCAA Elite Eight appearances, three NCAA Final Four appearances and three NCAA Championship game appearances During the 2004-05 season at Michigan State, she won the Big Ten Regular Season and Tournament Championship en route to a National Championship game appearance. For her efforts she was named the Associated Press National Coach of the Year McCallie has taught her teams to play with passion and fight hard for recognition, and her teams have achieved remarkable success. Apply her wisdom to your teams, your employees, and your own life.

A Coach's Life Dean Smith, John Kilgo, Sally Jenkins, 2002-02-12 For almost forty years, Dean Smith coached the University of North Carolina basketball team with unsurpassed success, having an impact both on the court and in the lives of countless young men. In A Coach's Life, he looks back on the great games, teams, players, strategies, and rivalries that defined his career and, in a new final chapter, discusses his retirement from the game. The fundamentals of good basketball are the fundamentals of character—passion, discipline, focus, selflessness, and responsibility—and

superlative mentor and coach Dean Smith imparts them all with equal authority.

Basketball Drew Silverman,2012-01-01 Best Sport Ever: Basketball takes readers from the beginnings of basketball to present day with a focus on the legends, the amazing stories, and the unique characteristics that make the sport great. Discover the game Dr. James Naismith invented in 1891, the equipment used in the game then and now, the thrill of the first slam dunk, and the achievements of Michael Jordan, Jumping Joe Fulks, Babe Didrikson, the Dream Team, and so many others in this amazing overview of the Best Sport Ever: Basketball! Through colorful descriptions, a glossary, additional resources, engaging sidebars that go beyond the basics into advanced skills and health benefits, and more, the Best Sport Ever series is a can't miss for today's sports fan. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

How to Be Like Mike Pat Williams,2010-01-01 Michael Jordan is the greatest basketball player of all time. But his pre-eminence is more than just extraordinary athletic ability: the lessons of his life-such as focus, passion, hard work, perseverance and accountability-have shaped him into one of the most revered celebrities of the 20th century. In this inspiring book Pat Williams, motivational speaker and senior vice president of the NBA's Orlando Magic, reveals Jordan's method for living a life of greatness that we can all incorporate into our lives. Fascinating anecdotes and quotes from those who know Michael best provide a glimpse into a persona as sweeping and immense as any generation has ever witnessed. Peppered with examples from Williams's life and those of other star athletes and celebrities, this uplifting book shows that we are, indeed, all capable of fulfilling our full potential. Readers from all walks of life can appreciate and aspire to living life like a champion.

Basketball: learnig by coaching Coachelp,2015-10-23 You can't claim to know every aspect of basketball when you start as a coach. You have collected some clips here and there: something from the coaches you had, no matter what level you played at. You have seen matches, heard comments discussing with friends. That is your knowledge, we have to begin from that; organizing it, correcting it, deepening it in order to transmit it. Driving a team is much more than having knowledge about basketball. It means know how to convince, communicate, take responsibilities. If you know the game just in theory you can certainly be a commentator, not the coach. If you don't learn to build up solid relationships, to understand your players, to handle the crisis, if you don't face a loss frustration and enthusiasm of a win, you are to far away from your target. Here we would like to propose a simple method. As you buy a new smart phone you will read the instructions later on, but immediately you turn it on, you start to use apps, choosing ring tones, making calls and surfing the web. You slowly discover the possibilities and notice functions never imagined before and you want to know more and more. We want to be just like that friend who can provide you with some suggestions as he already has the same smart phone or at least the same operating system. Everybody uses the smart phone his own way, personalizing it with the favorite cover. Also in the basketball world you will find the best suited road, your way or your philosophy as the big experts would say.

Winning Basketball for Girls Faye Young Miller,Wayne R. Coffey,2009 Skills and strategies needed in basketball are presented with a focus for girls and women.

The Jewish Jordan's Triple Threat Tamir Goodman,2013-03-12 Reminiscent of Phil Jackson's SACRED HOOPS, Tamir Goodman's Triple Threat explores physical, mental, and spiritual lessons, on and off the court. Tamir Goodman was dubbed "The Jewish Jordan" by SPORTS ILLUSTRATED for the unorthodox combination of basketball prowess and devout faith that he brought with him onto the court as a top-ranked high school recruit, D-I and professional basketball player. Goodman's book features practical basketball training tips, strategies to contend with the mental side of the game, and game-like scenarios to demonstrate how this advice will pay off on the court. The book also takes readers on a fascinating journey through

Goodman's career, a highlight of which includes Goodman making history as the first Jewish player to play D-I and professional basketball while wearing a yarmulke and refraining from playing on the Jewish Sabbath. By weaving the hands-on advice with the intriguing personal stories, Goodman examines the basketball fundamentals of shooting, ball-handling and passing from the physical, mental and spiritual perspectives and assigns each of these moves a deeper meaning. Goodman uses examples from his career to make the point that adding an individualized spiritual element to physical and mental training can help athletes take their game to the next level, while also helping them to identify and achieve meaningful success on the court and in life. The nickname 'Jewish Jordan' might roll off the tongue, but Tamir Goodman's journey to realize his basketball dreams was no breeze. I thoroughly enjoyed reliving all the twists and turns through HIS eyes—one of the finest sportsmen and ambassadors that our people have ever known – in this captivating book. —Marc Stein, ESPN NBA Reporter ... an inspiring book with expert basketball advice that is great for players of all levels. —Omri Casspi, Small Forward for the NBA's Cleveland Cavaliers "... a fascinating look at one man's talents on the court, in his soul, and with an ultimate higher purpose. This book is for anyone interested in the skills of serious sportsmanship and the nuances of living an integrated and rich religious life. Tamir takes the concept of athleticism as a meaningful pursuit to the highest and most profound level. What a wonderful, joyful and superbly elegant exploration into the worlds of sports, religion, and life's purpose." —Mayim Bialik, Ph.D., CLEC, Actress—The Big Bang Theory As a DC area native, I have crystal clear memories of the Jewish Jordan phenomena and the national attention his story created. While he was obviously an exceptional basketball player, it was his unparalleled commitment to his faith that made him so impressive. This book is a refreshing look at what it takes to be successful on and off the court. It is a must read for all players and coaches. I couldn't put it down. —Alan Stein, Professional Basketball Strength & Conditioning Coach I have had the honor and privilege of watching Tamir Goodman conduct a basketball camp for children, so I have seen him put these words into action. For all the wonderful advice included in Triple Threat, it is his combined love affair with basketball and Judaism, and his spiritual devotion to both that stands out for me. His playing career was far too short, but his passion for his game—and his God—endures." —Mary Schmitt Boyer, sportswriter and President of the Professional Basketball Writers Association

Courting Girls Howard Malone Tomlinson, 2003 Gift/Coffee Table book. A nostalgic review of Iowa's unique contribution to sports history--six-on-six girls' basketball. While most books written about basketball focus on special players or teams or important coaches, this one is about an era and the people in it, written by a pioneer coach who grew up when basketball did. Coach Tomlinson developed the plays and the players and wrote his own rules for success.

Basketball Focus Introduction

In today's digital age, the availability of Basketball Focus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Basketball Focus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Basketball Focus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Basketball Focus versions, you eliminate the need to spend money on physical

copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Basketball Focus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Basketball Focus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular

platform for Basketball Focus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Basketball Focus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital

resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Basketball Focus books and manuals for download and embark on your journey of knowledge?

FAQs About Basketball Focus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Basketball Focus is one of the best

book in our library for free trial. We provide copy of Basketball Focus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Basketball Focus.
