**Beauty Junkies** Alex Kuczynski,2006-10-17 A star writer for the New York Times Styles section captures the follies, frauds, and fanaticism that fuel the American pursuit of youth and beauty in a wickedly revealing excursion into the burgeoning business of cosmetic enhancement. Americans are aging faster and getting fatter than any other population on the planet. At the same time, our popular notions of perfect beauty have become so strict it seems even Barbie wouldn't have a chance of making it into the local beauty pageant. Aging may be a natural fact of life, but for a growing number of Americans its hallmarks—wrinkles, love handles, jiggling flesh—are seen as obstacles to be conquered on the path to lasting, flawless beauty. In *Beauty Junkies* Alex Kuczynski, whose sly wit and fearless reporting in the Times has won her fans across the country, delivers a fresh and irresistible look at America's increasingly desperate pursuit of ultimate beauty by any means necessary. From a group of high-maintenance New York City women who devote themselves to preserving their looks twenty-four hours a day, to a “surgery safari” in South Africa complete with “after” photographs of magically rejuvenated patients posing with wild animals, to a podiatrist's office in Manhattan where a “foot face-lift” provides women with the right fit for their \$700 Jimmy Choos, Kuczynski portrays the all-American quest for self-transformation in all its extremes. In New York, lawyers become Botox junkies in an effort to remain poker-faced. In Los Angeles, women of an uncertain age nip and tuck their most private areas, so that every inch of their bodies is as taut as their lifted faces. Across the country, young women graduating from high school receive gifts of breast implants – from their parents. As medicine and technology stretch the boundaries of biology, Kuczynski asks whether cosmetic surgery might even be part of human evolution, a kind of cosmetic survival of the fittest – or firmest? With incomparable portraits of obsessive patients and the equally obsessed doctors who cater to their dreams, *Beauty Junkies* examines the hype, the hope, and the questionable ethics surrounding the advent of each new miraculous technique. Lively and entertaining, thought-provoking and disturbing, *Beauty Junkies* is destined to be one of the most talked-about books of the season.

**Beauty's Gift** Sindiwe Magona,2018-08-01 The Five Firm Friends – Edith, Cordelia, Amanda, Doris and Beauty – are five sassy career women who confront life headon. But when Beauty suddenly becomes ill and, after six short weeks, passes away, their world is thrown into confusion. On her deathbed Beauty begs Amanda to promise her one thing – that she and the rest of the FFF will not waste their lives as she has done. All because of an unfaithful husband ... ‘Ukhule,’ she begs of Amanda. May you live a long life, and may you become old. *Beauty's Gift* is a moving tale of how four women decide to change their own fate as well as the lives of those closest to them. This is Sindiwe Magona at her very best – writing about social issues, and not keeping quiet. Speak up, she says to women in Africa. Stand up, and take control of your own lives

**Mercedes-Benz 'Fintail' Models** Brian Long,2014-01-31 Mercedes-Benz 'Fintail' Models charts the development of the W110, W111 and W112 'Fintail' (or 'Heckflosse') series, the line that helped revive the Mercedes-Benz brand in the post-war years. With a unique combination of exceptional engineering and a timeless beauty, even the most basic of these vehicles has a charm that is difficult to find in the majority of cars today. After outlining the company's history, the book looks at the development of the first of the 'Fintail' models - the W111- and its launch at the 1959 Frankfurt Show. It also looks at the closely related 1.9 litre W110 and 3.0 litre W112 models, with the vehicles sold in the German, US and UK markets covered in detail.

Before she succumbs, Brenda asks young Beauty for a promise. She requests that her daughter remain a virgin until marriage and hopes Beauty will keep a journal of her experiences. Beauty is no ordinary girl, however; shes a traffic-stopping beauty. With her mother gone, Beauty finds herself under the guardianship of the very handsome Thabo Gumede. Thabo believes it is only a matter of time before he seduces young Beauty. She deftly avoids his advances, though, determined to keep her promise to her mother. She even founds the Diary Girls, a group intended to promote chastity among young people. Unfortunately, the patron of this group is Pastor Mandla Khumalo, who also wants to have his wicked way with Beauty. Plagued by her own raging hormones and surrounded by amorous schoolboys and lustful older men, Beauty must fight to stay pure and keep her promise. She must remain chaste in a society awash with sex. **The Bro Code** Thomas Keith, 2020-12-29 Extending from the belief that masculinities are multiple, consisting of complexities and constructions that make up the traits associated with each, this book explores the various ways in which boys and men are conditioned to view women as inferior to themselves and predominantly sexual objects—and the deleterious effects this has on both women and men, society, and culture at large. Beginning in childhood, the book provides a critical framework to understand one form of masculinity referred to as bro culture, and how it is reproduced and reinforced through popular culture, social institutions, and patriarchal forms of religion and politics. Weaving together current research with illuminating historical and contemporary examples, Thomas Keith unpacks the attitudes, beliefs, and behaviors that constitute this subculture and reveals the ways in which traditional and outdated codes of manhood, power, and gender relations have evolved into problematic forms of sexism, misogyny, and abuse. For as much as popular culture is revealed to be a contributing factor in the passage of bro codes, the book also includes examples of cultural forces that are challenging and seeking to overthrow the core tenets in powerful and lasting ways. Timely and thought-provoking, *The Bro Code* addresses the implications of an enduring social problem and moves us to reflect on ways to empower men away from this toxic form of masculinity.

**Round Two** Goddess Evette, Mr4eva, 2023-02-28 Eve is recently single and learning more about herself on the new journey. Texas born, raised and fed. Single plus size queen that has gotten her shape back and making the best out of her new norm. She is a business owner and smokes plenty of weed to supply a small country and is looking for adventure at every turn. Her mind is sharp and she takes her work seriously. She is getting older and is searching for what her future might look like now without her ex. Eve's best friend Jen is her ace boon coon and she has been her biggest support during the transition. They are two peas in a pod and down for whatever. The two have made plans for Eve's birthday and there is nothing stopping the duo. They are both looking forward to being out of town for the new scenery. What to do, what to wear, so many questions floating above her heading in a cloud of smoke. Eve understands that nothing happens by coincidence when you are at the right place at the right time. Put out good energy and you will get it back in return. If not, pull out the sage and get to burning. He is the finest and smoothest chocolate made. Tall and handsome all would agree. From Detroit, Michigan and the only child to a skillful small designer as a mother. She raised him religiously and to always be a gentleman. He often misses Detroit, but has chosen a new home for his future and his profession. In order to make it pleasant he would need a few relatives to really make it feel like home. Chris is established and has a promising career. He has his own everything and doesn't need to beg or borrow. All of this makes it harder to attract and find the right woman. Where is the right match? He only seems to attract gold-diggers looking to collect an easy payday. Chris has dated, but has never come close to an engagement. He longs for that special someone, something that he has never felt. Real love. He is not afraid to admit how he feels or go after what he wants. Sexy and smart with class and

with his ear to the streets. He knows things, people and has connections, this is a man to know. Thinking about something that you need is where it begins. Desiring something that will satisfy you is the mission. The motivation comes from every part of your being. Reaching for that object when it comes into view and not letting it get away is key, but knowing what it looks like is also important. How will you know? What will it feel like? What is it that appeases you? What will it taste like? Is it what you expected? So many questions when it comes to the desires of the heart and the needs of a man and a woman. Will Eve and Chris find something to complete them or will they be single till the end?
