So, You Want to Move to Ghana Hannah P. Yacob,2021-10-27 What do you need to know about moving abroad? More specifically, what do you need to know about moving to Africa? So, You Want to Move to Ghana is not your typical guidebook that simply walks you through the basics of living the expatriate lifestyle (i.e. visa applications or embassy locations). Hannah P. Yacob takes the reader on a personal journey of relocating from the West to West Africa. Matching experience with lessons learned, challenges, lifestyle adjustments, scams and loyal friendships, with a little grit and humor, the author walks you through the steps of adjusting to life in Ghana. This is a step-by-step guide for people with little or no knowledge of Ghana. It goes through the steps in detail on how to get here, what visa to get, how long it takes and also gives interesting facts about living in Ghana. It tells you how to find accommodation, receive your mail, and even how to shop at the local markets. From preparing your finances and home for an international move to knowing what it takes to live in West Africa with power outages and strict banking policies, to shipping and importing goods...all that and so much more jammed packed in this one piece of work. If you are considering embarking on a journey to live in Ghana, then this book is for you. It includes valuable information you will need to legally reside in Ghana. This book also includes critical step-by-step instructions that will aid you during your transition. It will cause you to pause, really think, and get in the right mindset before you make the big leap. If you are up for the challenge of freedom and serenity with some bumps in the road (pun intended), Ghana awaits you!

Saint John's Abbey Church Victoria M. Young,2014-10-01 In the 1950s the brethren at the Benedictine Abbey of Saint John the Baptist in Collegeville, Minnesota—the largest Benedictine abbey in the world—decided to expand their campus, including building a new church. From a who's who of architectural stars—such as Walter Gropius, Richard Neutra, Pietro Belluschi, Barry Byrne, and Eero Saarinen—the Benedictines chose a former member of the Bauhaus, Marcel Breuer. In collaboration with the monks, this untested religious designer produced a work of modern sculptural concrete architecture that reenvisioned what a church could be and set a worldwide standard for midcentury religious design. Saint John's Abbey Church documents the dialogue of the design process, as Breuer instructed the monks about architecture and they in turn guided him and his associates in the construction of a sacred space in the crucial years of liturgical reform. A reading of letters, drawings, and other archival materials shows how these conversations gave shape to design elements from the

church's floor plan to the liturgical furnishings, art, and incomparable stained glass installed within it. The book offers a rare detailed view of how a patron and architect work together in a successful building campaign—one that, in this case, lasted for two decades and resulted in designs for twelve buildings, ten of which were completed. The post–World War II years were critical in the development of religious and architectural experiences in the United States—experiences that came together in the construction of Saint John's Abbey and University Church and that find their full expression in Victoria M. Young's account of the process. Using the liturgy of the mid-twentieth century as a cornerstone for understanding the architecture produced to support it, her book showcases the importance of modernism in the design of sacred space, and of Marcel Breuer's role in setting the standard.

Not My People David I. Starling, 2011-06-30 After a survey of recent approaches to the study of Paul's use of Scripture, the four main chapters explore the use of Isa. 54:1 in Gal. 4:27, the catena of scriptural texts in 2 Cor. 6:16–18, Hos. 1:10 and 2:23 in Rom. 9:25–26 and Isa. 57:19 in Eph. 2:17. In each case, the ancient writer seeks to place the letter in its historical context and rhetorical situation, identify the significance of any conflation or modifications that have taken place in the citation process, analyse the citation's function within its immediate context, compare its use by Paul with the various ways in which the text is interpreted and appropriated by other Second Temple writers, and evaluate the main proposals offered as explanations for the riddle posed by the citation. That done, he offers his own account of the hermeneutic at work, based on an analysis of the explicit and implicit hermeneutical pointers through which the letter guides its readers in their appropriation of Scripture. This book compares the hermeneutical approaches of the four letters and draws conclusions concerning the interplay of continuity and discontinuity between Scripture and gospel in Paul's letters and the relationship between grace and Gentile inclusion in his theology.

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 3 John P. Keenan, 2023-05-23 As both a scholar of Buddhism and a Christian priest, John P. Keenan engages with the New Testament letter to the Ephesians, written by a member of the Pauline school likely near the end of the first century—a time when both the cultural world and the cosmos were much

narrower than for us today. In pondering this scripture's significance for residents of the twenty-first century, Keenan looks to the work of scholars and thinkers both ancient and modern, Eastern and Western, scientists and philosophers. Particular attention is given to Chinese Buddhist master Zhiyi's explanation of a threefold truth, which resonates with an early trinitarian theme in Ephesians and suggests the riches to be discovered upon the global theological commons.

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 2 John P. Keenan,2022-09-09 This is volume 2 of a wide-ranging interfaith reading of the Letter to the Ephesians—a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries. Unfortunately, at the same time, Ephesians has provided apparent scriptural support to those who would defend slavery, patriarchy, misogyny, and the physical power of Christ over the cosmos. How on earth are today's Christians to receive and understand such a text as this? *Earthing the Cosmic Christ of Ephesians: The Universe, Trinity, and Zhiyi's Threefold Truth* draws upon a broad array of scientific, theological, and philosophical thinkers who enable us both to marvel at today's ever-expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures, even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal, misogynistic, and slaveholding norms of its first-century culture. Throughout this reading of Ephesians, we look to Chinese Buddhist master Zhiyi and his "threefold truth" to enhance our understanding of trinity and the nascent trinitarian themes within this letter. As a whole, this work constitutes a new appreciation for Ephesians as well as a twenty-first century apologetic for doctrinal humility and for theologizing within a global theological commons.

The Missions and Missional Purpose of Ephesians Timothy A. van Aarde,2023-01-12 The purpose of the letter to the Ephesians is unknown. The book suggests that the purpose of Ephesians is about missions and being missional. The author of Ephesians committed the task of missions to the church. The author located the mission of the church in the redemptive plan of God. The redemptive "plan" (oikonomia) of God consists of historical epochs of missions: the mission of Israel, the mission of Christ, the mission of the disciples, the mission of the apostles, and the mission of the church. The term "missional" has been used ambiguously. The existence of a distinction between the mission of the church and missional church is demonstrated, and both expressions of mission are grounded in the biblical text of Ephesians. The mission of the church is grounded in an exposition of Eph 1–3, and

the missional church is grounded in an exposition of Eph 4–6. The author of the letter intended for the mission to the nations to be continued by the church (this is the mission of the church). He intended for the members of the church to continue to reach out to their local community (this is expressed by the missional church). The mission of the church has been grounded in the Great Commission. The missional church is grounded in the values, morals, and lifestyle principles set out in Eph 4–6.

Reverberations of the Exodus in Scripture R. Michael Fox, 2014-05-12 Inner-biblical studies is a blossoming field. Within this growing specialization, *Reverberations of the Exodus in Scripture* is a unique and refreshing contribution. Unlike most studies in this area focusing either solely on how Old Testament passages interact with other Old Testament texts or on the use of the Old Testament in the New Testament, this volume examines how a central and paradigmatic biblical event--the exodus from Egypt--resurfaces time and again in both testaments. Furthermore, the collaborative nature of this project has allowed specialists to construct each chapter. Readers of *Reverberations of the Exodus in Scripture* will gain a better understanding of the role of the exodus throughout the biblical canon and a deeper appreciation for its place in biblical theology.
