*Amanda Wakes Up* Alisyn Camerota, 2018-06-12 “Amanda Gallo is my kind of girl: funny, self-aware, and unable to resist a makeover. . . . I loved this novel.” —Lauren Weisberger, author of *The Devil Wears Prada* and *When Life Gives You Lululemons* “Entertaining.” —People When Amanda Gallo, fresh from the backwater of local TV, lands the anchor job of her dreams at FAIR News, she thinks she’s finally made it: a six-figure salary, wardrobe allowance, plenty of on-air face time, and a chance to realize her dreams, not to mention buy herself lunch. Instead, she finds her journalistic ideals shredded as she struggles to keep up with the issues in a ratings-crazed madhouse: battling for hair and makeup time; coping with her sexist (but scathingly handsome) coanchor, Rob; and showing Benji Diggs, her media maestro boss, that she’s got what it takes. As the news heats up in a hotly contested election season and a wildcard candidate, former Hollywood actor Victor Fluke, appears on the scene, Amanda’s pressure-cooker job gets hotter while her personal life unravels. Walking a knife’s edge between ambition and survival, and about to break the biggest story of her career, Amanda must decide what she’s willing to give up to get ahead—and what she needs to hold onto to save herself.

**On All Fronts** Clarissa Ward, 2021-09-07 “On All Fronts: The Education of a Journalist beautifully outlines . . . what it means to seek the truth. It gave me a new faith in the power of reporting.” —Oprah Winfrey The recipient of multiple Peabody and Murrow awards, Clarissa Ward is a world-renowned conflict reporter. In this strange age of crisis where there really is no front line, she has moved from one hot zone to the next. With multiple assignments in Syria, Gaza, Ukraine, and Afghanistan, Ward, who speaks seven languages, has been based in Baghdad, Beirut, Beijing, and Moscow. She has seen and documented the violent remaking of the world at close range. With her deep empathy, Ward finds a way to tell the hardest stories. *On All Fronts* is the riveting account

of Ward's singular career and of journalism in this age of extremism. Following a privileged but lonely childhood, Ward found her calling as an international war correspondent in the aftermath of 9/11. From her early days in the field, she was embedding with marines at the height of the Iraq War and reporting from the center of Israel's war with Hezbollah. Soon she was soon on assignment all over the globe. From her multiple stints entrenched with Syrian rebels to her deep investigations into the Western extremists who are drawn to ISIS, Ward covered Bashar al-Assad's reign of terror without fear and with courage and compassion. In 2018, Ward rose to new heights at CNN and became a mother. Suddenly, she was doing this hardest of jobs with a whole new perspective. On All Fronts is the unforgettable story of one extraordinary journalist—and of a changing world.

**Dispatches from the Edge** Anderson Cooper, 2009-10-13

From one of America's leading reporters comes a deeply personal, extraordinarily powerful look at the most volatile crises he has witnessed around the world, from New Orleans to Baghdad and beyond. *Dispatches from the Edge of the World* is a book that gives us a rare up-close glimpse of what happens when the normal order of things is suddenly turned upside down, whether it's a natural disaster, a civil war, or a heated political battle. Over the last year, few people have witnessed more scenes of chaos and conflict than Anderson Cooper, whose groundbreaking coverage on CNN has become the touchstone of twenty-first century journalism. This book explores in a very personal way the most important - and most dangerous - crises of our time, and the surprising impact they have had on his life. From the devastating tsunami in South Asia to the suffering Niger, and ultimately Hurricane Katrina in New Orleans, Cooper shares his own experiences of traversing the globe, covering the world's most astonishing stories. As a television journalist, he has the gift of speaking with an emotional directness that cuts through the barriers of the medium. In his first book, that passion

communicates itself through a rich fabric of memoir and reportage, reflection and first-person narrative. Unflinching and utterly engrossing, this is the story of an extraordinary year in a reporter's life.

**Reality Show** Howard Kurtz, 2007-10-09 Dan Rather, Tom Brokaw, Peter Jennings: They were on a first-name basis with the country for a generation, leading viewers through moments of triumph and tragedy. But now that a new generation has succeeded them, the once-glittering job of network anchor seems unmistakably tarnished. In an age of instantaneous Internet news, cable echo chambers and iPod downloads, who really needs the evening news? And, by extension, who needs Katie Couric, Brian Williams, and Charlie Gibson? But the anchors still have a megaphone capable of cutting through the media static. Their coverage of Iraq helped turn the country against that bloody war, and they are now playing a leading role in chronicling the collapse of George Bush's presidency and the 2008 race to succeed him. Yet, even as the anchors fight for ratings supremacy, the mega-corporations they work for have handed them a bigger challenge: saving an American institution. In this freewheeling, intimate account of life atop the media pyramid, award-winning bestselling author Howard Kurtz takes us inside the newsrooms and executive suites of CBS, NBC, and ABC, capturing the deadline judgments, image-making, jealousies, and gossip of this high-pressure business. Whether it is Couric trying to regain her morning magic while coping with tabloid stories about her boyfriends, Williams reporting from New Orleans and Baghdad while worrying about his ailing father, or Gibson weighing whether to follow his wife into retirement while grappling with having to report the explicit details of sex scandals, Kurtz brings to life the daily battles that define their lives. The narrative reflects an extraordinary degree of access to such corporate chieftains as Jeff Zucker and Les Moonves, star correspondents, and the anchors themselves. Their goal: create an on-screen persona that people will tune in to and

trust. Yet they are faced with a graying, shrinking audience as younger viewers flock to Jon Stewart, whose influence on the real newscasts is palpable. Here is the untold story of what these journalistic celebrities think of their bosses, cable competitors, bloggers, and each other.

*Transparent* Don Lemon, 2011-05-11 In this unique memoir, Primetime CNN anchor Don Lemon takes readers behind the scenes of journalism, detailing his own struggle to become one of the most prominent African American men in television news—and inside some of the biggest stories of our times. Never one to stop at the surface of the story, Lemon digs deep, exposing his own history with wealth and lack, with family secrets and painful revelations--and explains how those painful early experiences shaped his ambitions and gave him the tools of empathy and fearlessness that he brings to his work. Then Lemon turns the same searing honesty on the news industry itself, taking the reader behind the scenes of September 11, 2001, the DC Snipers, the epidemic of AIDS in Africa, Hurricane Katrina, the election of Barack Obama, and the death of Michael Jackson among other events. With his clear and compelling storytelling and the rich detail of an Emmy-winning journalist, Lemon reveals his own painful journey from a little boy who dreamed of broadcasting in segregated Baton Rouge in the early 70s, to his current perch at CNN in a fascinating and compelling look at the world of television news and his own experiences reporting in it.

*The Next Big Story* Soledad O'Brien, Rose Marie Arce, 2010-11-02 From top CNN anchor and special correspondent Soledad O'Brien comes a highly personal look at her biggest reporting moments from Hurricane Katrina, the tsunami in Southeast Asia, the devastating Haiti earthquake, and to the historic 2008 U.S. elections and high profile interviews with everyday Americans. Drawing on her own unique background as well as her experiences at the front lines of the most provocative issues in today's society, and from her work on the acclaimed

documentaries *Black in America* and *Latino in America*, O'Brien offers her candid, clear-eyed take on where we are as a country and where we're going. What emerges is both an inspiring message of hope and a glimpse into the heart and soul of one of America's most straight-talking reporters.

**The Enemy of the People** Jim Acosta, 2020-06-16 A New York Times bestseller. From CNN's veteran Chief White House Correspondent Jim Acosta, an explosive, first-hand account of the dangers he faces reporting on the current White House while fighting on the front lines in President Trump's war on truth, featuring new material exclusive to the paperback edition. In Mr. Trump's campaign against what he calls "Fake News," CNN Chief White House Correspondent, Jim Acosta, is public enemy number one. From the moment Mr. Trump announced his candidacy in 2015, he has attacked the media, calling journalists "the enemy of the people." Acosta presents a damning examination of bureaucratic dysfunction, deception, and the unprecedented threat the rhetoric Mr. Trump is directing has on our democracy. When the leader of the free world incites hate and violence, Acosta doesn't back down, and he urges his fellow citizens to do the same. At Mr. Trump's most hated network, CNN, Acosta offers a never-before-reported account of what it's like to be the President's most hated correspondent. Acosta goes head-to-head with the White House, even after Trump supporters have threatened his life with words as well as physical violence. From the hazy denials and accusations meant to discredit the Mueller investigation, to the president's scurrilous tweets, Jim Acosta is in the eye of the storm while reporting live to millions of people across the world. After spending hundreds of hours with the revolving door of White House personnel, Acosta paints portraits of the personalities of Sarah Huckabee Sanders, Stephen Miller, Steve Bannon, Sean Spicer, Hope Hicks, Jared Kushner and more. Acosta is tenacious and unyielding in his public battle to preserve the First Amendment and #RealNews.

**Huddle** Brooke Baldwin, 2021-04-06 Wall Street Journal Bestseller CNN news anchor Brooke Baldwin explores the phenomenon of “huddling,” when women lean on one another—in politics, Hollywood, activism, the arts, sports, and everyday friendships—to provide each other support, empowerment, inspiration, and the strength to solve problems or enact meaningful change. Whether they are facing adversity (like workplace inequity or a global pandemic) or organizing to make the world a better place, women are a highly potent resource for one another. Through a mix of journalism and personal narrative, Baldwin takes readers beyond the big headline-making huddles from recent years (such as the Women’s March, #MeToo, Times Up, and the record number of women running for public office) and embeds herself in groups of women of all ages, races, religions and socio-economic backgrounds who are banding together in America. HUDDLE explores several stories including: The benefits of all-girls learning environments, such as Karlie Kloss’s Kode with Klossy and Reese Witherspoon’s Filmmaker Lab for Girls in which young women are given the freedom to make mistakes, and find their confidence. The tactics employed by huddles of women who work in male-dominated industries including a group of US veterans/Democratic Congresswomen, a huddle of African-American judges in Harris County, Texas, and an all-female writers room in Hollywood. The wisdom of huddling from trusted pioneers such as Gloria Steinem, Billie Jean King, and Madeleine Albright as well as contemporary trailblazers like Stacey Abrams and Ava DuVernay. How professionals such as Chef Dominique Crenn and sports agent Lindsay Colas use their success to amplify other women in their fields. The ways huddles of women are dedicated to making seismic change, including a look at Indigenous women saving the planet, the women who founded Black Lives Matter, the mothers fighting for sensible gun laws, America’s favorite female athletes (Megan Rapinoe, Hilary Knight, and Sue Bird to name a few) agitating for equal pay, and female teachers rallying to

improve their working conditions. The bond between women who practice self-care and trauma healing together, including the women who courageously survived sexual abuse, and the women who heal together in *The Class* and *GirlTrek*. The ways women are becoming more intentional about the life-saving power of friendship, including the bonds between military wives, new moms, and nurses getting through the time of Covid. Throughout her examination of this fascinating huddle phenomenon, Baldwin learns about the periods of huddle “droughts” in America, as well as the ways that Black women have been huddling for centuries. She also uncovers how huddling can be the “secret sauce” that makes many things possible for women: success in the workplace, effective grassroots change, confidence in girlhood, and a better physical and mental health profile in adulthood. Along the way, Baldwin takes readers through her own personal journey of growing up in the South and climbing the ladder of a male-dominated industry. Like so many women in her field, she encountered many sharp elbows on her career path, but became an early believer in adding more seats to the table and huddling with other women for strength and solidarity. In the process of writing *HUDDLE*, Baldwin learns that this seemingly new phenomenon is actually something women have been doing for generations—a quiet, collective power she learns to unlock in her transformation from journalist to champion for women.

*The Devil May Dance* Jake Tapper, 2021-05-11 Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller *The Hellfire Club*—an excellent cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie

and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.

*Up All Night* Lisa Napoli, 2020-05-12 The wild inside story of the birth of CNN and dawn of the age of 24-hour news How did we get from an age of dignified nightly news broadcasts on three national networks to the age of 24-hour news channels and constantly breaking news? The answer—thanks to Ted Turner and an oddball cast of cable television visionaries, big league rejects, and nonunion newbies—can be found in the basement of an abandoned country club in Atlanta. Because it was there, in the summer of 1980, that this motley crew launched CNN. Lisa Napoli's *Up All Night* is an entertaining inside look at the founding of the upstart network that set out to change the way news was delivered and consumed, and succeeded beyond even the wildest imaginings of its charismatic and uncontrollable founder. Mixing media history, a business adventure story, and great characters, this is a fun book on the making of the world we live in now.

Top of the Morning Brian Stelter, 2013-04-23 CNN correspondent Brian Stelter reveals the dark side of morning

television with exclusive material about current and past morning stars, from Matt Lauer to Katie Couric. When America wakes up with personable and charming hosts like Robin Roberts and George Stephanopoulos, it's hard to imagine their show bookers having to guard a guest's hotel room all night to prevent rival shows from poaching. But that is just a glimpse of the intense reality revealed in this gripping look into the most competitive time slot in television. Featuring exclusive content about all the major players of the 2000s, *Top of the Morning* illuminates what it takes to win the AM -- when every single viewer counts, tons of jobs are on the line, and hundreds of millions of dollars are at stake. Stelter is behind the scenes as Ann Curry replaces Meredith Vieira on the *Today* show, only to be fired a year later in a fiasco that made national headlines. He's backstage as *Good Morning America* launches an attack to dethrone *Today* and end the longest consecutive winning streak in morning television history. And he's there as Roberts is diagnosed with a crippling disease -- on what should be the happiest day of her career. So grab a cup of coffee, sit back, and discover the dark side of the sun. Praise for *Top of the Morning* Mr. Stelter pulls back the curtains and exposes a savage corporate world that might have been inhabited by the Sopranos. -- *Washington Times* A troubling look inside an enterprise as vicious and internecine as a soap opera. -- *Kirkus Reviews*

No Time To Think Howard Rosenberg, Charles S.

Feldman, 2008-10-01 An eviscerating look at the state of journalism in the age of the 24 hour news cycle by a Pulitzer Prize-winning television critic and a veteran news correspondent. *No Time To Think* focuses on the insidious and increasing portion of the news media that, due to the dangerously extreme speed at which it is produced, is only half thought out, half true, and lazily repeated from anonymous sources interested in selling opinion and wild speculation as news. These news item can easily gain exposure today, assuming a life of their own while making a

mockery of journalism and creating casualties of cool deliberation and thoughtful discourse. Much of it is picked up gratuitously and given resonance online or through CNN, Fox News, MSNBC and other networks, which must, in this age of the 24-hour news cycle, feed the beast. In dissecting this frantic news blur, *No Time to Think* breaks down a number of speed-driven blunders from the insider perspective of Charles Feldman, who spent 20 years as a CNN correspondent, as well as the outsider perspective of Howard Rosenberg, who covered the coverage for 25 years as TV critic for *The Los Angeles Times*. *No Time to Think* demonstrates how today's media blitz scrambles the public's perspective in ways that potentially shape how we think, act and react as a global society. The end result effects not only the media and the public, but also the government leaders we trust to make carefully considered decisions on our behalf. Featuring interviews ranging from former NBC News anchor Tom Brokaw to internet doyenne Arianna Huffington to PBS stalwart Jim Lehrer to CNN chief Jonathan Klein to a host of former presidential press secretaries and other keen-eyed media watchers, this incisive work measures lasting fallout from the 24-hour news cycle beginning in 1980 with the arrival of CNN, right up to the present.

Vanderbilt Anderson Cooper, Katherine Howe, 2021-09-21 New York Times bestselling author and journalist Anderson Cooper teams with New York Times bestselling historian and novelist Katherine Howe to chronicle the rise and fall of a legendary American dynasty—his mother's family, the Vanderbilts. One of the Washington Post's Notable Works of Nonfiction of 2021 When eleven-year-old Cornelius Vanderbilt began to work on his father's small boat ferrying supplies in New York Harbor at the beginning of the nineteenth century, no one could have imagined that one day he would, through ruthlessness, cunning, and a pathological desire for money, build two empires—one in shipping and another in railroads—that would make him the richest man in America. His staggering fortune was fought over by his heirs after his death in

1877, sowing familial discord that would never fully heal. Though his son Billy doubled the money left by “the Commodore,” subsequent generations competed to find new and ever more extraordinary ways of spending it. By 2018, when the last Vanderbilt was forced out of The Breakers—the seventy-room summer estate in Newport, Rhode Island, that Cornelius’s grandson and namesake had built—the family would have been unrecognizable to the tycoon who started it all. Now, the Commodore’s great-great-great-grandson Anderson Cooper, joins with historian Katherine Howe to explore the story of his legendary family and their outsized influence. Cooper and Howe breathe life into the ancestors who built the family’s empire, basked in the Commodore’s wealth, hosted lavish galas, and became synonymous with unfettered American capitalism and high society. Moving from the hardscrabble wharves of old Manhattan to the lavish drawing rooms of Gilded Age Fifth Avenue, from the ornate summer palaces of Newport to the courts of Europe, and all the way to modern-day New York, Cooper and Howe wryly recount the triumphs and tragedies of an American dynasty unlike any other. Written with a unique insider’s viewpoint, this is a rollicking, quintessentially American history as remarkable as the family it so vividly captures.

Written in the form of ten lessons, covering topics from natural and biological risks to the rise of digital life to an emerging bipolar world order, Zakaria helps readers to begin thinking beyond the immediate effects of

COVID-19. Ten Lessons for a Post-Pandemic World speaks to past, present, and future, and, while urgent and timely, is sure to become an enduring reflection on life in the early twenty-first century.

The Green Collar Economy Van Jones, 2009-10-06

“Steadily—by redefining green—Jones is making sure that our planet and our people will not just survive but also thrive in a clean-energy economy.” —Leonardo DiCaprio A New York Times bestseller, *The Green Collar Economy* by award-winning human rights activist and environmental leader Van Jones delivers a much-needed economic and environmental solution to today’s two most critical problems. With a revised introduction and new afterword by the author—a man who counsels President Barack Obama on environmental policy—*The Green Collar Economy* and Jones have been highly praised by a multitude of leaders and legislators, including Al Gore, Senator Tom Daschle, and Speaker of the House Nancy Pelosi. Van Jones was named one of “The World’s 100 Most Influential People of 2009” by Time magazine, and with *The Green Collar Economy* he offers a wise, necessary, and eminently achievable plan for saving the earth and rescuing working class Americans.

*This Is the Fire* Don Lemon, 2021-03-16 In this vital book for these times (Kirkus Reviews), Don Lemon brings his vast audience and experience as a reporter and a Black man to today's most urgent question: How can we end racism in America in our lifetimes? The host of CNN Tonight with Don Lemon is more popular than ever. As America’s only Black prime-time anchor, Lemon and his daily monologues on racism and antiracism, on the failures of the Trump administration and of so many of our leaders, and on America’s systemic flaws speak for his millions of fans. Now, in an urgent, deeply personal, riveting plea, he shows us all how deep our problems lie, and what we can do to begin to fix them. Beginning with a letter to one of his Black nephews, he proceeds with reporting and reflections on his slave ancestors, his

upbringing in the shadows of segregation, and his adult confrontations with politicians, activists, and scholars. In doing so, Lemon offers a searing and poetic ultimatum to America. He visits the slave port where a direct ancestor was shackled and shipped to America. He recalls a slave uprising in Louisiana, just a few miles from his birthplace. And he takes us to the heart of the 2020 protests in New York City. As he writes to his young nephew: We must resist racism every single day. We must resist it with love.

Hoax Brian Stelter, 2020-08-25 INSTANT NEW YORK TIMES BESTSELLER An NPR Best Book of the Year “A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel.” —The New York Times “A Rosetta Stone for stuff about this presidency that doesn’t otherwise make sense to normal humans.” —Rachel Maddow, MSNBC “Stelter’s critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy.” —The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of *Top of the Morning*. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as “executive time.” In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked “coronavirus hysteria” as a “new hoax” from the left. Millions of Americans took Hannity and Trump’s words as truth—until some of them started to get sick. In *Hoax*, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter

spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. "We don't really believe all this stuff," a producer says. "We just tell other people to believe it." At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said "if I stay here I'll get cancer;" and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, Hoax exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President's propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen?

**The Post-American World** Fareed Zakaria, 2008-05-06 The author of the bestselling *The Future of Freedom* describes a world in which the U.S. will no longer dominate the global economy. He sees the rise of the rest as the great story of our time, and one that will reshape the world.

The Future of Freedom: Illiberal Democracy at Home and Abroad (Revised Edition) Fareed Zakaria, 2007-10-09 A modern classic that uses historical analysis to shed light on the present, *The Future of Freedom* is, as the Chicago Tribune put it, essential reading for anyone worried about the promotion and preservation of liberty. Hailed by the New York Times as brave and ambitious...updated Tocqueville, it enjoyed extended stays on the New York Times, Wall Street Journal, and Washington Post bestseller lists and has been translated into eighteen languages. Prescient in laying out the distinction between democracy and liberty, the book now contains a new afterword on the United

States's occupation of Iraq. Intensely provocative and valuable, according to BusinessWeek, with an easy command of history, philosophy, and current affairs, *The Future of Freedom* calls for a restoration of the balance between liberty and democracy and shows how politics and government can be made effective and relevant for our time. This new edition includes a new afterword on America in Iraq.

**Television News Anchors** Thomas Fensch, 1993 These articles chart the development of television news. Part One examines the early years of the network news. Part Two discusses the ethical and other questions facing broadcast journalism. Part Three profiles 21 prominent network journalists.
