Apple Ios 10 for Seniors: An Easy Guide to the Best Features

Michael Galleso,2017-01-05 Apple has launched its newest operating system, iOS 10, which succeeds IOS 9. The operating system made its official debut on September 13, 2016. As with all new operating systems, Apple has incorporated many significant upgrades and changes that will enhance its devices' usability. With iOS 10, comes alterations to 3D Touch, screen lock and the inclusion of "widget" support. Some applications such as Messages, Maps, Siri and Photos have been given new features. A new operating system can seem daunting when first released, especially to the older class of users. This guide will instruct seniors on how to maneuver IOS 10. The guide will provide information on the new features and how to use them as well as some of the common issues and how they can be resolved.
