**The Best Western Stories of Wayne D. Overholser** Wayne D. Overholser,1984 From the pulp magazines devoted to stories of the Wild West emerged a few genuine craftsmen with a deep understanding of human nature: Wayne D. Overholser, author of more than 100 novels and 400 stories, was one of these writers. Overholser's stories fulfill the requirements of the Western genre--plenty of fast action; characters alone facing incredible odds; right invariably triumphing over wrong, law and order over chaos and anarchy; a good man winning the right woman. Stephen Overholser in his Introduction to his father's stories points out that the stories were written after a great deal of research into the history of the West. Thus he gave his stories historical backgrounds or at least imbued them with historical realities. He could also draw upon his own memories, because he had grown up knowing many true pioneers. Stephen Overholser also notes that unlike many pulp writers, Wayne D. Overholser envisioned his stories through the eyes of his characters.

*Mistakes Can Kill You* Louis L'Amour,2014-02-04 "L'Amour is popular for all the right reasons. His books embody heroic virtues that seem to matter now more than ever."—The Wall Street Journal Edge-of-your-seat thrillers from the greatest Western author ever. There will never be another Western writer like Louis L'Amour. A legendary author and indisputably the greatest storyteller in his genre of all time, L'Amour captivated millions of readers and has sold well over three hundred million copies of his works, which includes nearly ninety novels and countless short stories. Mistakes Can Kill You highlights an essential selection featuring nine of L'Amour's earlier short stories, sometimes

written under the pen name Jim Mayo, that exemplify the rugged morality of the best Western writing. In "Black Rock Coffin-Makers," two men ready to kill over ownership of a ranch get more than they bargain for when a stranger is caught in the crossfire. And in "Four- Card Draw," Allen Ring wins a ranch in a poker game, only to find out an unsolved murder was committed there years ago and law enforcement thinks Ring knows more about it than he's letting on. L'Amour made his characters come alive on the page, and his ability to capture the spirit and authenticity of the Wild West is unrivaled. Mistakes Can Kill You transports you to a world you'll never want to leave, and proves that Louis L'Amour will always be the king of spinning a classic Western yarn. **The Trail to Redemption: A Classic Western Series** B. N. Rundell,2021-11-17 A BRAND-NEW CLASSIC WESTERN SERIES FROM BEST-SELLING AUTHOR B.N. RUNDELL. Every time he squeezed the trigger, somebody died. He thought it was just the way of the war, but after taking a couple bullets and being mustered out, it continued. When he stood over the ashes of his family's farm and stared at their graves, the same bile rose in his throat, and he knew somebody was going to have to pay... and pay with their blood. This was to be the beginning of a blood hunt that would take Reuben Grundy across four states, pit him against renegade outlaws posing as the Home Guard for the north, the Bushwhackers of Captain Quantrill and the men in butternut and grey, as well as the mighty Pawnee of the plains. His father had taught young Reuben to never look for others to do what needs to be done, even if it means putting his life on the line. And Reuben would do just that, with his training as one of Berdan's Sharpshooters at the outset of the war between the states, and his own time beside his father in the woods, Reuben was destined to become one of the most feared hunters of the plains. Whether it was for man or beast, when his sights settled on the target, death was sure to follow.

*The Trail to Restoration* B N Rundell,2022-01-12 BEST-SELLING AUTHOR B.N. RUNDELL TAKES YOU ON A FAST-RIDE IN A WESTERN CLASSIC LIKE YOU'VE NEVER SEEN BEFORE. It was new country, beautiful and wild and full of challenges. When Reuben chose to start the new chapter of his life with a partner, he had no inclination as to the trials that would come. The sight of a war party of Cheyenne Dog soldiers caught their attention when they saw two captive white women, and Elly's insistence that they free them was the beginning of those challenges. A confrontation with four bandits that wanted the women presented another challenge, but when a federal Marshall and the owner of the Overland Stage line challenge Reuben with the task of securing a gold shipment from the gold fields of Colorado and get it to the Union forces while Rebel recruits want it for the Confederacy, raises the stakes in his new role. Add in an attack by outlaws teamed up with renegade Arapaho and Cheyenne, some desperado prospectors, and a handful of confederate deserters, Reuben and Elly have their work cut out for them... But when they think they've got it handled, two orphaned urchins tug at their heartstrings and complicate matters even further.
