End Time Bible Prophecy Revealed Brian Watchly, 2017-11-30 This is the second most important book ever published. It finally reveals the hidden Bible prophecies that Christ Jesus gave to His disciples about two thousand years ago, but have been kept sealed closed by the hand of God for all this time. This book on eschatology interprets hundreds of End Time parables recorded in five chapters of the New Testament Gospels, and from them teaches

a new End Time doctrine that consists of the Worldly Church prophecy and the Three Throne Judgments. There is a very good reason for why God has unveiled the ancient parables now, and not in the past.

End-Time Prophecies Revealed Dr. Jimmy Poon, 2017-07-04 Jesus Christ is returning very soon! The Late Great United States Mark Hitchcock, 2010-05-18 Will God Bless America--Even in the End Times? Every day brings more news of a world that seems to teeter on a disastrous precipice: . Wars of genocide . Massive earthquakes and typhoons . The rising cost of foreign oil . Terrorist bombings . Economic disasters and lost security . Crushing federal debt . Famine and worldwide hunger . a tidal wave of illegal immigrants How many of these events and crises are signs of the end times? And what will become of the United States? Will America continue to slip as today's lone world superpower, and will it even exist when the sounds of warfare rumble at the Battle of Armageddon? Clearly explaining the end time prophecies of Scripture, Mark Hitchcock shows that today's geopolitical situation corresponds remarkably to what the Bible predicted thousands of years ago. Prophecies previously dismissed as unbelievable now read like news headlines. Learn of America's final fate and the outcome of dire events at the end of the age as Mark Hitchcock teaches how to find the only lasting hope in a God who will not forsake us--no matter what cataclysms we experience on earth.

The Three Heavens John Hagee, 2015-05-12 As sales of Hagee's current New York Times bestseller, *Four Blood Moons*, continue to soar, hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world . . . heaven itself! Hagee's national media power assures another mega-bestseller.

Countdown to the Apocalypse Grant R. Jeffrey, 2008-10-07 Daniel prophesied the rise of global government in your future. A number of prophets had a glimpse of the future, but God gave only one prophet a precise calendar of the end-times events that will affect the current generation. Writing more than 2,500 years ago, Daniel described a series of cataclysmic events and the signs that will precede the end times. According to prophecy expert Grant R. Jeffrey, many of the signs that Daniel pointed to are visible in our world today. Daniel's vision reveals startling details about the identity of the coming Antichrist, his political career, his death, and his Satanic resurrection. After completing an exhaustive study of Daniel's prophecies, Dr. Jeffrey presents a detailed description of the Antichrist's rise as world dictator, the mark of the beast, and the political maneuvering that will set the stage for global government. In light of the Hebrew calendar and the cycle of Jewish festivals, Dr. Jeffrey uncovered precise dates for major apocalyptic events, including a timeline for the Antichrist's rise to power, the major events of the Tribulation, and the timing of the Battle of Armageddon. God allowed Daniel to see the world we will soon live in as we approach the time for the return of the Messiah. Now learn exactly what Daniel knew.

Bible Prophecy Revealed Michael D. Fortner, 2023-03 This is a whole new interpretation of Bible prophecy. It analyzes most of Revelation, Daniel, and many other passages. This book presents evidence for a Mid-Tribulation/ Pre-

Wrath Rapture.

The Messiah Revealed in Prophecy Cushroo Bejon, 2019-06-05 for the Lord Almighty has purposed, and who can thwart him? His hand is stretched out, and who can turn it back? (Isa 14:26-27 NIV) Biblical prophecy is not simply insight into future events. It is more than that, for it reveals Gods plan and purpose, and imparts an understanding of His purpose to humanity. In this book, Cushroo Bejon explores the significance of the prophetic scriptures in relation to the birth, life, crucifixion, resurrection and exaltation of Jesus. His findings are conclusive: it cannot be mere coincidence that these ancient scriptural prediction find their fulfillment in the life of Jesus, rather, they provide clear evidence that the Bible is the Word of God, and that Jesus is the messiah, God's Son.

Bible Prophecy Revealed Michael D Fortner, 2022-04-04 This TWO BOOKS in ONE: Discoveries in Bible Prophecy (with updates) and The Beast and False Prophet Revealed (with updates) This is a whole new interpretation of Bible prophecy. It shows the Four Horsemen of the Apocalypse have already ridden out during the past 2,000 years of wars, famine, and persecution. The author does not merely make that assumption, he analyzes the text to show what the four horsemen are. This book proves there will never be a world government ruled by a dictator, but there will be WW3. The author discovered missiles and rockets described in detail, even the warhead, which is called a head that kills with fire, smoke, and sulfur. And contrary to popular teaching, America

is in fact found in Bible prophecy, and is a major player, as you would expect. The visions of Daniel also have a new interpretation. The passage in Daniel 9:27 that is supposed to refer to a 7-year peace treaty is being grossly misinterpreted. The original Protestant view of that verse is the correct view. Daniel's vision of the four beasts and the statue with ten toes both show that there will never be a world government. Those passages are not being correctly interpreted. The 10 horns of Daniel are not the same as the 10-horns of Revelation. Those in Daniel are proven to be the CIS. Three horns of the CIS will soon be uprooted to become horns on the Beast of Revelation. And the Bible text never says that the ten toes will rule the world, but only the fourth beast from which the horns come. Likewise, it never says the ten toes will rule the world, but actually says they will break apart. The book also proves that the Jews must convert before Christ will return. Yes, it is plainly stated in the Bible several times! Which makes one wonder how the opposite view could become a popular doctrine. Though this book was not written against the pre-tribulation Rapture, the correct interpretation of Bible prophecy proves the pre-trib Rapture theory is false, seen repeatedly throughout the book. The author even found the smoking gun that kills the pre-trib theory! He even presents a new interpretation of the two witnesses, the author shows that the symbolic meaning of the two witnesses is Christianity, which is why they cannot be killed until they have finished their testimony; which represents reaching all nations with the Gospel. They

will be killed in a global terrorist attack organized by the beast and false prophet. This book presents the history of Islam's war against Christianity to show how and why it is the beast of Revelation; a Revived Ottoman Empire. Turkey will become the lead nation of the 10-nation beast. There are other books out that correlate what Islam teaches with the expected Antichrist, but they do not have the details found in this book. The author actually proves that some of the details in the other books are wrong. For example, he proves that the new theory on the mark of the beast taught by Walid Shoebat and Joel Richardson is totally wrong. Michael D. Fortner analyzes the text of many Bible passages by examining the Hebrew or Greek, and consulting many sources. He takes the view that the symbols of the Bible have a literal meaning that God wants us to understand. * Proof that the beast comes to power with the 5th Trumpet * The smoking gun that Kills the pretribulation Rapture * Evidence that the Bride of Christ is not the entire Church * The Rapture will be shortly after the Beast rises to power, (another Rapture will happen at the end of the Trib for the Trib saints) * Proof positive that the beast will NOT rule the entire planet * Missiles and rockets described in detail, even the warhead And MUCH more.

Biblical Prophecy Unveiled Michael F. Elmore MD, 2018-06-27 The Bible is Gods revealed message to humankind, and in it God shows us our collective, eternal future through an expansive history that is rich with prophecy. It is no wonder, then, that sometimes this divine message that spans the time from

creation to today and beyond can be complex. Have you ever wished that you could better understand complex biblical prophecy and that it would be fun to read? In *Biblical Prophecy Unveiled: Prophecy Made Easy*, Christian author and physician Michael F. Elmore delves into the complexities of biblical prophecy and provides a simple, concise way to come away with new understandings and insights. With a longtime interest in the Bible and its prophecies and thanks to a love for making complex subjects easy to understand, Dr. Elmore explores prophetic themes like judgment, discipline, restoration, sovereignty, warning, and messianism and explains them through the lens of God's incredible love for humankind. God wants us to be prepared for the last days, and the Bible and its prophecies reveal exactly what believers need to know in order to face the great tribulation without fear. Instead, we can have hope, excitement, and anticipation for Christ's return, knowing that we can be confident in trusting in God's Word thanks to a fuller, more complete understanding of his revealed truth.

Jordan and God's Church in Prophecy Gerald Flurry, Philadelphia Church of God, 2013-10-17 Why should a small nation like Jordan be mentioned so much in end-time prophecy? There are to be two prodigious battles before Christ gets here. Jordan is prominently mentioned in both of them! There is a vital reason why God's loyal remnant is also closely tied to the nation of Jordan in these end-time prophecies. In this booklet: • Jordan's Escape • Asiatic Hordes Attack • Strongholds of Sela • Jordan to be Punished by God • Jordan's

Hope • God Intervenes This ebook is offered completely free of charge by the Philadelphia Church of God. However, please not that Google Play will need a verified Google Wallet account which requires your credit card information. In a small number of countries, a temporary authorization of \$1 will be charged to your account but will be refunded. This refund can take up to 1 month to process.

The Approaching Apocalypse and Three Days of Darkness Michael D.

Fortner, 2023-06-19 The Bible tells us that when Christ returns, there will be another end-of-the-world type destruction, like Noah's Flood, but with fire. Includes many prophecies from: Book of Enoch, Sibylline Oracles, Apocrypha, more.

The Beast and False Prophet Revealed Michael D. Fortner, 2014-06-13 (Version 2, 2017) Book 2 of the series presents new and enlightening discoveries from 30 years of research into Bible prophecy. This new look at Bible prophecy presents strong evidence that the coming beast and false prophet of the book of Revelation are based solidly in Islam and Muhammad. When the head of the beast has a fatal wound, it represents the death of the Ottoman (Turkish) Empire in World War 1. Which means this is the head that will come back to life again to wage jihad upon the world. The second beast of Revelation is Islam, the two horns representing the two factions: Sunni and Shite. Islam has encoded in its teachings- murder, lying, plunder, slavery, rape, warfare, and even terrorism as part of its official religious doctrine. Jesus said

that the thief comes only to steal, kill and destroy, and this is exactly what Islam has done from its beginning. No other religion so completely fits the description in the Bible of the beast and false prophet than Islam. Islam is different from all the other religions that do not believe in Jesus, because Islam officially declares that Jesus is not the Son of God (Quran 4:171; 18:4-5), which is the Biblical definition of Antichrist: Who is the liar but he who denies that Jesus is the Christ? This is the Antichrist, he who denies the Father and the Son (1 John 2:22). Islam ruled the second largest empire in history that stretched from the Atlantic Ocean to the borders of China. Millions of Christians have already suffered and died under Islam's armies of conquest, and Christians are still dying today in Egypt, Iraq, Syria, Nigeria, Sudan, and many other places. The spread of Islam has left a trail of blood, suffering, and destruction like no other ideology in world history. This book includes a history of Islam's war on Christianity. No one could invent a more evil cult. For hundreds of years the Muslims of North Africa captured European ships, and then American ships, and enslaved the passengers and crews. They even raided coastal towns and dragged people out of churches and into slavery where they were beaten and abused in order to pressure them to convert to Islam. This book shows how and why the beast of Revelation is based in Islam. It also includes Daniel 11. The details presented is like no other book. For example: The verses of the Quran are called, miraculous signs, and Rev. 13 says that the false prophet deceives

people with miraculous signs (NIV). Fortner's interpretation of Revelation is truly eye-opening. The mark of the beast is also presented with new and enlightening information. Even the image of the beast has a surprising new interpretation. But the beast's empire will not rule the entire planet. The author proved that there will never be a one-world government, many times over, in Book One. This is Book Two in the Bible Prophecy Revealed series. You will get the most out of this book if you have read the first one, titled Discoveries in Bible Prophecy, but it is not required. There are other books out that correlate what Islam teaches with the expected Antichrist, but they do not have the details found in this book. The author actually proves that some of the details in the other books are wrong. For example, he proves that the new theory on the mark of the beast taught by Walid Shoebat and Joel Richardson is totally wrong. Chapter 1: The Beast of Empire 2: A Brief History of Islam 3: The Scarlet Beast 4: The Two-Horned Beast 5: The Mark, Name, & Number of the Beast 6: Historical Views 7: The Antichrist 8: The Muslim Brotherhood's Plan 9: A Summary of the Great Tribulation 10: Final Words

Discoveries in Bible Prophecy Michael Fortner, 2013-11 This is a whole new interpretation of Bible prophecy that is prewrath, yet posttrib. It shows the Four Horsemen of the Apocalypse have already ridden out during the past 2,000 years of wars, famine, and persecution. The author does not merely make that assumption, he analyzes the text to show what the four horsemen are. We are

now in the period of the global birth pains of the earth, and the Trumpet judgments are next. This book proves there will never be a world government ruled by a dictator, but there will be WW3. The author discovered missiles and rockets described in detail, even the warhead, which is called a head that kills with fire, smoke, and sulfur. And contrary to popular teaching, America is in fact found in Bible prophecy, and is a major player, as you would expect. Even the Statue of Liberty is described as a woman lifted up between heaven and earth and put on a pedestal, with a covering made of soft metal. Yes, it is really in the Bible! The visions of Daniel also have a new interpretation. The passage in Daniel 9:27 that is supposed to refer to a 7-year peace treaty is being grossly misinterpreted. The original Protestant view of that verse is the correct view. Daniel's vision of the four beasts and the statue with ten toes both show that there will never be a world government. Those passages are not being correctly interpreted. The Bible text never says that the ten toes will rule the world, but only the fourth beast from which the horns come. Likewise, it never says the ten toes will rule the world, but actually says they will break apart. The book also proves that the Jews must convert before Christ will return. Yes, it is plainly stated in the Bible several times! Which makes one wonder how the opposite view could become a popular doctrine. Though this book was not written against the pretribulation Rapture, the correct interpretation of Bible prophecy does prove the pretribulation Rapture theory is false, which is seen

repeatedly throughout the book. The author even found the smoking gun that kills the pretrib Rapture theory! He even presents a new interpretation of the two witnesses, showing that Revelation points us to the Old Testament, and that the symbolic meaning of the two witnesses is Christianity, which is why they cannot be killed until they have finished their testimony, which represents the end of the Gospel Age. They will be killed in a global terrorist attack organized by the beast and false prophet. But this is just book 1 of 2, covering Revelation 4-12. The beast and false prophet are covered in detail in the next book (Rev. 13-22), including the global Wrath of God. Michael D. Fortner analyzes the text of many Bible passages by examining the Hebrew or Greek, and consulting commentaries such as Barnes Notes on the Bible. He takes the view that the symbols of the Bible have a literal meaning that God wants us to understand, and sites the passage in Revelation 1 where Jesus tells John the meaning of the seven candlesticks. The author is a journalist and historian, with a God-give ability to figure things out and to think outside the box. Daniel's Commentary on Bible Prophecy Daniel Ropp, 2013-09-05 These commentaries address many of the Bible's secrets that have been waiting literally centuries to be revealed. Some of these commentaries address information that has been misunderstood. The Scripture reveals why this generation is unique above all others. The significance is amazing! Information in this book will be controversial to some because it challenges

some of the myths that are still being perpetuated. I found it amazing how God targeted the 1948 generation from the time of the birth of Abraham to be the last generation to reveal the consummation of the age, and we are living in it right now. I found it amazing that the United States has been kept hidden in prophecy until it was time for it to be revealed. The prophecy even reveals the invasion and occupation of the country. These things and many others are disclosed in these commentaries.
