The Bible Says What!? Michael Wiseman,2022-06-29 The Bible is considered to be one of the bestselling books of all time, but what is really in it? What does it actually say? *The Bible Says What!?* is a direct and critical look at the Bible itself, exploring some of the most undefendable stories and ideas within it. In this book, you will encounter harsh criticisms and hard truths, looking deeper into the verses that your local pastors refuse to address from the pulpit. This book is for the Christian who is not afraid to take that arduous journey into their own beliefs and challenge them. This book is for the atheist seeking information to use in their everyday conversations with Christians. It's for the casual reader who is merely curious about what is in the book that Christians follow. This book is for you.

Hey! That's Not What The Bible Says! Bill Ross,1999-04-11 Hey, That's Not What the Bible Says! That's what Bill heard back from a group of young children when he shared some sketches he had done for children's church. Those drawings were the basis for this unique and very creative look into some of the Bible's most popular stories including the Garden of Eden, Moses and the burning bush, and Jesus' birth. 10 stories in all are told in cartoonish fashion with a familiar group of kids always popping up to remind us...That's Not What the Bible Says! The complete stories from the Bible are included along with each story as references for families to spend family time reading together.

What the Bible Says About God the Ruler Jack Cottrell,2000-10-24

The Bible Says... Dae Young Choe,2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive. But, reading through the bible alone would take a year, and yet finding out what it says is still another story. So, many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand. Simply, we are trapped in this busy world of devil and the devil does not allow us to think about where we come from, where we go to and why we live in this world. That was stated in the bible as dead, saying 'And another of his disciples said unto him, Lord, suffer me first to go and bury my father. But Jesus said unto him, Follow me; and let the dead bury their dead. (Matthew8-22)' As the result, we just go to church for self-relief and follow the instructions of the church for no reason and say we obey to God. Yet, still we do not know what God says. Leaving every teaching of religious people and traditional religious idea behind, I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes. I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place. As the bible says, 'No one can come to Me, unless the Father who sent Me draws him: and I will raise him up on the last day. (John 6-44)', this book is not intended to draw people into belief but to guide God's people that are lost. In other words, it is only for Sons of God. It doesn't necessarily mean that my way is the best way. So anybody who knows the way should follow own way.

The Bible Says So! Edwin D. Freed,Jane F. Roberts,2014-12-05 Is it possible to apply teachings from the Bible to our world today, given the vast differences between biblical times and ours? Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action. 'The Bible Says So!' examines the origins of well-known biblical stories - from Adam and Eve, the Flood, and the Tower of Babel, to the birth of Jesus, his resurrection and the writings of St Paul. The book argues that the meaning of these stories becomes apparent when we read between the lines, using the techniques of biblical scholars. 'The Bible Says So!' explores the original intentions of the biblical writers in their particular context and examines key biblical values. The book does justice to the origins of the biblical text, whilst also affirming the relevance of the Bible today.

What the Bible Says about Being a Man J. Richard Fugate,Virginia Ruth Fugate,2009-05-01 What this nation needs today is men who will live by the Biblical principles of honesty, courage, loyalty, self-discipline, and above all, GODLINESS. Being A Man explains this demise of masculinity, the biblical roles of Christian masculinity and the road back to responsible manhood.

I Am What The Bible Says I Am Keith Provance, Jake Provance, 2017-09-01 Who are you...really? For many people, answering that question is a daily struggle. It often seems as though our identity is in a constant state of flux – based on what we allow to define us. Whether it is the type of childhood we had, our relationships, experiences, social status, occupation, or social environment – all of these aspects of our identity can contribute to the way we view ourselves. BUT how does God see us? I AM is the perfect tool to discover the reality of who we are in Christ and walk in the fullness of the inheritance He has provided for us. I AM has 17 chapters written to clearly reveal the truth of who we are. Each chapter is followed with scripture to take us to the Word and see what God has to say. Words of truth are also included so the reader can reinforce the truth by speaking it. It is a perfect gift for any believer interested in growing spiritually and coming to a better understanding of their spiritual identity in Christ. Its convenient size makes it easy to carry in a purse or pocket as a daily reminder of who we really are!

The Living God R. T. France, 2003-02 This book is not an academic study of what the church has taught, or what scholars have said, but rather a challenging study of what the Bible itself says about God. In *The Living God*, author R.T. France encourages us to come to grips with the broad sweep of biblical data, showing us that the God of the Bible is neither passive nor far removed from our everyday lives, but rather a dynamic and living reality to be engaged.--Back cover

The Bible Says . . . Larry R. Kalajainen, 2013-02-26 Telling the Whole Story is both a book about preaching and reading the narratives of the Hebrew Bible. John C. Holbert (PhD in Hebrew Bible) was a longtime teacher of preaching and Hebrew Bible at Perkins School of Theology, Southern Methodist University, having retired in 2012 after thirty-three years. In this volume he combines his two skills of careful narrative reading and imaginative story preaching to offer the first comprehensive look at this particular kind of sermon proclamation. The reader will also find here an introduction to the long history of story preaching in the history of the church, as well as a primer both in ways to read the narratives more effectively and ways to preach several varieties of story sermons.
