### **Starting and Managing a Nonprofit Organization**

Bruce R. Hopkins, 2017-07-05 Everything you need to start and manage a non-profit Starting and Managing a Nonprofit Organization is written to help anyone who's just getting their toes wet in the sector get up to speed on the critical information needed to protect their nonprofit's tax-exempt status—and avoid the many legal traps out there that you probably didn't know exist. Packed with checklists and step-by-step guidance, Starting and Managing a Nonprofit Organization demystifies intricate legal issues with plain-English language explanations for non-legal professionals of the statutes, regulations, court opinions, and other rules comprising nonprofit law. Nonprofits must comply with stringent federal and state laws due to their special exempt status; the government's ultimate threat is revocation of a nonprofit's tax-exempt status, which usually means the nonprofit's demise. Written in plain English, not legalese, this all-important guide provides essential guidance for those interested in starting nonprofits, as well as valuable advice for leaders of established organizations. Covers all aspects of federal and state nonprofit law Discusses

significant contemporary issues, including commerciality, private benefit, governance, and unrelated business. Provides summaries of current IRS ruling policies. Includes procedures and a glossary of legal terms for fail-safe compliance. Written by the country's legal leading authority on tax-exempt organizations, *Starting and Managing a Nonprofit Organization* is the reference you'll want to keep close by as you navigate your way through the world of nonprofit and the law.

*A Nonprofit Lawyer* Bruce R. Hopkins, 2018-02-22 A Nonprofit Lawyer By: Bruce R. Hopkins "You're a what?" As a nonprofit lawyer, Bruce R. Hopkins has heard that reaction more than a few times, but it still makes him smile. A practicing lawyer for more than five decades, Hopkins is a nationally recognized leader concerning the laws and regulations pertaining to nonprofit organizations. These organizations face a dizzying number of requirements both for gaining recognition of tax exemption from the IRS and filing annual information returns to continue to justify that status. Lucky for them, lawyers like Hopkins are there to help. *A Nonprofit Lawyer* is one part crash course in nonprofit law and one part autobiography, telling the story of how Hopkins initially stumbled into nonprofit law and how he has become a prolific author and speaker on the subject.

while also maintaining a busy practice. Anyone interested in specific applications of nonprofit law or just looking for an interesting read about a passionate specialist will find plenty to like in these pages.
