Includes black-and-white engravings, maps of important biblical sites, a listing of Jesus's miracles and parables, a chronology of the relationship between political events and accounts in the Bible, a bibliography, and index. What the Bible Says about Angels Dr. David

Jeremiah, 2013-12-11 “A powerful and insightful book about angels. Dr. David Jeremiah shifts the focus from contemporary ‘angel hype’ to the fascinating biblical truth about God’s powerful messengers and what their miraculous presence reveals about our loving Creator. It is a must-read for anyone interested in the dramatic truth about angels.”—Dr. John C. Maxwell, founder, INJOY, Inc. San Diego Responding to the widespread, modern cultural interest in—even obsession with—the agents of heaven and

their role in our world, popular Bible teacher David Jeremiah provides an in-depth, biblical look at the hot topic of angels, giving a broad and thorough survey of Scriptural teaching illustrated by powerful quotes from prominent teachers Billy Graham, Corrie ten Boom, C.S. Lewis, and others.

Everything the Bible Says About Money ,2011-10 A gathering of all the Bible's references to money, including verses on spending, saving, earning, tithing, lending, wealth, and poverty. Also provides very brief context and commentary--

The Bible Tells Me So Peter Enns,2014-09-09 The controversial Bible scholar and author of *The Evolution of Adam* recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God's Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to "protect" the Bible, Enns was conflicted.

Is this what God really requires? How could God's plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. *The Bible Tells Me So* chronicles Enns's spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God's Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.

The Bible Says... Dae Young Choe, 2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive. But, reading through the bible alone would take a year, and yet finding out what it says is still another story. So, many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand. Simply, we are trapped in this busy world of devil and the devil does not allow us to think about where we come from, where we go to and why we

live in this world. That was stated in the bible as dead, saying 'And another of his disciples said unto him, Lord, suffer me first to go and bury my father. But Jesus said unto him, Follow me; and let the dead bury their dead. (Matthew8-22)' As the result, we just go to church for self-relief and follow the instructions of the church for no reason and say we obey to God. Yet, still we do not know what God says. Leaving every teaching of religious people and traditional religious idea behind, I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes. I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place. As the bible says, 'No one can come to Me, unless the Father who sent Me draws him: and I will raise him up on the last day. (John 6-44)', this book is not intended to draw people into belief but to guide God's people that are lost. In other words, it is only for Sons of God. It doesn't necessarily mean that my way is the best way. So anybody who knows the way should follow own way.

What the Bible Says About God the Ruler Jack

Cottrell,2000-10-24

The Bible Says What!? Michael Wiseman,2022-06-29 The Bible is considered to be one of the bestselling books of all time, but what is really in it? What does it actually say? **The Bible Says What!?** is a direct and critical look at the Bible itself, exploring some of the most undefendable stories and ideas within it. In this book, you will encounter harsh criticisms and hard truths, looking deeper into the verses that your local pastors refuse to address from the pulpit. This book is for the Christian who is not afraid to take that arduous journey into their own beliefs and challenge them. This book is for the atheist seeking information to use in their everyday conversations with Christians. It's for the casual reader who is merely curious about what is in the book that Christians follow. This book is for you.

The Bible Says So! Edwin D. Freed,Jane F.

Roberts,2014-12-05 Is it possible to apply teachings from the Bible to our world today, given the vast differences between biblical times and ours? Biblical passages are often taken out of context

and interpreted to support a particular viewpoint or justify a particular action. 'The Bible Says So!' examines the origins of well-known biblical stories - from Adam and Eve, the Flood, and the Tower of Babel, to the birth of Jesus, his resurrection and the writings of St Paul. The book argues that the meaning of these stories becomes apparent when we read between the lines, using the techniques of biblical scholars. 'The Bible Says So!' explores the original intentions of the biblical writers in their particular context and examines key biblical values. The book does justice to the origins of the biblical text, whilst also affirming the relevance of the Bible today.

What the Bible Says about How to Know God's Will Wayne

Grudem,2020-04-16 At some point, every Christian wonders, What is God's will for me in this situation? There are many situations for which Scripture doesn't provide a black-and-white answer. In this book, adapted from his larger work Christian Ethics, Wayne Grudem helps readers stop overcomplicating God's will and instead embrace the different ways they acquire wisdom for daily life. He lays out guidelines for making decisions both big and small. After looking at the 4 dimensions of every action (the action itself, attitudes, motives, and results), Grudem works through 9 sources of information and guidance, both objective (information from the Bible, information from studying the situation, information about ourselves, advice from others, changed circumstances) and subjective (the conscience, the heart, the human spirit, and the Holy Spirit). Readers will gain insight into how to make the right decisions about situations that arise in their lives.

If God Is For Us Trillia J. Newbell,2019-01-01 If the Bible were a mountain range, it is said, Romans 8 would be its highest peak. I can say after reading this study that Trillia Newbell is a sure-footed mountain guide that will help you climb this great passage and get some of its best breathtaking views of God and our salvation in Christ. I highly recommend this volume! -Tim Keller, cofounder,

Redeemer City to City What would change if you really understood all that God has done and is doing for you? Teach Us to Pray D. A. Carson, 2002-09-16 In almost 500 years of evangelical praying, there has never been a book like this. *Teach Us to Pray* is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity (Puritanism) and a different Christian contemporary tradition (Roman Catholicism). In addition, expert commentators offer *Lessons in Prayer from the Worldwide Church*, featuring Korea, China, Latin America and Africa. Finally a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking.

Balanced Doctrine A.P.C. Cumming, 2008-03 Dr. A.P.C. Cumming uses a scientific and systematic investigation to carefully unveil religious truth in spite of the current factious dogma,

equipping young Christians and encouraging churchgoers to seek Balanced Doctrine. After a necessary foundational section the book examines certain important Biblical subjects often misunderstood and causing problems among different denominations. The book should also serve as a reference work on these subjects and contains over 500 biblical quotations.

What the Bible Says About... Scott Dalton Myers, 2024-02-12

The Bible--God's inspired, unerring, and infallible Word--is truly His instruction manual for life and a moral compass for us all to live by. It tells us what is good, what is bad, what is right, and what is wrong. Unfortunately, many people believe that the Bible is no longer relevant today and was only applicable in biblical times. The Bible itself tells us quite the opposite. The issues and problems we face today are essentially the same as those faced by man in biblical times. Human nature has not changed, and God has not changed! Only the times have changed. The Bible has plenty to say about the issues people encounter every day, from the beginning of life to the end of life. I have addressed many of these in this book: The Evidence of God's Existence; Who Was and Is Jesus; Being Saved; Forgiveness; Trials and Tribulations; What Happens When You Die; Families and Fathers; Humility; Worrying;

Depression; The Environment and Nature; Racism; Abortion; Homosexuality; Adultery; Transgenderism; Alcohol, Drugs, and Addiction; The Death Penalty; The Right to Bear Arms; Government; Leadership; Man's Laws and God's Laws; Suicide; Money and the Rich; Natural Disasters; Satan; Demons and the Supernatural; Creation, the Biblical Timeline, and the Age of the Universe; and others. People today are pretty much the same as people were in biblical times. Basic human nature and the human condition (being born into sin) have not changed. We face the same challenges, the same temptations, and the same trials and tribulations as the early Christians did. The Bible contains advice and guidance on every possible issue or situation we face, if we only look to it for that guidance and direction and pray to God for wisdom and discernment. In hope of eternal life, which God, that cannot lie, promised before the world began. (Titus 1:2) That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us. (Hebrews 6:18) All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. (2 Timothy 3:16) The grass withereth, the flower fadeth: but the word of our

God shall stand for ever. (Isaiah 40:8) Jesus Christ the same yesterday, and today, and forever. (Hebrews 13:8-9) For I am the Lord, I change not. (Malachi 3:6) Finally, you/we should read the Bible like a love letter, not a textbook! John 3:16 tells us, For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. HIDDEN TRUTHS OF THE BIBLE LEIGHTON GORDON,2013-11 Do you desire to know the truth? There are a lot of misconceptions about the Bible. Lies are often passed down from generation to generation, manipulating the word of God. The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration. Some may be fine with not knowing the complete truth, or pretending to be a sold out Christian, and not honestly knowing what God's word says about

many issues faced on a daily basis. Individuals may be fine displaying that tag that reads, Jesus is my co-pilot on the front of their car. In all reality, Jesus is the pilot; he operates the vehicle that drives us through life. Most of us are driving underage and need some parental guidance. God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word, The Bible. Jesus gives us the freedom to run to him or away from him. Hidden Truths challenges you to consider the truth and what it entails. Leighton directly approaches the truth in a daring way that reveals Jesus' love for you and causes you to re-evaluate your relationship with Jesus. Leighton urges you to redevelop principles that you have been practicing the wrong way. The only right way to do things is by following God's holy word.
