Beryl - WINNER OF THE SUNDAY TIMES SPORTS BOOK OF THE YEAR 2023 Jeremy

Wilson, 2022-07-07 Winner of the Sunday Times Sports Book of the Year 2023 Winner of the William Hill Sports Book of the Year Award 2022 THE TIMES SPORTS BOOK OF THE YEAR 2022 A FINANCIAL TIMES BEST SPORTS BOOK OF 2022 A WATERSTONES BEST SPORTS BOOK OF 2022 'A marvellous book' Maxine Peake Cyclist Beryl Burton dominated her sport much as her male contemporary Eddy Merckx, with a longevity that surpasses sporting legends like Muhammad Ali and Serena Williams. Practically invincible in time trials, Burton - also known as BB - finished as Best All-Rounder for 25 years and broke the record for the '12-hour' endurance race; an achievement unrivalled to this day. She won multiple world titles, but her achievements were limited by discrimination from the cycling authorities. Yet she carried on winning, beating men and - infamously - competing against her own daughter, whilst working full-time on a Yorkshire farm and running a household. With previously unseen material and through extensive interviews with family, friends, rivals and fellow sporting giants, Jeremy Wilson peels back the layers to reveal one of the most overlooked, yet compelling characters in cycling history.

Goggles & Dust The Horton Collection, 2014-11-15 Drawn from the one of the world's finest collections of cycling artifacts, Goggles & Dust collects over 100 stunning photographs from competitive cycling's heyday. Spanning the 1920s and '30s, Goggles & Dust: Images from Cycling's Glory Days celebrates the grit and determination of the bicycle racing pioneers who established the records, traditions, and distinct flavors of Europe's most hallowed races. The spirit of these hardy competitors was perhaps matched only by the resolve of the remarkable photographers who prevailed in all imaginable conditions, situations, altitudes and latitudes to capture unforgettable prints of the racers at work and play. From Alpine panoramas to hair-raising crashes and idyllic

roadside celebrations, the gorgeous restored photographs in Goggles & Dust--most unseen since their original publication in the newspapers and magazines of the day--provide an indelible and delightful record of a more carefree and adventurous time.

The Bicycle Mirrorpix,2017-06-07 German Baron Karl von Drais first introduced the two-wheeled tandem human-powered wooden-framed vehicle to the world, in the summer of 1817, its rider gamely

steering with the front wheel while pushing along with his feet. After that history is rather vague about the bicycle. We know that the mechanically powered velocipede took off in the 1860s, soon followed by the Penny Farthing, but it wasn't until the late nineteenth century that the golden age of bicycles took off as people realised the freedoms afforded by self-powered travel, and touring and racing became popular pastimes. Today of course cycling is a global phenomenon both in professional sporting and non-professional spheres. This book of stunning photographs charts the evolution of the bicycle across 200 years of history.

Nala's World Dean Nicholson,2020-09-29 Discover the nationally bestselling, true story of a life-changing friendship between a man and his rescue cat, Nala, as they adventure together on a bike journey around the world -- from the Instagram phenomenon @1bike1world. When 30-year-old Dean Nicholson set off from Scotland to cycle around the world, his aim was to learn as much as he could about our troubled planet. But he hadn't bargained on the lessons he'd learn from his unlikely

companion. Three months after leaving home, on a remote road in the mountains between Montenegro and Bosnia, he came across an abandoned kitten. Something about the piercing eyes and plaintive meowing of the bedraggled little cat proved irresistible. He couldn't leave her to her fate, so he put her on his bike and then, with the help of local vets, nursed her back to health. Soon on his travels with the cat he named Nala, they forged an unbreakable bond -- both curious, independent, resilient and adventurous. The video of how they met has had 20 million views and their Instagram has grown to almost 750k followers -- and still counting! Experiencing the kindness of strangers, visiting refugee camps, rescuing animals through Europe and Asia, Dean and Nala have already learned that the unexpected can be pretty amazing. Together with Garry Jenkins, writer with James Bowen of the bestselling *A Street Cat Named Bob*, Dean shares the extraordinary tale of his and Nala's inspiring and heart-warming adventure together.
