Bird Photographer of the Year: Collection 6 (Bird Photographer of the Year) Bird Photographer of the Year,2021-09-16 This beautiful book celebrates the artistry of bird photography and showcases the best of the best. It accompanies an annual competition, Bird Photographer of the Year, which brings together the most outstanding examples of recent bird imagery. The Bird Photographer of the Year competition celebrates the artistry of bird photography, and this large-format book is lavishly illustrated to reflect this. A celebration of avian beauty and diversity, it is a tribute to both the dedication and passion of the photographers as well as a reflection of the quality of today's modern digital imaging systems. The book includes the winning and short-listed images from the sixth year of this annual competition, showcasing some of the finest bird photography and with a foreword by long-term birdwatcher, Bill Bailey. A proportion of the profits from the book goes directly to Birds on the Brink to support their conservation work. The advent of digital technology has revolutionised photography in recent years, and the book brings to life some of the most stunning bird photography currently on offer. It features a vast variety of photographs by hardened pros, keen amateurs and hobbyists alike, reflecting the huge diversity of bird enthusiasts and nature lovers which is so important in ensuring their conservation and survival.

Backyard Bird Photography ,2014-08-05 Fans of bird watching will rejoice with Backyard Bird Photography, a guide for learning how to set up your backyard in order to take the best photographs of your local birds. In addition to guiding you through the first steps of setting up your plantings and bird feeders, this book describes the types of photographic equipment you will need to get just the right image; how to maneuver yourself into just the right position to create a quality bird photograph; how to compose your shots for the greatest visual effect; and how to use more advanced techniques such as macro lenses and external flash techniques. Author and bird photographer Mathew Tekulsky breaks down the challenges of photographing these beautiful creatures and explains how utilizing your own natural surroundings can create stunning shots that rival those shot in the wild. Tekulsky explains that when your garden is set up as a tiny oasis for these feathered friends—with the right foliage, water sources, and feeders—then your backyard will be frequented by a variety of species on any given day. With tips for gaining the bird's trust and composition, every photograph will come out a stunner.

The Complete Guide to Bird Photography Jeffrey Rich,2018-09-15 In this beautifully illustrated book, author Jeffrey Rich provides indispensable tips for taking polished, professional-quality photographs of birds. Catering to a wide audience, from beginners to professional photographers who are new to bird photography, he covers equipment selection and camera settings to maximize your in-camera captures and provides ideas for finessing the images in postproduction and getting the images seen. Readers will also learn when and where to find subjects that are flying, perching, nesting, eating, and mating—as well as how to attract them. Birding enthusiasts will enjoy informative text about a wide variety of birds, from swallows, to hummingbirds, to cranes, flamingos, owls, and more, and will also learn how to be a better steward of nature by behaving ethically while capturing heart-fluttering images. Illustrated with over 180 full-color images, this book is both a bonafide educational tool and a feast for the eyes.
