Auryn Hadley

Flawed Kitty Cox, 2016-06-07 They broke her. Ruined. Completely destroyed. Destiny was supposed to be perfect. As a teen, she'd given up boys for a love of pixelated wonders and fantastical ideas. She wasn't just a gamer, she was going to be a game maker. All she wanted was to give the world a little piece of her dream. Then they found her. Now, she can't do it. Can't do anything, really. Being close to another person is torture. The thought of being touched steals the breath from her lungs. Working on games? If they ever found out, they'd kill her - or so they said. She's not ok. Her memories live too close, flashbacks come too easily, and surviving each day is getting harder and harder. Nothing can take back what happened to her. He doesn't care. Chance thought he'd hit the jackpot. Finding the famous Destiny Pierce working at a hardware store? She was desperate enough to take his job offer, but the woman who'd inspired him to create this fledgling game company is not the same one standing before him now. This one is shattered. It shouldn't matter. He's not the man to fix her. Hell, he's got enough of his own problems. All he needs is for her to get his game up and running, and she's willing to help. But those sad eyes make him want to put a smile on her kissable lips, because that's as close as he can get. She can't touch people. He can't stop. For people like them, perfection is out of reach. The goal is just to keep going. For now, it's making a game, but Chance isn't ready to let her quit. If he can teach her how to live again, maybe she can get past those memories and find something worth caring about. Hopefully, that something will be him. He may not be perfect, but he's flawed in just the right way. TRIGGER WARNING: Contains off-screen rape and assault, domestic violence, addiction, suicidal tendencies, phobias, bullying, cyber

harassment, violence, and more. The Gamer Girls series is based on what could have happened during GamerGate. Each novel features strong women, the men who love them, and the games that let them escape reality. Contains graphic language and situations that are suitable for a mature audience. This book is a standalone novel which moves forward a larger story.

Psychic Witch Mat Auryn, 2020-02-08 Uncover the Secrets to Becoming a Powerful Psychic Witch Popular writer and witch Mat Auryn reveals his most closely guarded tips, practices, and meditations for unlocking your psychic abilities and elevating your witchcraft into exciting new territory. Featuring over ninety exercises, this groundbreaking book helps your magick and your senses reach their full potential. Witchcraft and psychism are two sides of the same coin—they complement and strengthen one another. Psychic Witch provides everything you need to not only master the perception and manipulation of energy, but also to perform magick anywhere and at any time. This ingenious book teaches you how to use subtle energy in new ways and manifest your perceptions into instant magickal results.

Wolf's Pack Auryn Hadley, 2020-10-23 Corner a wolf and she will always fight back. I finally did it. I took that last step and it was everything I wanted. My relationship with my five mates has never been better. They've embraced not only me as a part of their lives, but also my daughter, and this feels like the family I always dreamed of. I don't mean just myself and my mates, but the entire pack. They call me Alpha. No, I'm not the Alpha, but I'm learning how to step up. I got this. I'd better, since Wolf's Run has thrown open our doors to more than just wolves, but it seems like my version of winging it is working for all of us. But not all shifters have packs. That doesn't mean they don't want them. These new neighbors might not be wolves,

but everyone wants a community they can count on. The trick will be making sure ours doesn't fall apart in the chaos. Or get taken from us. Between the antics of these teenagers, the insanity of so many changes happening at once, and the enemies my mates and I have already made, things are out of control. I feel like I'm chasing my tail. Thankfully, I've learned a few new tricks. Once, I was just the nice lady next door. Now, this is my pack, and I've become a real bitch. Note: Wolves Next Door series contains profanity, consensual sex, and one adult woman who falls for multiple younger men. This is the last book in a trilogy.

Crash Course in Storytime Fundamentals Penny Peck, 2015-01-26 This manual is a one-stop shop on how to present storytimes to suit different audiences including bilingual learners, special needs children, and those in a variety of settings such as Head Start, preschools, and day care situations. This beginner's guide to storytelling traces the developmental stages of very young children, illustrating how to present storytime for babies, toddlers, and preschoolers as well as in family settings to be most effective. Author Penny Peck will teach you the fundamentals of reading with the intent of capturing children's imaginations, showing you how to incorporate music, play, and hands-on activities into your routine. She offers expert advice on how to choose the best picture books and provides lists of books for addressing particular literacy needs. A perfect primer for those new to the task, this guide illustrates how to make this activity a favorite of children and provides tips for progressing in the role of storyteller, with ideas for engaging your audience and enhancing enjoyment. Beginning with the basics of performing a library storytime, each subsequent chapter builds on that knowledge, offering ways to infuse technology, special needs adaptations, and

music into the story. The revised edition addresses such current topics as iPads, apps usage, online options, and dance programs.

Keeping Her Keys Cyndi Brannen, 2019-04-26 Over the past few years Hekate has gained increasing popularity around the world. While there are books written about the historical Hekate, there is a lack of information applying this knowledge for personal development and practicing witchcraft. Keeping Her Keys blends the 'keys' of personal development, magick and the ancient goddess, Hekate, together. Topics include the power of prayer, how to create sacred space, and guidance on spell crafting. In the final chapter readers can perform an optional self-initiation to become a Keeper of Her Keys.

City of a Thousand Dolls Miriam Forster, 2013-02-05 The girl with no past, and no future, may be the only one who can save their lives. Nisha was abandoned at the gates of the City of a Thousand Dolls when she was just a little girl. Now sixteen, she lives on the grounds of the isolated estate, where orphan girls apprentice as musicians, healers, courtesans, and, if the rumors are true, assassins. She makes her way as Matron's errand girl, her closest companions the mysterious cats that trail her shadow. Only when she begins a forbidden flirtation with the city's handsome young courier does she let herself imagine a life outside the walls. Until one by one, girls around her start to die. Before she becomes the next victim, Nisha decides to uncover the secrets that surround the girls' deaths. But by getting involved,

Nisha jeopardizes not only her own future in the City of a Thousand Dolls—but also her life.

Of Blood and Bones Kate Freuler, Mat Auryn, 2020-07-08 Learn to Work with the Magick of the Dark Moon Shadow magick occupies a critical but often misunderstood role in the rich history of witchcraft. This book explores topics such as the ethical use of animal parts and bones, blood magick, dark moon energy, and other rarely discussed aspects of witchcraft. With a focus on ethically sourcing materials and suggestions for plant-based substitutions, author Kate Freuler provides much-needed information and hands-on techniques to help you strengthen your witchcraft practice, connect to nature, protect yourself (and your kith and kin), and know yourself in a deep way. Within these pages, you will also discover methods for hexing, scrying, sex magick, and working with dark deities in addition to the magickal use of graveyard dirt and performing spells to assist the crossing of a dying loved one. The shadow work explored in *Of Blood and Bones* reminds us that not everything is love and light, and that facing the dark side supports the quest to achieve spiritual wholeness.

The Little Book of Curses and Maledictions for Everyday Use Dawn Rae Downton, 2009 Gas prices. Traffic. Your boss. Your former boss. Your coworkers. Your crush. Doctors. Customer service. Who can you call to get that monkey off your back? You can't call anyone because they won't return your calls. Isn't it time to have a little ammo of your own? Find it here: fifty custom maledictions for situations you run into every day, and for people you know and wish you didn't. *The Little Book of Curses and Maledictions* puts the power back in your hands with its user-friendly, step-by-step instructions. Learn how to place spells, incantations, hexes, and

more. Authentic, ancient curses from around the world are tweaked for easy, contemporary use. The book covers the four essentials for practicing any kind of magic: what to do and say, what materials to use, what frame of mind to be in, and what limits to set. In some cases it even matters where you are when you set your curse, what time of day it is, and who's around. Create the life you deserve using the power of the ages.

Lucy Ladybird Sharon King-Chai, 2017 Lucy Ladybird has no spots. She longs to be like the other ladybirds who are spotty and beautiful. Follow her as she goes on a journey through the seasons, being given different coloured spots by her beautiful friends. Eventually, when she has four spots, she learns that being different is no bad thing... and she discovers that all the other ladybirds want multi coloured spots too.

Challenge Accepted Auryn Hadley, 2016-03-04 She hates to conform. With her neon dreads, a few tattoos, and a chip on her shoulder the size of Texas, Riley Andrews insists she's not trying to get anyone's approval but her own. The school of hard knocks taught her that when the going gets rough, cuss a little louder and grab a bigger shovel for any manure that gets in the way. Unfortunately, no one bothered to tell her that it doesn't really work, so she escapes from the reality of her failing horse ranch by losing herself online. It's the one place she doesn't have to think about all the mistakes she's made. When she's gaming, she can prove to the world that she's good at something. That's how she got an invitation to the local Professional League of Gamers tournament. If she can figure out how to beat Void, the prize money is hers, and that's enough to pay for her mistakes. But in person, he's nothing like she expected. Smart, sexy, and so very sweet, the one man who can kick her out of the running is exactly the kind of guy she has a weakness

for. She just needs to keep her hormones under control long enough to impress the sponsors and get her check. Her goal is to save the farm, not fall into his bed. Oddly, he seems to respect that. He seems to respect her in general, and that's not something she's used to. Guys, games, and horses just don't mix. At least they never have before. But someone has her in their sights - and not just online. First, her computer is vandalized. Then she's cornered in a stairwell. It could all be a coincidence - until the boyish pranks at a gamer convention become a death threat on her door. Whoever is after Riley thinks the anonymity of the internet is going to keep them safe, but these idiots have no idea that it works both ways. She may be a failure as a cowgirl, but Riley's learned how to survive on the internet. She just has to figure out which side Void is on - because he certainly seems way too good to be true. TRIGGER WARNING: subject matter includes harassment, cyberstalking, and bullying. The Gamer Girls series is based on what could have happened during GamerGate. Each novel features strong women, the men who love them, and the games that let them escape reality. This story contains graphic language and situations that are suitable for a mature audience. This book is a standalone novel but fits within a bigger story.

Wolf's Bane Auryn Hadley, 2020-08-04 The things that go bump in the night are supposed to be headboards, not monsters. Leaving my husband was hard. Trying to face the world alone with my teenage daughter is the sort of thing nightmares are made of, but I caught a break. My best friend just hired me for a great job. It's not anything special, simply managing the leasing office of this very fancy and highly exclusive neighborhood, yet the perks mean I get my second chance. Speaking of perks, my rent-free house is right beside not just one handsome man, but five! Each one is hotter than the last,

and all of them seem interested in me. Maybe I can't remember the last date I was on, but if I want to master being a strong woman, then this is a good place to start. It's just dating, right? Normal life stuff. Not so much. Everyone around us has these strange golden eyes. Then there are the questions no one will answer. And who cares if there's a lot of wildlife running around at night? I do, especially when a wolf keeps sneaking into my backyard. I have a kid to worry about. Things have got to change before someone gets bitten! Normal is going out the window, and fast. My neighbors say I don't belong here, and they don't mean because I'm Hispanic. Never mind that I just heard a man growl. Now they're talking about fated somethings, and I'm pretty sure they mean me. I feel like I'm going crazy! Because when I said I wanted to learn how to be strong, this wasn't what I meant at all. Still, when it comes to taking care of my little girl, I will definitely learn how to be the biggest bitch on the block. I just hope that doesn't become literal. Wolf's Bane is a 135,000 word, full-length novel with multiple love interests. Note: Wolves Next Door series contains profanity, consensual sex, and one adult woman who falls for multiple younger men. This is the first book in a trilogy.

Black Beauty Auryn Apps: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its

raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do

anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
