📖 **Blackout** Marc Elsberg,2017-06-06 Fast, tense, thrilling — and timely: this will happen one day. Highly recommended. —Lee Child, #1 New York Times bestselling author of the Jack Reacher series This is no accident. This is no act of God. This is a Blackout. When the lights go out one night, no one panics. Not yet. The lights always come back on soon, don't they? Surely it's a glitch, a storm, a malfunction. But something seems strange about this night. Across Europe, controllers watch in disbelief as electrical grids collapse. There is no power, anywhere. A former hacker and activist, Piero investigates a possible cause of the disaster. The authorities don't believe him, and he soon becomes a prime suspect himself. With the United States now also at risk, Piero goes on the run with Lauren Shannon, a young American CNN reporter based in Paris, desperate to uncover who is behind the attacks. After all, the power doesn't just keep the lights on—it keeps us alive.

📖 **The Player Blackout: A Superhero LitRPG Adventure** Lucas Flint,2019-02-26 In 2043, Capes Online is the biggest, most popular VRMMORPG in the world. With over one billion active players and counting, gamers can become brave heroes or cunning villains, their every choice determining their alignment. Everyone wants to play this game and almost everyone does.Except for 25-year-old police officer Nyle Maxwell, who can't log out. Killed in a car accident on his first day on the job, Nyle gets his mind uploaded to Capes Online to save his life. But the one way mind-to-game upload process means Nyle can never return to his physical body in the real world. Nor is he allowed to contact his friends and family outside the game or else he risks deletion by the secretive government organization that put him in the game in the first place.Things get even worse when a villain known as Dark Kosmos takes over Capes Online not long after Nyle's arrival. Trapping all of the players in the game and cutting off all contact with the real world, Dark Kosmos targets Nyle for death.Now Nyle must become a true superhero and save his fellow players from Dark Kosmos while adjusting to his new digital life. All of which would be much easier if he didn't have a hyperactive sidekick overly fond of puns or if he even wanted to be here in the first place.

📖 **Blackout** Andy Zambrano,2019-04-05 A group of people with a common goal can work together to overcome any obstacle that they may face. At least until their pasts and differences turn them against each other. Based on a story that may or may not be true, Andy Zambrano's second novella tells the story of the cast and crew of a stage production in the Morgan Fowler Theatre who face a masked murderer who has trapped them inside the building with no communication with the outside world with intentions of picking them off one by one, at first with no apparent motive. But between the running and screaming, a symbol appears around the scene that may lead them to unmasking and stopping the killer and finding out why it's all happening... if they can survive the massacre.

📖 **Blackout** Sam Mills,2010 am on the run. The police are chasing me because they think I m a terrorist. The trouble all began when my dad hid the writer of a book called The Exploded in our house. It inspired a terrorist attack on London. That s why it s a banned book. We live in dangerous times. The state says books have to be sweetness and light, so they don t inspire teenagers to commit violent crime. Get caught reading a banned book and you go to jail.I thought they were wrong. How much harm can a book do? Then I read one. Now I m about to commit murder. Now I know better.

📖 **Classic Lit Blackout Games** Adams Media,2011-12-18 Think outside the puzzle with this book! Combining the simplicity of word search with the creativity of magnetic poetry, this clever book dares you to black out words and phrases and transform classic pieces of literature into outrageous, poetic, or truly bizarre messages. Use the words in the following passage to form a profound statement worthy of a fortune cookie. I says, 'Here's the boy again, a looking at me whiles I eats and drinks!' I see you there a many times, as plain as ever I see you on them misty marshes. 'Lord strike me dead!' I says each time,--and I goes out in the air to say it under the open heavens,--'but wot, if I gets liberty and money, I'll make that boy a gentleman!' And I done it. Why, look at you, dear boy! Look at these here lodgings o'yourn, fit for a lord! A lord? Ah! You shall show money with lords for wagers, and beat 'em!' In his heat and triumph, and in his knowledge that I had been nearly fainting, he did not remark on my reception of all this. It was the one grain of relief I had. --From Charles Dickens's Great Expectations Finally, here's your chance to pen your own time-honored tales. So go ahead, grab a quill (or just pretend) and start scribbling outside the lines!

📖 **The Blackout** K. J. Kalis,2020-05-12

📖 **Blackout** Stephen Edger,2017-05 What if you woke with no memory of the last five years: would you believe what they were saying about you? When a grizzled detective bursts into his room and cuffs him to the bed, Tom Hunter learns that he's wanted for murder. But he has no memory of how he got there or who he is supposed to have killed. Tom's business is gone, his wife has divorced him and has sole custody of a daughter he has no memory of. He can't be the killer they're describing. Can he? Learning that he is a senior figure in organised crime, Tom doesn't like the new version of himself. It's like a nightmare he can't wake from. And to make matters worse a Turkish gangster wants the diamond back that Tom stole; only Tom doesn't know where he hid the jewel. With the police closing in, and danger at every turn, Tom must piece together the truth of what led to his waking in hospital. He needs to understand what he has forgotten, but more importantly why he has forgotten it; his and the lives of those he loves depends on it. Told at a breakneck pace, Blackout will keep you guessing until the grisly end. What people are saying about Blackout: 'A book that's full of twists and turns that take you on a rollercoaster of a ride, never pausing for breath until the very last page.' Cal Turner, 5 stars 'OMG. This was a fantastic read with brilliant characters. I loved the story. I really felt for Tom. Was rooting for him all the way through.' Susan Wallace, 5 stars
