**Blow Your House Down** Gina Frangello,2022-04-12 A Good Morning America Recommended Book • A BuzzFeed Most Anticipated Book of the Year • A Lit Hub Most Anticipated Book of the Year • A Rumpus Most Anticipated Book of the Year • A Bustle Most Anticipated Book of the Month A pathbreaking feminist manifesto, impossible to put down or dismiss. Gina Frangello tells the morally complex story of her adulterous relationship with a lover and her shortcomings as a mother, and in doing so, highlights the forces that shaped, silenced, and shamed her: everyday misogyny, puritanical expectations regarding female sexuality and maternal sacrifice, and male oppression. —Adrienne Brodeur, author of Wild Game Gina Frangello spent her early adulthood trying to outrun a youth marked by poverty and violence. Now a long-married wife and devoted mother, the better life she carefully built is emotionally upended by the death of her closest friend. Soon, awakened to fault lines in her troubled marriage, Frangello is caught up in a recklessly passionate affair, leading a double life while continuing to project the image of the perfect family. When her secrets are finally uncovered, both her home and her identity will implode, testing the limits of desire, responsibility, love, and forgiveness. Blow Your House Down is a powerful testimony about the ways our culture seeks to cage women in traditional narratives of self-sacrifice and erasure. Frangello uses her personal story to examine the place of women in contemporary society: the violence they experience, the rage they suppress, the ways their bodies often reveal what they cannot say aloud, and finally, what it means to transgress being good in order to reclaim your own life.

**The Devil You Know** Charles M. Blow,2021-01-26 INSTANT NEW YORK TIMES BESTSELLER A New York Times Editor's Choice | A Kirkus Best Nonfiction Book of the Year The Inspiration for the HBO Original Documentary South to Black Power From journalist and New York Times bestselling author Charles Blow comes a powerful manifesto and call to action, a must-read in the effort to dismantle deep-seated poisons of systemic racism and white supremacy (San Francisco Chronicle). Race, as we have come to understand it, is a fiction; but, racism, as we have come to live it, is a fact. The point here is not to impose a new racial hierarchy, but to remove an existing one. After centuries of waiting for white majorities to overturn white supremacy, it seems to me that it has fallen to Black people to do it themselves. Acclaimed

columnist and author Charles Blow never wanted to write a “race book.” But as violence against Black people—both physical and psychological—seemed only to increase in recent years, culminating in the historic pandemic and protests of the summer of 2020, he felt compelled to write a new story for Black Americans. He envisioned a succinct, counterintuitive, and impassioned corrective to the myths that have for too long governed our thinking about race and geography in America. Drawing on both political observations and personal experience as a Black son of the South, Charles set out to offer a call to action by which Black people can finally achieve equality, on their own terms. So what will it take to make lasting change when small steps have so frequently failed? It’s going to take an unprecedented shift in power. The Devil You Know is a groundbreaking manifesto, proposing nothing short of the most audacious power play by Black people in the history of this country. This book is a grand exhortation to generations of a people, offering a road map to true and lasting freedom.

Alternative Energy II - Marc Gregory,2021-08 Brandon Baker life had sure taken a turn. Some days he would have to pinch himself just to believe it was all real. But, when he wakes up in a direction where turning around isn't an option, he'll need to trade his little pinch in for something heftier. As he looks over the barren desert of endless ocean, he is left to face the truth of his own mortality, countless times. But, if he thinks the journey will be the hardest challenge he will face in life, wait till he faces what is waiting on the other side. Welcome to the long-awaited sequel. After the success of Alternative Energy, I was pressed to write the sequel immediately. But, at that time, I really wasn't happy with any of the cliches rolling through my head. What I love about AE is the way that it takes the reader through multiple sceneries of emotion, and I promise, this will not disappoint. Where you end is very different from where you start. Don't be fooled by the name. Blow Me, is a true love story for the ages. bio / dedication: Marc Gregory was born in Saskatchewan and raised in Alberta, where he has enjoyed a successful career, for many years, in the energy industry. He has lived and worked all over Western Canada, and has enjoyed time learning and laughing with many new friends through international travel. No stranger to adversity, he has spent the last 10 years building a career, facing divorce and spending time as a single father. Through all the chaos, he found salvation in a passion, and released 4 well reviewed novels. All of his work has been produced by his strict belief, that if art fails to stir emotion in its audience, what's the point... I dedicate this novel to all the fans of Alternative Energy. And to anyone who just loves a good story.

**Blow Me Away** Christina Hovland,2021-03-03 It's all fun and games until somebody falls in love... Jase Dvornakov has always loved women, 80's hair band music, and things that go boom. He used to disarm bombs in the Navy, but he's back in Denver after a mission overseas went sideways and destroyed his future, including his marriage. Now he arranges flowers in his family's floral business because flowers don't explode. Cookie-baker extraordinaire, Heather Reese, has had one too many rounds of heartache, so she's sworn off men and prefers to spend her evenings binge-watching game shows. Plus her no-men rule gives her time to focus on her dream come true--Heather's Cookie Co.--her very own bake shop with an underground following for naughty shaped treats. She refuses to be interested in the hot-shot florist across the street. He is trouble with a capital T. Sexy trouble, but still, a hook-up with Jase is a hard nope. Desperate to avoid his family's incessant matchmaking, a fake breakup with the beautiful Heather is just what the florist ordered. If his family believes Heather decimated his heart, they'll leave him alone. Heather isn't so keen on the idea, but Jase is determined to make it worth her while. When a pretend breakup becomes the real romance neither was expecting, together they'll have to decide if it's finally time to light the fuse on love...

Blow Me Over with a Feather ,2018 Set in Post-World War II England, this is a poignant and sometimes humorous study of a mother, daughter and grandmother relationship as they struggle with their individual circumstances and destinies. Lizzie, a child, the protagonist, tells her story with immediacy and stark candor amid her oft-times chaotic life. She is the second illegitimate child born to Beth and fathered by an American Serviceman, who is mercilessly hunted down by Lizzie's grandmother, Mary. From the blitz bombing memories of the war, to the letter President Eisenhower personally signs, these females provide drama, excitement and tragedy that is impossible to ignore. Lizzie's mother Beth is given a valuable opportunity to progress financially and personally; but will her previous heartbreak and current bitterness render her incapable of appreciating her new chance in life? Her miscalculated revenge only leads to temporary blessings and long term curses for the whole family. Lizzie's largely female-influenced upbringing, offers a confusion of cognitive bias about men and she learns she has two invisible Fathers; one in unseen Heaven and the other in unknown America. Their powerful magnetic forces surround her. Her relationship with her brother, Steven, often colored by his own confused world of coping, is antagonist, competitive or dismissive. Finally, the dichotomy of Lizzie's innocent and open acceptance of foreigners and her mother's distaste of other cultures, results in an ironic twist in Lizzie's fate. This brings shocking consequences which deeply affect Lizzie's security and safety.

While he is irritated by his father's interruption in his life yet again, he decides he needs to fly home to meet with his brother and two step-siblings...and to see his dad. He did not hate his father, but many of the choices Antonio had made when he was younger, had caused Jake some respect issues. As their father gathers all his children together to make preparations to deal with his estate, the siblings discover that there are 10 of his many properties that don't make sense. Who do they belong to? Why he has been sending money to these addresses for some 30 plus years? As they begin to uncover the

truth, what they discover is more than any of them ever bargained for. They learn a lot about their father and about how he had become who he was today. Jake, in a twisted way, learns about love and life from the one person he least expected. The cantankerous, eccentric old man, is the very sticky glue that holds together his large extended family, imparting love and aggravation in equal measures. In an effort to live out his last days in his own way and bring closure to the very haphazard journey of his own life, he takes advantage of the situation to lead his sons on an unexpected journey to make some discoveries about life. Unexpectedly, he also learns some good lessons about life and love, as his own life takes some unpredictable turns.

**Blow Me A Kiss, Baby** Luna King, “I just love it when you look at me thinking that I don’t notice.” Rai’s was the country’s hottest rock band, and Bee was one of their thousands of fangirls... until they kicked her most favorite member out of the band. Nagluksa si Bee nang tanggalin ang paborito niyang si Ryford sa banda nang walang paliwanag. But a mere six months later, everyone had moved on from Ryford’s sudden disappearance and welcomed Radcliffe–Rai’s new front man–with open arms. Except for Bee. Hinding-hindi niya matatanggap ang Radcliffe na iyon bilang kapalit ni Ryford. At lalo lang nadagdagan ang galit niya kay Radcliffe nang sa unang pagkakataon na panoorin niya itong mag-perform ay tinamaan pa siya ng binato nitong bottled water sa fans. Dahil sa nangyari, parati na lang sumusulpot ang lalaki kung nasaan siya at niyayaya siyang makipag-date para daw makabawi sa kanya. She was prepared to give Radcliffe a piece of her mind– hanggang sa sabihin nitong dadalhin siya sa pinakapaborito niyang fast-food chain. Paano siya makakatanggi kung nangako siya sa sarili na makikipag-date lang sa lalaking unang magyayaya sa kanya sa fast-food chain na `yon?
