**Cemeterians** Jack W. Plunkett, 2008 Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.

**Bud, Sweat, And Tees** Alan Shipnuck, 2008-06-30 The PGA Tour is the most interesting subculture in sports, though you wouldn't know it from most golf books. The Tour is home to rowdy, randy young men often drunk with money and fame; fueled by alcohol and adrenaline, they barnstorm from town to town like rock stars, with all the attendant excesses. And in each player's shadow is his faithful caddie -- performing a thankless six-figure job that comes with all the security of a handshake deal. The PGA Tour offers fabulous rewards, but its good life does not come without a price. In *Bud, Sweat, and Tees*, Alan Shipnuck takes a no-holds-barred look at modern professional golf. Rich Beem, the hero of our story, joined the Tour as the most clueless of rookies, a logo-free rube only a couple of years removed from the straight world, where he made seven dollars an hour hawking cell phones. Beem took his winnings from big-money matches all across the state of Texas and scraped together enough to go out on Tour, but as he would quickly find out, getting to the big leagues is only half the battle. The fun-loving Beem, more likely to pound beers than range balls, first struggled to fit in among the country-club brats who populate the pro golf scene, and then had to fight to survive the cutthroat competition and crushing self-doubt. Staying true to his girl back home would prove equally challenging. Meanwhile, Steve Duplantis, the one-time golden boy of the Tour's caddie ranks, was enduring his own tribulations. At the tender age of twenty-one Duplantis began packing for Jim Furyk, and together they reached the pinnacle of the golf world, from Ryder Cup dustups to near misses at the Masters. But like Beem, Duplantis has a taste for the wild life, which helps explain how he wound up as a single dad, trying to balance the demands of fatherhood with the siren song of the road -- a juggling act that eventually cost him his lucrative job on Furyk's bag. Fate brought Duplantis and Beem together, and in their first tournament, the Kemper Open, they pulled off one of the most improbable triumphs in golf history. What happens next, at this unlikely intersection of lives and careers? How does a lifelong underdog like Beem handle overnight fame and fortune? Would Duplantis make good on this second chance and turn his career, and maybe his life, around? And would Beem and Duplantis's partnership survive the course of a turbulent season chock full of enough misadventures to land them in a Scottish jail? *Bud, Sweat, and Tees* is a sometimes bawdy, often hilarious, and always unpredictable account of a strange and magical year in the lives, on and off the course, of golfer and caddie. An exciting and often poignant story, it stands as the best insider's sports book since Jim Bouton's *Ball Four*, and marks Alan Shipnuck as a writer of extraordinary promise.

**Bud, Sweat & Tees** Alan Shipnuck, 2012-12-11 It's 1999 and although Rich Beem has just been nominated for Rookie of the Year following his first ever victory, he's still just another golfer on the PGA Tour desperately trying to break out from Tiger's shadow. Alan Shipnuck takes us inside Beem's world, exploring the complex relationship with his faithful caddie, Steve Duplantis, from being arrested together for drink-driving at Carnoustie, all the way to glorious and unexpected victory at the 2002 PGA Championship. In *BUD, SWEAT & TEES* Alan Shipnuck takes a no-holds-barred look at modern professional golf. Through the unlikely partnership of golfer Rick Beem and his caddie Steve Duplantis, Shipnuck shows all the highs and lows, temptations and pitfalls that await all players on the Tour. Reminiscent of Lawrence Sanders' bestselling *FOUR-IRON IN THE SOUL* (Penguin), *BUD, SWEAT & TEES* is an exciting and often poignant book that will leave readers with an unforgettable insight into a unique relationship.

Stealth Attack John Gilstrap, 2021-06-29 An electrifying new novel from the bestselling author of *Crimson Phoenix*, perfect for fans of Vince Flynn and Brad Thor! Black Ops veteran Jonathan Grave is back and pursuing two missing American teens kidnapped and hidden in Mexico's dark underworld...where he finds himself caught in the center of a vendetta he never expected. A BookBub Top Thriller of Summer El Paso, Texas, is a battleground. It's an open market for Mexican drug cartels to sell their wares. It's also a destination for teens looking for fun. Venice Alexander's fourteen-year-old son Roman was there on a school trip. Now, he and a fellow student have vanished without a trace. Assuming the kidnapping is retaliation for his past incursions against Mexico's crime syndicates, Jonathan Grave leads his covert operatives to rescue their teammate's son. But the trail Jonathan follows leads him down unexpected paths where he ends up in the crossfire of a deadly vendetta... "[Gilstrap's] greatest strength is the ability to blend breathtaking action with deep emotion regarding the characters." —Jeffery Deaver "Gilstrap pushes every thriller button." —San Francisco

*La fórmula del lujo* Susana Campuzano García,2016 ¿Qué es el verdadero lujo? ¿Qué es lo premium? ¿Es más o menos que el lujo? ¿Cómo se construye una marca o un producto en este segmento? ¿Por qué existen tantas categorías y tipologías de clientes? Dada la ingente cantidad de preguntas que surgen alrededor de un sector cada vez más cambiante y complejo, Susana Campuzano, como si de una alquimista se tratase, da respuesta a todas ellas gracias a la creación de una fórmula válida para las distintas categorías de lujo existentes, así como para el nuevo lujo que se avecina. La fórmula del lujo no es solo una receta para la creación de una marca, producto o servicio de lujo, sino que se presenta como un gran mapa de posicionamiento, una guía o un catálogo que muestra las distintas opciones que se pueden seguir. También se plantea como un modelo válido tanto para la identidad de la marca como para la estrategia o los contenidos de comunicación, dice su autora. Tras analizar en detalle cada uno de los ingredientes, establece una clasificación en doce categorías de lujo en las que es posible posicionarse tanto en el presente como en el futuro. Por si esto fuera poco, contiene un tesoro único: el testimonio en primera persona de marcas referentes en boca de quienes las dirigen. Son Paraffection de Chanel (Hubert Barrère y Nadine Dufat), Loewe (Enrique Loewe y Lisa Montague), Onesixone (José Luis González), Harry's Bar y Cipriani (Arrigo Cipriani), Abadía Retuerta LeDomaine (Enrique Valero), Nose (Nicolas Cloutier) y Gin Mare (Juan Carlos Maroto).
