**All In Student Edition** Mark Batterson,2014-03-11 Halfway is no way to live. Quit holding back. Quit holding out. It's time to go all in and all out for God. The good news is this: If you don't hold out on God, God won't hold out on you. If you give everything you have to follow Jesus, you'll receive amazing spiritual rewards. But this reality also comes with a deeper truth: Nothing belongs to you. Not even you. In All In: Student Edition, Mark and Parker Batterson explore what going all in can mean for your life, sharing unique illustrations and unforgettable stories, as well as compelling accounts of biblical characters. Throughout, they demonstrate the amazing things that can happen when you surrender to the Lordship of Jesus Christ. Mark Batterson writes: "When did we start believing that God wants to send us to safe places to do easy things? Jesus didn't die to keep us safe. He died to make us dangerous."

All In Mark Batterson,2013-09-24 Christians who want to take the next step in their faith walk need look no further. It's time to ante up and go all in with God. The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift, which is compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go all in, putting all that we have into God's hands. But why do so many Christians hesitate to do that? And when did we start believing that the Gospel is an insurance plan? We're afraid that if we go all in that we might miss out on what life has to offer. But Jesus did not die to keep us safe. He died to make us dangerous. So, let's step out of spiritual no man's land and kneel at the foot of the cross of Christ and surrender to his lordship. It's time to dethrone yourself and enthrone Christ as king, and Pastor Mark Batterson is here to show you how. Using his customary vivid, contemporary illustrations, as well as biblical characters like Shamgar, Elisha, Jonathan, and even Judas, you will be challenged to trade what Batterson calls inverted Christianity for true discipleship as you strip away your excuses and inhibitions and follow God completely. It's now or never. Are you ready to go all in and all out for God? Also available: All In student edition, video curriculum, and study guide.

**Revival Preaching** Ernest Eugene Klassen,2021-09-03 As part of his passion to bring glory to God, Ernie Klassen is

particularly interested in the revival of God's people and the awakening of the lost. He believes strongly that God-honoring, Christ-exalting, and Spirit-empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements, and his reflections and sermons provide valuable "fodder" for reflection. Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world.

**A Jonathan Edwards Reader** Jonathan Edwards, 2008-10-01  
DIV Jonathan Edwards (1703-1758) is early America's greatest theologian and philosopher, yet six decades have passed since an authoritative anthology of his writings has appeared to guide the reader through his voluminous works. This book is a new and comprehensive collection of selected compositions by Edwards. Providing excerpts not only from many of his most famous published writings but also from previously unpublished works, it will be essential reading for scholars, students, and all those interested in early American history and religion. The selections are divided into two major categories. The first deals with the public Edwards and traces the development of his thinking from his earliest days as a Yale student to the end of his life and ministry. These writings consist of treatises and sermons he published, including Faithful Narrative, Religious Affections, and Freedom of the Will, as well as the notes that remained in manuscript until after his death, most importantly the Miscellanies, Edwards's main series of theological entries. The second category provides details of the personal Edwards as revealed in autobiographical writings and in correspondence and
