Irris Makler

Kiss My Book Jamie Michaels, 2007-09-11 RUBY CRANE IS a rising star. At 15, she sold her first book, got a movie deal, scored the hottest guy in school, and became the most popular student at Frasier High. Now, as a soon-to-be junior and published author, she's ready to make waves in New York's literary world. But every star falls back to earth one day. Ruby's accused of plagiarism - on national television. And the worst part is that the proof of her literary lies is indisputable. Her friends won't return her phone calls. Her boyfriend's gone AWOL. The media vultures are flying low, and they want answers. So Ruby does what any self-respecting headline would do. She disappears. And that's when her story really begins.

Make Up Michelle Phan, 2014-10-21 Michelle Phan has believed in makeup since the first time she was allowed to try eyeliner. When she looked in the mirror and saw a transformed version of herself looking back, she fell in love with the sense of confidence that makeup could give her. Ever since she posted her first makeup tutorial on YouTube, she has dedicated herself to inspire millions by using makeup as a tool for transformation and self expression. Now, Michelle has compiled all of her best wisdom into *Make Up: Your Life Guide to Beauty, Style, and Success—Online and Off*. From creating a gorgeous smoky eye to understanding contouring to developing an online persona, Michelle has advice to help you transform every facet of your life. *Make Up* is packed with Michelle's trademark beauty and style tutorials, stories and pictures from her own life, and advice on the topics she is asked about most, including etiquette, career, entrepreneurship, and creativity. From the everyday (such as how to get glowing skin) to the big picture (such as

how to turn your passion into a profession), *Make Up* is a practical and empowering resource to help anyone put their best face forward.

Just Add Love Irris Makler, 2019-04-02 Moving stories. Delicious recipes. The power of food to bring family together. When a child cooks with their grandmother they learn much more than a recipe - they absorb culture and family history, and start to discover their place in the world. This book contains the testimonies of Holocaust survivors, their extraordinary stories - and also their recipes - captured while they cook traditional meals with their grandchildren. *Just Add Love* is a work of history and photography, a cookbook and a testament to the last generation of survivors in Australia, as they transmit history, culture, sustenance and love through the powerful ritual of food. This unique and moving combination of stories and recipes will touch your heart and inspire you to cook for the people you love, and to gather around the table together. Like grandma encouraged you to.

Dear Divine Daughter Amber Corkin, Aubri Robinson, 2021-09-14

My Book About Me By ME Myself Dr. Seuss, 1969-09-12 Tell your own story with a little help from Dr. Seuss in this DIY dream activity book that's all about YOU! A perfect gift to celebrate a new school year, birthdays, milestones and all the amazing things YOU accomplish! How tall are YOU? How many teeth do YOU have? Where do YOU live? What do YOU like to eat? Kids will answer these questions and more, celebrating their unique selves while creating their very own biographies in this classic activity book from Dr. Seuss, illustrated by Roy McKie. With fill-in-the-blanks, lists, check boxes, and drawing prompts, this book allows readers to write and draw right on the fun-filled pages! From

the number of freckles you have, to the kind of house you live in, to the silly animal sounds you can make, Dr. Seuss guides kids through an interactive reading experience with a creative spark. The perfect gift for special birthdays or for year-round fun, this book will hold special memories long after it's filled in.

My Book of Life by Angel Martine Leavitt, 2012-09-04 When sixteen-year-old Angel meets Call at the mall, he buys her meals and says he loves her, and he gives her some candy that makes her feel like she can fly. Pretty soon she's addicted to his candy, and she moves in with him. As a favor, he asks her to hook up with a couple of friends of his, and then a couple more. Now Angel is stuck working the streets at Hastings and Main, a notorious spot in Vancouver, Canada, where the girls turn tricks until they disappear without a trace, and the authorities don't care. But after her friend Serena disappears, and when Call brings home a girl who is even younger and more vulnerable than her to learn the trade, Angel knows that she and the new girl have got to find a way out.

My Book of Beautiful Oops! Barney Saltzberg, 2017-05-30 Every mistake is an opportunity to make something beautiful. This is the central idea of Beautiful Oops!, Barney Saltzberg's beloved bestseller—and now My Book of Beautiful Oops!, an interactive journal for young artists, takes that principle into unexpected new directions. A hands-on journal that's meant to be personalized—drawn in, painted on, torn up, smudged, or otherwise artistically wrecked—My Book of Beautiful Oops! is filled with folded, crumpled, die-cut, and lift-the-flap pages that will challenge the reader's sense of play. The friendly green alligator from the first book prompts the reader: Bend a page. Decorate a smudge. Play with splats and spills. Even complete a poem that was accidentally ripped in

half. My Beautiful Book of Oops! champions imagination, play, and the courage to express oneself. It's about self-forgiveness, about turning off that inner critic that clamors for perfection. And it's about freedom—the freedom to be creative and follow your curiosity wherever it goes. That's a lesson to celebrate.

This is My Book Mark Pett, 2016 The author explains how to make a book with the help of a panda he has drawn—who has his own ideas about how to make a book. Includes a flap, a pull tab, and a pop-up image.

BAX 2015 Seth Abramson, Jesse Damiani, Douglas Kearney, 2016-01-05 BAX 2015 is the second volume of an annual literary anthology compiling the best experimental writing in poetry, fiction, and creative nonfiction. This year's volume, guest edited by Douglas Kearney, features seventy-five works by some of the most exciting American poets and writers today, including established authors—like Dodie Bellamy, Anselm Berrigan, Thomas Sayers Ellis, Cathy Park Hong, Bhanu Kapil, Aaron Kunin, Joyelle McSweeney, and Fred Moten—as well as emerging voices. Best American Experimental Writing is also an important literary anthology for classroom settings, as individual selections are intended to provoke lively conversation and debate. The series coeditors are Seth Abramson and Jesse Damiani.

Programming in Objective-C Stephen G. Kochan, 2012-10-29 Programming in Objective-C, Fifth Edition Updated for OS X Mountain Lion, iOS 6, and Xcode 4.5 Programming in Objective-C is a concise, carefully written tutorial on the basics of Objective-C and object-oriented programming for Apple's iOS and OS X platforms. The book makes no assumptions about prior experience with object-oriented programming

languages or with the C language (which Objective-C is based upon). Because of this, both beginners and experienced programmers alike can use this book to quickly and effectively learn the fundamentals of Objective-C. Readers can also learn the concepts of object-oriented programming without having to first learn all of the intricacies of the underlying C programming language. This unique approach to learning, combined with many small program examples and exercises at the end of each chapter, makes Programming in Objective-C ideally suited for either classroom use or self-study. This edition has been fully updated to incorporate new features in Objective-C programming introduced with Xcode 4.4 (OS X Mountain Lion) and Xcode 4.5 (iOS 6.) “The best book on any programming language that I’ve ever read. If you want to learn Objective-C, buy it.”–Calvin Wolcott “An excellent resource for a new programmer who wants to learn Objective-C as their first programming language—a woefully underserved market.”–Pat Hughes

BEG ASP.NET US, SUSSMAN, 2001-11-24 ASP.NET is the latest incarnation of Microsoft's Active Server Pages (ASP) - a powerful server - based technology, designed to create dynamic and interactive HTML pages for your web site, or corporate intranet. ASP.NET also constitutes a core element in Microsoft's NET vision, providing web-based access to an immensely powerful new development environment, NET, in this respect alone, it's a great leap ahead of all previous versions of ASP. This book will provide you with a step-by-step introduction to ASP.NET using C#, with plenty of worked examples, that will help you to gain a deep understanding of what ASP.NET is all about, and how you can harness it to build powerful web applications. Who is this book for ? This book is aimed at relatively inexperienced web builders who are looking to enrich their sites with dynamically-generated content, and want to learn how to start building web applications using ASP.NET. Developers who have a little experience with previous versions of ASP (and are looking to move over to ASP.NET), may also find this book helpful in getting a simple grasp of what ASP.NET is, what it does, and how it can be used. Experience of basic HTML is required, but previous experience of ASP is not essential. We'll be teaching the basics of C# in this book, so prior experience of C# is not required.

Italian Neighbors Tim Parks, 2015-01-07 A New York Times Notable Book of the Year: A deliciously entertaining account of expatriate life in a small village just outside Verona, Italy. Tim Parks is anything but a gentleman in Verona. So after ten years of living with his Italian wife, Rita, in a typical provincial Italian neighborhood, the novelist found that he had inadvertently collected a gallery full of splendid characters. In this wittily observed account, Parks introduces readers to his home town, with a statue of the Virgin at one end

of the street, a derelict bottle factory at the other, and a wealth of exotic flora and fauna in between. Via Colombare, the village's main street, offers an exemplary hodgepodge of all that is new and old in the *bel paese*, a point of collision between invading suburbia and diehard peasant tradition. It is a world of creeping vines, stuccoed walls, shotguns, security cameras, hypochondria, and expensive sports cars. More than a mere travelogue, *Italian Neighbors* is a vivid portrait of the real Italy and a compelling story of how even the most foreign people and places gradually assume the familiarity of home. "One of the most delightful travelogues imaginable . . . so vivid, so packed with delectable details." —Los Angeles Times Book Review

My Book of Prayers Su Box, Carolyn Cox, 2003 The prayers in this collection have been selected to reflect the world and concerns of young children. They comprise a mixture of familiar traditional material, new prayers and blessings, and paraphrases of some Bible prayers.

Disappearing Earth Julia Phillips, 2019-05-14 One of The New York Times 10 Best Books of the Year National Book Award Finalist Finalist for the National Book Critics Circle John Leonard Prize Finalist for the Center for Fiction First Novel Prize Finalist for the New York Public Library's Young Lions Fiction Award National Best Seller Splendidly imagined . . . Thrilling --Simon Winchester A genuine masterpiece --Gary Shteyngart Spellbinding, moving--evoking a fascinating region on the other side of the world--this suspenseful and haunting story announces the debut of a profoundly gifted writer. One August afternoon, on the shoreline of the Kamchatka peninsula at the northeastern edge of Russia, two girls--sisters, eight and eleven--go missing. In the ensuing weeks, then

months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Taking us through a year in Kamchatka, *Disappearing Earth* enters with astonishing emotional acuity the worlds of a cast of richly drawn characters, all connected by the crime: a witness, a neighbor, a detective, a mother. We are transported to vistas of rugged beauty--densely wooded forests, open expanses of tundra, soaring volcanoes, and the glassy seas that border Japan and Alaska--and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel brings us to a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before.

All Over the Place Geraldine DeRuiter, 2017-05-02 Some people are meant to travel the globe, to unwrap its secrets and share them with the world. And some people have no sense of direction, are terrified of pigeons, and get motion sickness from tying their shoes. These people are meant to stay home and eat nachos. Geraldine DeRuiter is the latter. But she won't let that stop her. Hilarious, irreverent, and heartfelt, *All Over the Place* chronicles the years Geraldine spent traveling the world after getting laid off from a job she loved. Those years taught her a great number of things, though the ability to read a map was not one of them. She has only a vague idea of where Russia is, but she now understands her Russian father better than ever before. She learned that what she thought was her mother's functional insanity was actually an equally incurable condition

called being Italian. She learned what it's like to travel the world with someone you already know and love -- how that person can help you make sense of things and make far-off places feel like home. She learned about unemployment and brain tumors, lost luggage and lost opportunities, and just getting lost in countless terminals and cabs and hotel lobbies across the globe. And she learned that sometimes you can find yourself exactly where you need to be -- even if you aren't quite sure where you are.

My Book of Number Games 1-70 Kumon Publishing, 2009-03 Our UK Commonwealth Editions have been reexamined to see how they align with UK education standards. Kumon offers four titles that support the Early Years Learning Stage curriculum and four titles that support Key Stage 1 curriculum. Give your child an edge in education with Kumon Workbooks.

Her Out There Marta Bevacqua, 2019-09 The first book from photographer, Marta Bevacqua, containing a visual narrative of different women.

My Book of Feelings Tracey Ross, 2017-03-21 Even though you can't see them, we all have feelings. Some feelings are fluffy and make us feel good. Some are sharp and make us unhappy. Sometimes we have fluffy and sharp feelings at the same time! It's ok to have different types of feelings, but there are some things we can do to let the sharp feelings out when they get too big, or when we have too many. This picture book is ideal for children ages 5 and above to help them understand why they might experience different emotions, and what they can do to help them manage their emotions in a positive way. Written in simple language, this book will be an excellent tool for any child who finds it difficult to understand their emotions, particularly those with attachment difficulties, or a

learning or developmental disability.

Pro Java Programming Brett Spell, 2005 *Exploits the finer points of core and standard editions of Java 2 *Updated to include the final Java 2SE 5.0 (Tiger) release * *Ideal for experienced non-Java and Java programmers who need intermediate level book

Pennies from Heaven L.E. Ward, 2010-09-29 L.E. Ward was born July 5, 1944, as Leon Edgar Ward. *Pennies from Heaven* is his seventh published book of poems, and ninth collection of poetry, containing over 100 poems, written since 2003. His books reflect his lifetime interests: Immersion in the past, both personal and cultural; a criticism of war, intolerance, and materialism; a love of the arts, eros, and human times and relationships, including family, friends, and lovers. *Pennies from Heaven*, like its predecessors, looks askance at violence, greed, and fanaticism, yet also concerns itself with beauty, art, and humanism. Ward, a former university teacher of literature, has also had a prolific prose writing career as an essayist and contributing editor to national film periodical, among others. His writing has received many honors, awards, and award nominations. His books are dedicated to the memory of his beloved parents, Leon Earl Ward (1898-1970) and Lillian Estelle Mager Ward (1908-1999). .

Bookmybook Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bookmybook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bookmybook

has opened up a world of possibilities. Downloading Bookmybook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bookmybook has democratized knowledge. Traditional

books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bookmybook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection

of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bookmybook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines

the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bookmybook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy

of the websites they are downloading from. In conclusion, the ability to download Bookmybook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources

available and embark on a journey of continuous learning and intellectual growth.

FAQs About Bookmybook Books

1. Where can I buy Bookmybook books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in

physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Bookmybook book to read? Genres: Consider the genre you enjoy (fiction, non-

fiction, mystery, sci-fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.

Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Bookmybook books?
Storage: Keep them away from direct sunlight and in a dry environment.
Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
Cleaning: Gently dust

the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for

tracking your reading progress and managing book collections.

Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Bookmybook audiobooks, and where can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking.

Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers.

Online Communities:
Platforms like
Goodreads have virtual
book clubs and
discussion groups.

10. Can I read
Bookmybook books for
free? Public Domain
Books: Many classic
books are available for
free as they're in the
public domain. Free E-
books: Some websites
offer free e-books
legally, like Project
Gutenberg or Open
Library.
