**Rock This Way** Mel Stanfill,2023-08-15 Any and all songs are capable of being remixed. But not all remixes are treated equally. Rock This Way examines transformative musical works—cover songs, remixes, mash-ups, parodies, and soundalike songs—to discover what contemporary American culture sees as legitimate when it comes to making music that builds upon other songs. Through examples of how popular discussion talked about such songs between 2009 and 2018, Mel Stanfill uses a combination of discourse analysis and digital humanities methods to interrogate our broader understanding of transformative works and where they converge at the legal, economic, and cultural ownership levels. Rock This Way provides a new way of thinking about what it means to re-create and borrow music, how the racial identity of both the reusing artist and the reused artist matters, and the ways in which the law polices artists and their works. Ultimately, Stanfill demonstrates that the extent to which a work is seen as having new expression or meaning is contingent upon notions of creativity, legitimacy, and law, all of which are shaped by white supremacy.

Containing opinions, general orders, administrative rulings, reports, circulars, rules of practice, rules and regulations of service, etc., of the Public Service Commission of Pennsylvania; and opinions of the county courts throughout the Commonwealth and of the attorney general involving the law of private corporations, including corporation tax cases and appeals from the Public Service Commission; and index and annotations to the Public service company law.

**Zayn Malik - Mind of His** Sarah Oliver, 2016-11-03 Zayn Malik shocked the world in 2015 when he unexpectedly announced his departure from One Direction, one of the most successful British groups of all time. Despite his desire to step back from the spotlight, Zayn had no intention of stepping back from music, his one true passion. Indeed, he was determined to prove any doubters wrong. Able to forge his own musical path at last, Zayn unveiled hidden talents in his debut solo album *Mind of Mine* which showcased an eclectic range of influences, from R&B to reggae and even classical. When One Direction first formed on *The X Factor* in 2010, few could have predicted the record-breaking successes they would achieve, or the millions of adoring fans they would gain. Despite the controversy over his departure from the band, Zayn has continued this trend of unprecedented success in his solo career, with his first single 'Pillowtalk' reaching No.1 around the world. In this fully updated biography, top celebrity biographer Sarah Oliver traces Zayn's steps so far, from boyhood in Bradford, to One Direction stardom and his development as a solo artist. Aged just twenty-three, it is only the beginning for Zayn, and the brilliance of *Mind of Mine* is a sign of even greater things to come.

**One Direction A-Z** Sarah Oliver, 2013-08-05 If you have ever dreamt of meeting One

Direction then this is the book for you! Author Sarah Oliver has the inside scoop from 1D's biggest fans from around the world, including all the gossip about what happened when they met Harry, Niall, Liam, Louis and Zayn....and tour secrets you won't hear anywhere else. Anthony Lee was named 'Australia's Best Dad' and appeared on national TV when he helped his daughter meet the band. Discover how he made it happen. Tiffani from Boston met the boys when they were filming the video for 'Gotta Be You' - find out how she accidentally started the rumour that the boys had died on the way to their second video shoot. Greyson from Pennsylvania was the first fan to find out when Liam broke his toe and how he did it - she knew two weeks before he revealed all on The Today Show. Jenna from Ottawa got to hang out for two hours with Niall's family and play with baby Lux - discover what the boys' families are really like! Sarah Oliver reveals all and much more, including which countries One Direction love the most and some of the crazy things they get up to when they're not on stage. Sit back, relax and follow in the footsteps of One Direction as they go around the world!
