**The Tycoon and the Bard** John Cairney,2016-01-31 Andrew Carnegie: self-made Scottish-American steel millionaire and international philanthropist, remembered through trusts, charities and public buildings on both sides of the Atlantic. Robert Burns: Scotland's greatest poet and most famous philanderer; an inspiration for future liberal politicians and an almost mythical cultural icon. What do the world's greatest tycoon and Scotland's finest bard have in common? More than you might think. Despite dying thirty nine years prior to Carnegie's birth, Burns' work so inspired the philanthropist that he recited all eleven verses of 'Man Was Made to Mourn' at just eight years old. Carnegie's enthusiasm for the poet was to accompany him throughout his life, as unbeknownst to him parallels between himself and his idol emerged time and again. Fuelled by ambition, both brilliant Scots went to unusual lengths to better their lives. While Burns travelled the length and breadth of their homeland writing poetry that would endure for generations, Carnegie left Scotland for America to forge his place in the industrial revolution. The connections between Andrew Carnegie and Robert Burns are unexpected and fascinating, running from their humble beginnings to their enduring legacies. John Cairney

**Burning Ambition** John J. Riley,2015-08-31 From his humble beginning in South Phila politics to his election as Governor of Penna Jim Devlin's life is a story of true love and driving political ambition.

**The Oxford Handbook of Robert Burns** Francis Hutcheson Professor of Scottish Literature Gerard Carruthers, Gerard Carruthers,2024-02 The Oxford Handbook of Robert Burns treats the extensive writing of and culture surrounding Scotland's national 'bard'. Robert Burns (1759-96) was a producer of lyrical verse, satirical poetry, in English and Scots, a song-writer and song-collector, a writer of bawdry, journals, commonplace books and correspondence. Sculpting his own image, his untutored rusticity was a sincere persona as much as it was not entirely accurate. Burns was an antiquarian, national patriot, pioneer of what today we would call 'folk culture', and a man of the Enlightenment and Romanticism. The Handbook considers Burns's reception in his own time and beyond, extending to his iconic status as a world-writer. Burns was important to the English Romantic poets, in the context of debates about Abolition in the US, in the Victorian era he was widely utilised as a model for different kinds of popular poetry and he has been utilised as a contestant in debates surrounding Scottish and, indeed, British politics, in peacetime and in wartime down to the present day. The writer's afterlife includes not only a large number of biographies but a whole culture of commemoration in art, architecture, fiction, material culture, museum-exhibition and even forged manuscripts and memorabilia as well as appearances, apparently, via Spiritualist seances. The politics of his work channel the fierce debates of late eighteenth-century Scottish ecclesiastical controversy as well as the ages of American, Agrarian and French revolutions. All of this ground is traversed in this Handbook, the largest critical compendium ever assembled about Robert Burns.

**I Love Her, That's Why! an Autobiography** George Burns, Cynthia Hobart Lindsay,2021-02 I Love Her, That's Why! first published in 1955, is an entertaining look at the earlier life and career of comedian George Burns and his wife Gracie Allen. From humble beginnings in New York, Burns and Allen went on to become much-loved stars of stage, radio, television, and the big-screen, one of the few entertainers to be successful in each venue. The book begins with Burns' childhood and early struggles in vaudeville before he meets Gracie Allen. Burns then details his efforts to win her affections; their marriage and adoptions of two children; radio, film, and TV productions (including the script for their television series). Included are 16 pages of illustrations.

Robert Burns and the United States of America Arun Sood,2018-07-23 This book provides a critical study of the relationship between Robert Burns and the United States of America, c.1786-1866. Though Burns is commonly referred to as Scotland's "National Poet", his works were frequently reprinted in New York and Philadelphia; his verse mimicked by an emerging canon of American poets; and his songs appropriated by both abolitionists and Confederate soldiers during the Civil War era. Adopting a transnational, Atlantic Studies perspective that shifts emphasis from Burns as national poet to transnational icon, this book charts the reception, dissemination and cultural memory of Burns and his works in the United States up to 1866.

**21st Century Burning Bushes** Dr. Setrag Khoshafian,2023-10-07 21st Century Burning Bushes series is about the incredible, the unusual, the wonderful, the miraculous as well as the strange, the terrifying, the surprising, the horrific, and the signs that are all around us - all amazing Burning Bushes. We have a choice - as non-Christians, Christians, or even congregations and churches. Will we turn aside and examine what these Burning Bushes mean? What are they saying, and how are they connected? Or will we retire in the comfort of the familiar - in our bubbles? These Burning Bushes have been around for centuries - even millennia. Nevertheless, in the 21st century, their brightness and frequency are increasing. It is critical for us to be aware, prepared, and amazed. More importantly, we need to be operational: turn around and examine the implications and act accordingly. The Creator is speaking through these Burning Bushes. They all point to the nature and character of our Lord Jesus Christ. They are all pre-cursors to a final showdown. Each chapter of the book series (there will be four volumes, Lord willing) uncovers a Burning Bush and delves deep into its ramification and affinity with other Burning Bushes. Also, each chapter provides pragmatic recommendations for action.

**Novel Destinations, Second Edition** Shannon McKenna Schmidt, Joni Rendon,2017-05-02 Follow in the footsteps of much-loved authors, including Ernest Hemingway, James Joyce, Virginia Woolf, Mark Twain, Jack Kerouac, Jane Austen, and many more. For vacationers who crave meaningful trips and unusual locales, cue National Geographic's Novel Destinations—a guide for bibliophiles to more than 500 literary sites across the United States and Europe. Check into Hemingway's favorite hotel in Sun Valley, or stroll about Bath's Royal Crescent while entertaining fantasies of Lizzie Bennett and her Mr. Darcy. The fully revised second edition includes all of the previous sites—with updated locations—plus color images and an expanded section on all things Brontë. The book begins with thematic chapters covering author houses and museums, literary festivals and walking tours. Then, in-depth explorations of authors and places take readers roaming Franz Kafka's Prague, James Joyce's Dublin, Louisa May Alcott's New England, and other locales. Peppered with great reading suggestions and little-known tales of literary gossip, Novel Destinations is a unique travel guide, an attractive gift book, and the ultimate bibliophile's delight.

**Coach** Rosie DiManno,2013-10-29 Pat Burns was one of the great NHL coaches. He worked with the Montreal Canadiens, Toronto Maple Leafs, Boston Bruins and New Jersey Devils, and seemed always to enjoy instant success. He capped his extraordinary career by coaching the New Jersey Devils to a Stanley Cup victory in 2003. Cancer--his third bout--finally claimed him in 2010, aged 58. Rosie DiManno, who knew Burns well, has written a revealing, exhilarating and heartfelt account of his life: his childhood as a fatherless, solitary male surrounded by many women, his years as a police officer, his glorious coaching career and his long and characteristically valiant ending. Coach is both the first major biography of Burns and one that, with its revelations, personal insights and riveting prose, is--like the man himself--sure to be both controversial and hard to beat. Rosie DiManno knew, liked and admired Burns, and in the writing of this book has interviewed many, many people from every stage of his life. She is not blind to his less endearing qualities, but seeks to explain them. DiManno reveals a man of contradictions--gruff and crude, bullying and sentimental, and easily wounded. She shows, moreover, a man of hockey. The Burns who rode motorcycles, dressed like a cowboy, and sweet-talked the ladies was, says DiManno, a self-creation. His one indisputable, true talent was for coaching hockey. He was a pure coach. DiManno tells a compelling story and helps us to understand a complex man, one who gave little of himself to the public and yet whose funeral was a spectacle. How did that happen? Who was Pat Burns? Rosie DiManno, who witnessed much of the story, has the answers.

**Burning Britain** Ian Glasper,2014-08-01 As the Seventies drew to a close and the media declared punk dead and buried, a whole new breed of band was emerging from the gutter. Harder and faster than their '76-'77 predecessors, not to mention more aggressive and political, the likes of Discharge, the Exploited, and G.B.H. were to prove not only more relevant but arguably just as influential. Several years in the making and featuring hundreds of new interviews and photographs, Burning Britain is the true story of the UK punk scene from 1980 to 1984 told for the first time by the bands and record labels that created it. Covering the country region by region, author Ian Glasper profiles legendary bands like Vice Squad, Angelic Upstarts, Blitz, Anti-Nowhere League, Cockney Rejects, and the UK Subs as well as the more obscure groups like Xtract, The Skroteez, and Soldier Dolls. The grim reality of being a teenage punk rocker in Thatcher's Britain resulted in some of the most primal and potent music ever committed to plastic. Burning Britain is the definitive overview of that previously overlooked era.

*Lob Trees in the Wilderness* Clifford Elmer Ahlgren,Isabel Ahlgren,2001

**Hot Wings & Rug Burns** Grant Guimont,2011-08-31 Set amidst the 1990s in the Twin Cities - love, basketball, sex, David Lee Roth, dating, Snoopy, bar hopping, Camel Lights, and Evonne Goolagong collide to concoct this unique tale. Of course, these aren't your typical ingredients for a comedy, but this isn't your typical comedy. This is the story of a jackass and how he becomes a real man. Life is a clever cocktail of interesting moments, sinister monotony, and sublime mistakes. Jamie Tembreaux, a struggling playwright in Minneapolis knows that all too well. Unlike the famous Peter Pan Syndrome, Jamie suffers from a different Disney Disorder altogether, The Pinocchio Syndrome, which can only be disclosed within the confines of this tale. Forcing Jamie to realize he's twenty-five and has never really been in love. Luckily for Jamie, he does have the support of his friends, but "Trick" Dunbar and Andrew Case are just as confused with their lives as Jamie seemingly is with his own. Torn between the fetching artist he's just met and an old flame who happens to be Andrew's little sister, Jamie navigates the dangerous waters of bachelorhood without a clue. With the help of another friend from college Jo Fabre, Jamie searches for answers at the only place that makes sense to him - his childhood home. There, Jamie discovers where his life diverted from its natural path to an entirely new one. Jamie explores his past choices and their consequences like never before. He deflects his personal ordeals through the use of humor, thereby divulging uncompromising insight into the male psyche. The novel is a dizzying leap into the shallow end of the pool of life. And somewhere amidst the infinite spectrum between a Blue Fairy and a Great Whale lies a broken-hearted hero. A coming-of-age tale with a twist and a comedy with plenty of edge. HOT WINGS & RUG BURNS is a wild look at one of the scariest challenges facing young adults of any generation - the opposite sex.

Mission of Grace Fran Gangloff,2023-12-08 "St. Marianne shows us that this world's ways can lead us to the Most High in both darkness and light."—Sr. Margaret Carney, from the foreword "I am hungry for the work. I am not afraid of any disease." Mother Marianne Cope, July 12, 1883 A letter of invitation in 1883 beckoned her to travel from Syracuse, New York to the islands now known as Hawai'i. Surprised by grace, she gave an emphatic yes to God, even after she learned that her work would be among persons stricken with Hansen's disease, known then as leprosy. After ministering on several of the islands, she finally came to the settlement at Kalaupapa on the island of Moloka'i, where Fr. Damien de Veuster worked with those afflicted with the disease. With other sisters from her community, she cared for the residents and was instrumental in administering hospitals and schools until her death in 1918. In Mission of Grace, Sr. Fran Gangloff tells the inspiring story of a woman committed to serving God's neediest children with love, compassion, respect, and grace, often in the face of both hardship and resistance from authorities blind to the needs. At her canonization in 2012, St. Marianne was called the "beloved mother of outcasts."

**Diversity in Business** Cathleen Small,2018-12-15 Nineteen-year-old Oprah Winfrey started out as a news anchor, but she blazed through the ranks to become one of the most influential entrepreneurs in the world. Historically, minorities such as women were relegated to lesser positions in business. Although a shift toward more diversity in business began long ago, readers will learn about the tremendous gap that still remains between genders, cultures and races, social and economic levels, and abilities in the business field. This revealing book features some inspiring figures through history who have persevered despite that chasm, as well as those who continue to do so today.

**Brisbane Burns** Sharyn Merkley,2017 1864 was a tough year for the fledgling town of Brisbane as two devastating fires swept through its commercial hub. This book is the first comprehensive historical record of both the ordinary and well-known citizens of the early settlement city who survived the fire's ravages to lay the foundations of Australia's third biggest city.

**Richmond Burning** Nelson Lankford,2003-07-29 Nelson Lankford draws upon Civil War-era diaries, letters, memoirs, and newspaper reports to vividly recapture the experiences of the men and women, both black and white, who witnessed the tumultuous fall of Richmond. In April 1865 General Robert E. Lee realized that his army must retreat from the Confederate capital and that Jefferson Davis's government must flee. As the Southern soldiers moved out they set the city on fire, leaving a blazing ruin to greet the entering Union troops. The city's fall ushered in the birth of the modern United States. Lankford's exploration of this pivotal event is at once an authoritative work of history and a stunning piece of dramatic prose.

**Schoolhouse Burning** Derek W. Black,2020-09-22 The full-scale assault on public education threatens not just public education but American democracy itself. Public education as we know it is in trouble. Derek W. Black, a legal scholar and tenacious advocate, shows how major democratic and constitutional developments are intimately linked to the expansion of public education throughout American history. Schoolhouse Burning is grounded in pathbreaking, original research into how the nation, in its infancy, built itself around public education and, following the Civil War, enshrined education as a constitutional right that forever changed the trajectory of our democracy. Public education, alongside the right to vote, was the cornerstone of the recovery of the war-torn nation. Today's current schooling trends -- the declining commitment to properly fund public education and the well-financed political agenda to expand vouchers and charter schools -- present a major assault on the democratic norms that public education represents and risk undermining one of the unique accomplishments of American society.

**Motor City Burning: A Novel** Bill Morris,2014-07-15 From the critically acclaimed author of Motor City, Detroit comes alive in a powerful and thrilling novel set amidst the chaos of the race riots and the serenity of Opening Day. Willie Bledsoe, once an idealistic young black activist, is now a burnt-out case. After leaving a snug berth at Tuskegee Institute to join the Student Nonviolent Coordinating Committee, he has become bitterly disillusioned with the civil rights movement and its leaders. He returns home to Alabama to try to write a memoir about his time in the cultural whirlwind, but the words fail to come. The surprise return of his Vietnam veteran brother in the spring of 1967 gives Willie a chance to drive a load of smuggled guns to the Motor City - and make enough money to jump-start his stalled dream of writing his movement memoir. There, at Tiger Stadium on Opening Day of the 1968 baseball season - postponed two days in deference to the funeral of Martin Luther King, Jr. - Willie learns some terrifying news: the Detroit police are still investigating the last unsolved murder from the bloody, apocalyptic riot of the previous summer, and a white cop named Frank Doyle will not rest until the case is solved. And Willie is his prime suspect. Bill Morris's rich and thrilling new novel sets Doyle's hunt amid the history of one of America's most tortured and fascinating cities, as Doyle and Willie struggle with Detroit's deep racial divide, with revenge and forgiveness - and with the realization that justice is rarely attainable, and rarely just.
