Cosmic Love Jan Spiller, 2007-12-26 A world-renowned astrologer reveals the path to successful relationships.... In this powerful guide, astrology expert Jan Spiller shows you how the practical science of astrology can lead to real-life results in the realm of intimate relationships. Moving beyond the commonly known sun-sign profiles, Spiller delves into the meanings and mysteries of your personal North Node—the vital point where the orbits of the earth, moon, and sun intersect—to help you bring love into your life. For more than thirty years, she has studied how the effects of the Nodes of the Moon help us steer our life force in positive ways, accept the possibilities the universe has placed in our path, and stop sabotaging relationships. By locating the position of your North Node, which can be found in the chart provided, and the house in which it falls in an important relationship, Spiller helps you discover the astrological, psychological, and spiritual tools to:

- Learn the secrets to open up intimacy and enjoy satisfying, lifelong romance
- Move beyond old hurts that can tear a relationship apart
- Allow others to be themselves—and not try to change them
- Experiment with new ways of interacting in important relationships
- Discover what gifts your partner brings to you—and what gifts you bring to your partner
- Navigate the energy of past-life connections

The Five Love Languages Gary Chapman, 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to

your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

How Love Found its Way into Commerce and Law Sanjay Agarwala, 2023-04-22 About the Book How Love Found its Way into Commerce and Law is a collection of love poems written by Sanjay Agarwala that explores the many ways in which love can be expressed and experienced in our daily lives. From the boardrooms of commerce to the courtrooms of law, the poems in this collection examine the various intersections of love and society. The book is divided into several sections, each of which explores a different aspect of love. The first section, Commerce and Love, examines how

love can be expressed in the business world. The poems in this section explore the many ways in which love can motivate and inspire us in our careers, as well as the challenges that can arise when love and commerce intersect. The second section, Law and Love, explores the ways in which love can be expressed and experienced within the legal system. The poems in this section examine the various ways in which love can be impacted by the law, and how the law can sometimes serve to either support or undermine our relationships. The third section, Nature and Love, explores the ways in which love can be expressed through our connection to the natural world. The poems in this section celebrate the beauty and power of nature, and the ways in which it can inspire and sustain our love. The final section, Universal Love, explores the many different ways in which love can be expressed and experienced across cultures and throughout history. These poems celebrate the universality of love, and the many ways in which it has been celebrated and expressed throughout human history. Overall, *How Love Found its Way into Commerce and Law* is a powerful and moving collection of love poems that explores the many ways in which love can be expressed and experienced in our lives. Whether you are a businessperson, a lawyer, a nature lover, or simply a lover of poetry, this book is sure to inspire and delight you.

The Doomsday Calculation William Poundstone, 2019-06-04 From the author of Are You Smart Enough to Work at Google?, a fascinating look at how an equation that foretells the future is transforming everything we know about life, business, and the universe. In the 18th century, the British minister and mathematician Thomas Bayes devised a theorem that allowed him to assign probabilities to events that had never happened before. It languished in obscurity for centuries until computers came along and made it easy to crunch the numbers. Now, as the foundation of big data, Bayes' formula has become a linchpin of the digital economy. But here's where things get really interesting: Bayes' theorem can also be used to lay odds on the existence of extraterrestrial intelligence; on whether we live in a Matrix-like counterfeit of reality; on the many worlds interpretation of quantum theory being correct; and on the biggest question of all: how long will humanity survive? The Doomsday Calculation tells how Silicon Valley's profitable formula became a controversial pivot of contemporary thought. Drawing on interviews with thought leaders around the globe, it's the story of a group of intellectual mavericks who are challenging what we thought we knew about our place in the universe. The Doomsday Calculation is compelling reading for anyone interested in our culture and its future.

What Makes Love Last? John Gottman, Nan Silver, 2013-09-10 One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the why behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental

Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the Roach Motel for Lovers. He describes how the outcome of--sliding door moments, small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship--

You Can Count on Cupid Luisa Dillner,2010-01-19 True-love facts about modern dating, marriage, breakups, and makeups, from the Guardian's popular relationships advice columnist Is love blind-or does Cupid calculate? Luisa Dillner, a medical doctor and the entertaining Love by Numbers columnist for London's Guardian newspaper, sifts through the latest scientific research to answer the questions of the lovelorn and the love crazy alike. She tackles perennial matters of the heart, such as: - Which pickup lines work the best? - Do gentlemen prefer blondes? - How do I know she's the one? - How can I get my boyfriend to stop flirting and start taking out the trash? - Are office romances doomed? -

What's the best way to mend a broken heart? - Will any couple ever be able to avoid arguing in the car? For those curious about the chances of tempting someone to leave a spouse (50 percent of those approached take the bait) or if Web romances bloom in the spring (the peak times for online love are actually January, February, and September), Dillner is the perfect--and amusing--guide to the science of living happily ever after.

After the Benediction Ellen L. Grant, 2008-08-08 Huffing, puffing, and cussing..why are you acting this way and you just left church? Are you the same person after church that you are during worship service? After the Benediction is a reality-based effective tool addressing challenges that many Christians face today such as controlling in-laws, hellacious bosses, pretentious pastors, dysfunctional families, illnesses, financial ruin and the most gratifying temptation of all.flesh. This compelling and unique book offers victory, strength and salvation to overcome those challenges. Although the journey of life is sometimes unpredictable, believers must know an abundant, victorious, peaceful life

is a reality. This extraordinary book opens with a preface that is all too familiar. Saturday-Night Special has a sultry, provocative storyline with opposing influences of good and evil. The decisions we make are not necessarily based on our moral conduct or religious heart ties. Sometimes we do what we like because it feels good and then comes the guilt. Each chapter thereafter makes verbal contribution so that the reader can be inspired because God is not like man. He does not engage in one night relationships. His love is so everlasting; you can call him the morning after. Christians experience empowerment for approximately 2 hours on Sunday. Upon their departure from service, sin approaches in all forms to discredit the word of God. Once the doors are closed, there is a real devil desiring to tear believers apart. Therefore, truth and knowledge are needed to guide individuals from remaining cemented in the problem to seeking answers. Therefore, nonbelievers can truly benefit because salvation is offered. Believers are balanced, blessed and empowered because the power and glory of God is available After the Benediction.
