AmeriCorps (U.S.)

Catechism of the Catholic Church U.S. Catholic Church,2003-03-04 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means instruction - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

The Power of Forgiveness: Pope Francis on Reconciliation United States Conference of Catholic Bishops,2021-08-24 The Power of Forgiveness, Pope Francis on Reconciliation calls the reader to explore the mercy of God, received in a profound way by turning toward God in the Sacrament of Reconciliation. This heartfelt collection of the Pope's reflections on the need for repentance, awareness of sin, God's divine mercy, forgiveness of others, and confession and absolution, is a transformative read for Catholics of all vocational states!

Catholic Perspectives on Crime and Criminal Justice Willard M. Oliver,2008 Drawing upon Catholic social teaching, traditional writings, and Sacred Scripture, this book presents a Catholic perspective of crime and criminal justice in America. Specifically, it presents a policy framework for the criminal justice system describing how and why police, courts, and corrections should adopt the tenets of restorative and community justice. In addition, it presents how certain crime-related issues would be addressed under a Catholic perspective, particularly focusing on the death penalty, abortion, euthanasia, and so-called victimless crimes.

Dying Right Daniel Hillyard, John Dombrink, 2002-06 Dying Right provides an overview of the Death With Dignity movement, a history of how and why Oregon legalized physician-assisted suicide, and an analysis of the future of physician-assisted suicide. Engaging the question of how to balance a patient's sense about the right way to die, a physician's role as a healer, and the state's interest in preventing killing, Dying Right captures the ethical, legal, moral, and medical complexities involved in this ongoing debate.
