Captains' Logs Edward A. Gross, Mark A. Altman, 1995 A lavishly illustrated guide takes readers behind the scenes of every episode of Star Trek and The Next Generation, with additional sections on Deep Space Nine and Voyager. Original. 75,000 first printing.

Tales from the Captain's Log The National Archives, 2017-10-31 Stories of momentous voyages and battles at sea told through the words of those who were there.

Captain's Log: Snowbound Erin Dionne, 2018-11-06 A perfect choice for kids (and parents!) trapped inside on a snow day. When his Ernest Shackleton report is ironically quashed because of a snowstorm, a school cancellation-celebrating elementary schooler chronicles his adventures at home with hilarious log entries and read-aloud-friendly results. The Captain's (our young protagonist) belongings start to go missing while homebound due to weather, and humorous attacks and pell-mell mutiny follow. After a series of snow day events, the crew (the Captain's parents), the first mate (his trusty dog), and the scallywag (also known as the younger sibling) are freed from their snowbound home, and the Captain returns to school. Kids will laugh at the Captain's battle with his siblings, and parents will relate to the antics that ensue when the weather prevents students from heading to class and upsets daily routines and schedules. *Entertaining, informative--utterly delightful--Kirkus Reviews, STARRED review

Tales from the Captain's Log The National Archives, 2017-09-07 For centuries, ships' commanders kept journals that recorded their missions. These included voyages of discovery to unknown lands, engagements in war and sea and general trade. Many of their logs, diaries and letters were lodged at The National Archives and give a vivid picture of the situations that they encountered. Entries range from Captain James Cook's notes of his discovery of the South Pacific and Australia, to logs of the great naval battles, such as Trafalgar and the Battle of the Nile. From the ships that attempted to stop piracy in the Caribbean, to the surgeons who recorded the health of the men they tended and naturalists who noted the exotic plants and animals they encountered, comes a fascinating picture of life at sea, richly illustrated with maps, drawings and facsimile documents found alongside the logs in the archives.

The Symphony of Your Life Mark Hardcastle, 2018-12-19 How do you respond when Fortune challenges you with difficult times? It's not about life's inevitable challenges. It's all about how we respond. This book gives you tools and shows you how to use them to fight and win your hard battles.

Captains of Leadership Alwin Put,2021-10-28 Another two-hour brainstorm with your team, and you are left feeling drained: nothing really useful came out of it. It feels like a waste of time. Why is it that so many meetings are not effective? We need to start working with a type of leadership that empowers from the bottom up instead of top-down: facilitation. In Captains of Leadership you will learn the secrets of facilitative leadership, which will allow you to bring co-creation to another level. No more wasting time during team meetings, learn how to make every shared moment count. Alwin Put outlines a three-part approach in which he explains how to get the best and most out of people by working together. This book is your guide to become a facilitative leader, in other words: a Captain of Leadership. The three parts discuss (1) why it is worth the effort to develop yourself as a facilitator, (2) how to learn to work with the holy trinity of facilitation (guide, conduct and catalyse), and (3) how to keep the right frame of mind and a high energy level to get the most out of your crew. Captains of Leadership combines elements of business, creativity and self-awareness. It is an essential tool for anyone who believes in co-creation. It is both hands-on and inspiring. Captain's Logbook John De Silva, 2021-04-27 John De Silva's manuscript reads like a treatise on the power of faith in the presence of overwhelming odds. It is at once, inspiring and humbling, and wrings the gauntlet to call forth that which is best of each in every one of us. Mutiny, murder, and maritime disaster! Such are the makings of Captain John De Silva's recollections of a life spent at sea. Throughout his first person account of the voyage, De Silva explores the exquisite miseries and vicissitudes of life on the unforgiving oceans of our planet. The long and tiresome journey begins in January 2006. Captain John De Silva assumes command of Cape Agulhas and a misanthropic crew. Before the ship has completed its circuitous route along the African coastline, however, De Silva must answer to everything from biblical infestations of cockroaches to engine failures, duplicity and deceit. Nearly every imaginable disaster that can occur on a seafaring vessel, will. Yet, the palpable tension of the narrative underscores the tenacity of the human spirit as it is tested by God and nature alike. Through optimism, faith and a relentless desire to make it back to his family, De Silva guides the vessel through one hardship after another. CAPTAIN'S LOGBOOK offers a darkly humorous examination of man as he faces the best and the worst of his own kind. The colorful cast of characters includes barbarous sailors, corrupt port officials and a seasick cook with the culinary aptitude of a barnacle. All the characters portrayed in De Silva's log book are real, but pseudonyms have been used to protect their identity. Grab your copy today to find yourself thrown into the high seas for entertainment and enlightenment!
