The Two Cars Ingri d'Aulaire, Edgar Parin d'Aulaire, 2007-08-21 In *The Two Cars* the celebrated husband and wife team of Ingri and Edgar Parin d'Aulaire, famous for their illustrated versions of Norse and Greek myths, offer young children a playful modern twist on the ancient fable of the tortoise and the hare. Two cars sit side by side in the same garage. One is fast, shiny, and ready to go; the other is a comfortable old jalopy, a little worse for wear but as reliable as can be. On a magic moonlit night, the doors of the garage swing open and they head out for a spin, each determined to prove that he is the "best car on the road." Over hill and dale and roundabout they go, encountering—and narrowly missing—trains, trucks, wildlife, and even, in the form of a policeman on a motorcycle, the long arm of the law. Before the two cars' nocturnal caper is over, each will have discovered the being the "best" is not so simple as you might suppose.

Schlumpf - The intrigue behind the most beautiful car collection in the world Ard op de Weegh, Arnoud op de Weegh, 2018-11-20 This fabulous collection of cars was brought together by two French brothers, Hans & Fritz Schlumpf, and consists of hundreds of the most beautiful cars ever produced. The 'Schlumpf affair' is perhaps one of the most famous stories in the car collectors world, covered extensively by the media in the mid-1970s, when the collection was seized by the trade unions and later by the French government. The Schlumpf brothers were accused of fraudulent actions to obtain their collection -- but following extensive research by the authors of this book, the true story behind the collection is revealed. Ard and Arnoud op Weegh spent many years investigating the Schlumpf affair, and discovered many previously unpublished documents which prove that the Schlumpf brothers have been wrongly accused over the years. This book is written to tell the true story behind the collection, and also to rehabilitate the Schlumpf family name. The book is beautifully illustrated with some rare photographs, and features many of the beautiful cars that make up the Schlumpf collection.

Carroll Shelby Art Evans,2016-09-15 Art Evans was a sports car racer in the 1950s on the West Coast who raced against, and became close friends with, Carroll Shelby. Their intense competition on the track became a lifelong friendship off the track. He and Shelby collaborated on many business projects over the years, including books, marketing projects, projects for the Shelby Foundation, and so on. In his later years, Shelby loved the books about his cars and similar topics, but his eyesight was failing to the point where he had difficulty reading, and really preferred the books that were heavy with photos. It was from that realization that Shelby and Evans decided to work on one last book together. They both combed through the Shelby archives and selected Shelby's favorite images from his racing career. That is almost the entirety of this book. It is packed with photos selected by Shelby himself, and the captions are quotes from Shelby's commentary on the action in the photo, as well as his memories. Unfortunately, Carroll Shelby passed away before the book was fully completed, but Evans, following Shelby's instructions, carried this final project through to completion. Filled with images that have never been seen in print, as well as images not published since the 1950s and 1960s, this final work from Shelby is a personally curated collection by the legend himself. If you are a sports car racing fan, Ford fan, Shelby fan, or any combination of the three, this book is a perfect addition to your automotive library.
