**28,000 Days...Make Yours Count!** Kara Vaval Ferrier,2016-11-18 .Currently, the average life span of a human being is 75 years, which translates to 28,000 days. My question to you is, What will you do with your 28,000 days? 28,000 Days Make Yours Count! offers its readers practical and tested suggestions on how to rise to their God-given potential and live their best lives. Each chapter offers a view of life through the lens of someone whose tragedies might easily have caused her to see herself as a victim of her circumstances. But, instead, Kara Vaval Ferrier decided to learn the lessons in her experiences and rise above them. An easy read, 28,000 daysMake Yours Count! clearly lays out the approach to life to which Kara credits her success. She shares them with the conviction that, if applied, the principles will undoubtedly produce similar results for the committed reader.

**Fair Play** Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

**Applications of Databases** Witold Litwin,Tore Risch,1994-06-06 This volume presents the proceedings of the First International Conference on Applications of Databases, ADB-94, held at Vadstena, Sweden in June 1994. ADB-94 provided a unique platform for the discussion of innovative applications of databases among database researchers, developers and application designers. The 28 refereed papers were carefully selected from more than 100 submissions. They report on DB applications, for example in air traffic, modelling, maps, environment, finance, engineering, electronic publishing, and digital libraries, and they are devoted to advanced database services, as for example image text and multimedia modelling, fuzzy set based querying, knowledge management, heterogeneous multidatabase management, and intelligent networks.

*Am I Good Enough?* Andy Stanley,2009-02-19 I Ask Myself Every Day...“Am I Good Enough?” Christians claim that Jesus is the only way to heaven. But how could a good God, who created the entire universe in all its diversity, be so limiting? Is Christianity unfair? Isn’t it more fitting to believe that good people from any religious or nonreligious background go to heaven, rather than people from one particular belief system? Maybe not, says Andy Stanley. In this updated edition of the bestselling book, teen readers will find out why Jesus taught that goodness is not even a requirement to enter heaven—and why Christianity is beyond fair. Andy Stanley leads the next generation of young people to a grateful awareness of God’s enormous grace and mercy. If only good people go to heaven, would I make the cut? If Christianity is true, why is God so narrow-minded? And why aren’t the answers obvious?! They are. Find out why being “good enough” has nothing to do with heaven’s requirements, and why God is, in fact, not fair at all. Story Behind the Book Andy Stanley has a heart for families and a special place for today’s youth. Having served for many years as a youth and young adult pastor at a large church in Atlanta, his greatest goal was to lead a young person to Christ. With the success of his book How Good Is Good Enough and its acceptance as a widely used evangelistic tool, it was a natural step to refine this important question for the youth of today. Andy wanted to write a text that was aimed right at the heart of today’s young culture and put a cover on the book that would interest and attract them to it. Today’s youth are constantly looking for assurances in a crazy world. They get that assurance by learning that it is not how good you are, but that you are forgiven.
