Carly's Calling Sue Ann Smith, 2003-05-29 This book is a combination of an editorial written by myself for the literary magazine, JAW, co-produced by myself and a friend for 2 years, the beginning of a screenplay, some poetry, and several short stories. I started the book 9 years ago as the thesis for my undergraduate BA degree which I received from Goddard College, VT. Originally it also included a survey of one novelist, Elizabeth Berg, and three famous women poets, in order to place myself in the field of writing and compare/contrast the growth pattern my writing took through the years. I elected to take those out, to avoid any copyright issues, and prove this book is about a 'dream fulfillment' and what I hope to be the beginning of my book publishing career. As a single Mom of three boys now for 8 years I have struggled to succeed and have grown in ways which I never thought possible. I finished my BA in English and Women's History, and moved on to pursue my MA in Teaching, which I graduated with on September 11th, 2007. Although, I 'appear' to be poor, I am filled with 'riches'--spiritual ones! I hope this book serves as an

inspiration for all single Mom's--to never give up on your dreams, they are there, waiting for you to find them and if we are to keep 'hope' alive for us and our children, we must not give up.

Roca Springs Sweet Romance Amy Sparling, The Roca Springs Romance series is a collection of heart-warming, page-turning full-length romances that all feature a strong love story and a happy ending. This book includes all three books from the series: Book 1: Flirting with the Personal Trainer Dani Clarke has never been a beauty queen. She's been overweight her whole life and she's sick of it. She didn't graduate college and get a great job just to still be miserable and single. She needs to do something. She just doesn't know what. Brent Castro's dreams of being his own boss have finally come true. With his two best friends, he owns Roca Springs Fitness, the luxury gym his clients love. But the success isn't bringing him happiness. He's lonely. He wants a girl that's all his, not just some random fangirl comments on his fitness Instagram. When his co-owner gives out free memberships, Dani decides to risk utter humiliation and join up at the gym. She thinks Brent is way out of her league, but he falls for her the second he sees her and offers free personal training just so he can get close to her. Dani thinks training with this hot guy will give her the body

she wants, but what she doesn't realize is there's already someone who likes her just as she is. And he's right in front of her. Book 2: Flirting with the Boss Tasha Bryan is way too young to take on raising her sixteen year old niece, but she's doing it anyway. With no other family to support her, she's working long hours and barely scraping by. She doesn't have time for friends or relationships until she gets back on their feet. For now, all she wants is another job, and a part time gig at a gym fits perfectly with her schedule. Noah Hunter is a perfectionist. Owning and operating a local gym was his dream, and he loves his job but it's time to bring on some help. There hasn't been room in his life for a woman, but when he meets Tasha, suddenly his priorities change. She's the happiest part of his day, and he wants nothing more than to win her over. Tasha has been down this road before—trusting a handsome man and then getting her heart broken. She's not sure she wants to risk it again. There is too much at stake if she dates her boss. But flirting with him is starting to be the best part of her day. And once some lines are crossed, it's impossible to go back. Book 3: Flirting with the Bad Boy Lanie plays by the rules. Working at the family business has her constantly under the watchful eyes of her three older brothers. If she breaks any rules, they'll know about it. And if

she dates someone they don't approve of? Well, they won't allow it. Now that she's out of college, Lanie is tired of being treated like a kid. She decides to find a broody, bad influence and bring him home to the family. You know... just to annoy her brothers. She doesn't expect to fall in love.
