F. Charles Fensham

Casting Lots Elisheva Nesher, 2022-11-01 “In *Casting Lots*, Elisheva Nesher does not just present the system of using the aleph-beit to cast lots for spiritual guidance and wisdom, she also shows the range of divine beings and spiritual practices in ancient Canaan/Israel, as well as the modern polytheist revival. There is a warmth and generosity here towards all sides that we all can learn from.”
—Rachel Pollack, author of *Seventy-Eight Degrees of Wisdom* and *A Walk Through the Forest of Souls*

Lots are an ancient Hebrew form of divination and magic that may also be used for healing, blessing, cursing, meditation, and spiritual interaction. A set of lots contains twenty-two small discs, each one bearing one of the twenty-two letters of the Hebrew alphabet. In a manner similar to runes, these lots are then cast and interpreted. Though lots were once so common that explanations of how to cast them were unnecessary, over the centuries their methods and uses fell into obscurity. In this practical guide, author and seer Elisheva Nesher has reconstructed the ancient art of lot casting for modern times. Her book contains explanations for each of the twenty-two lots and explores their meanings,

both mystical and mundane. It also includes detailed instructions on how to cast, as well as craft your own set of lots. In addition to divination, Casting Lots explores the magical gifts of the lots as well as how to use them to contact and interact with the Hebrew spirits, such as Asherah. A brief guide is included for those unfamiliar with these spirits. Casting Lots is a complete instruction manual for mastering the art of lot casting.

Casting Lots Susan Silverman, 2016-03-29 From activist, speaker, mother of five, and rabbi Susan Silverman (sister of comedian Sarah): a funny, moving, sparkling memoir about home, identity, family, and faith.

The New Manners & Customs of Bible Times Ralph Gower, 2005-01 We know that John the Baptist ate locusts, but were they insects or sweet beans? Why did a fish swallow a coin that Jesus later used to pay the temple tax? How could walking beside a donkey have made Joseph a laughingstock? Good handling of biblical passages demands a working knowledge of the historical and cultural context from which it was written. This bestselling reference book contains colorful photography and artwork, as well

as maps, diagrams and charts. Additionally, there are scripture and topical indexes for quick fact-checking. Bible students and laypeople who teach in the church will benefit from and be fascinated by the helpful features of The New Manners and Customs of Bible Times.

Casting Lots William D. McEachern, 2014-01-28 The date is April 7, AD 30. Centurion Cornelius is crucifying a little-known religious leader and two thieves. Suddenly an earthquake occurs, and Cornelius is thrown to the ground and hits his head. When he arises, he proclaims, Truly, this man was the Son of God. What if you could interview Centurion Cornelius and record his story? Lucinius, a slave, is assigned this task. What Lucinius learns will forever change him and alter the course of history of Rome and of the world.

A Cast of Stones (The Staff and the Sword Book #1) Patrick W. Carr, 2013-02-01 2014 Carol Award Winner for Speculative The Fate of the Kingdom Awaits the Cast of Stones In the backwater village of Callowford, roustabout Errol Stone is enlisted by a church messenger arriving with urgent missives for the hermit priest in the hills. Eager for coin, Errol agrees to what he thinks will be an easy

task, but soon finds himself hunted by deadly assassins. Forced to flee with the priest and a small band of travelers, Errol soon learns he's joined a quest that could change the fate of his kingdom. Protected for millennia by the heirs of the first king, the kingdom's dynasty nears its end and the selection of the new king begins--but in secret and shadow. As danger mounts, Errol must leave behind the stains and griefs of the past, learn to fight, and discover who is hunting him and his companions and how far they will go to stop the reading of the stones. With an engaging, imaginative world that bristles with danger, characters that keep you guessing, and a story that sticks with you, *A Cast of Stones* will keep you devouring pages until the very end. I highly recommend it! --John W. Otte, author of *Failstate* Carr's debut, the first in a series, is assured and up-tempo, with much to enjoy in characterization and description--not least the homely, life-as-lived details. -Publishers Weekly This fast-paced fantasy debut set in a medieval world is a winner. Both main and secondary characters are fully drawn and endearing, and Errol's transformation from drunkard to hero is well plotted. Carr is a promising CF author to watch. Fans of epic Christian fantasies will enjoy discovering a new voice. Like

the preceding series title, Inescapable, this tale of suspense offers a colorful cast of characters, small-town drama, and a hint of romance. A sure bet for fans of Hannah Alexander. --Library Journal [Good fantasy books] have to be excellent. Good storytelling and exceptional characters with circumstances that are easy enough to follow and wrap your brain around but keep you entertained and guessing... Cast of Stones has found itself firmly in that list of books. I absolutely, one hundred percent loved this book. --Radiant Lit

Forbidden Oracles? AnneMarie Luijendijk,2014-08-01 This book centers on The Gospel of the Lots of Mary, a previously unknown text preserved in a fifth- or sixth-century Coptic miniature codex. It presents the first critical edition and translation of this new text. My book is also a project about religious praxis and authority, as I situate the manuscript within the context of practices of and debates around divination in the ancient Mediterranean world.--Preface, p. [vii].

The Exhaustive Concordance of the Bible James Strong,1890

'Salem's Lot Stephen King,2008-05-06 #1 BESTSELLER • Ben Mears has returned to

Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. But when two young boys venture into the woods, and only one returns alive, Mears begins to realize that something sinister is at work. In fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar, idyllic locale.

Selected Messages Book 2 Ellen G. White, 2006

Just Do Something Kevin DeYoung, 2014-03-21 OVER 300,000 COPIES SOLD! Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small

voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.

Confessions of a Casting Director Jen Rudin, 2013-12-17 A must-have for any aspiring actor or stage parent--the definitive guide to breaking into film, television, theater, and even YouTube from a top casting director Packed with information that aspiring actors clamor for, this up-to-the-minute advice from a true expert is essential reading for anyone pursuing an acting career. Longtime casting director Jen Rudin demystifies the intimidating and constantly changing audition process, sharing insider tips on how to prepare for every type of audition, from musical theater, television (including

reality TV), and film to voice-overs, animated movies, and even Web series. In this comprehensive guide, Rudin covers everything that today's actor needs to succeed on subjects like: finding an agent or manager, using technology to your advantage, understanding the world of child acting, living in New York versus L.A., turning a callback into an offer for the role, and many more. Every actor should walk into an audition room feeling confident and prepared, and this book is full of the dos and don'ts and surefire tricks to help turn rejection into that first big break. Complete with checklists, easy-to-follow game plans, and advice from successful actors, agents, and industry professionals, *Confessions of a Casting Director* is like having a private audition coach in your back pocket.

The Books of Ezra and Nehemiah F. Charles Fensham, 1982 Providing clear exposition based on solid contemporary scholarship, this commentary by F. Charles Fensham examines the books of Ezra and Nehemiah—two books of Scripture that are especially important for understanding the last century of Old Testament Jewish history and for marking the beginnings of Judaism. A biblical scholar well known for his expertise in ancient Near Eastern studies, especially Ugaritic, Fensham places Ezra and

Nehemiah against the ancient Near Eastern environment. In his introduction Fensham discusses the original unity of the books as well as the problems of authorship. He then treats the historical and religious background of the books, taking special note of the development of a Jewish religious society in postexilic times. Text and language are examined next, followed by a thorough bibliography. The commentary proper, based on Fensham's own fresh translation of the biblical texts, is richly documented and displays cautious good judgment, willingness to consider different options, a sensible approach, and keen insight into the religious meaning of these key Hebrew texts.

De Sortibus Thomas Aquinas, 2021-01-13 This book makes *De Sortibus*, Thomas Aquinas's letter to a friend on the casting of lots, available in clear English for the first time. The letter was written around 1270 and was prompted by the question of whether lots could be used to seek God's will in the appointment of a bishop. We've all tossed a coin, or pulled straws to see who goes first, or opened the Bible to see if we could resolve an issue with a message from God. These are the kinds of things that Aquinas talks about to show us when casting lots is a good idea and when it's just

superstition. The translation is accompanied by an introduction that sets the letter in its historical context, a brief overview of the life of Thomas Aquinas, and eight short essays that shine light from different angles onto this delightful work. This letter serves as a great gateway into the thought and method of one of the world's greatest thinkers.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Snappsy the Alligator (Did Not Ask to Be in This Book) Julie Falatko,2016-02-02 Snappsy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snappsy reading a book ... or is he making CRAFTY plans? Is Snappsy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snappsy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P? What's the truth? Snappsy

the Alligator (Did Not Ask to Be in This Book) is an irreverent look at storytelling, friendship, and creative differences, perfect for fans of Mo Willems.

Free of Charge Miroslav Volf, 2009-08-30 We are at our human best when we give and forgive. But we live in a world in which it makes little sense to do either one. In our increasingly graceless culture, where can we find the motivation to give? And how do we learn to forgive when forgiving seems counterintuitive or even futile? A deeply personal yet profoundly thoughtful book, Free of Charge explores these questions--and the further questions to which they give rise--in light of God's generosity and Christ's sacrifice for us. Miroslav Volf draws from popular culture as well as from a wealth of literary and theological sources, weaving his rich reflections around the sturdy frame of Paul's vision of God's grace and Martin Luther's interpretation of that vision. Blending the best of theology and spirituality, he encourages us to echo in our own lives God's generous giving and forgiving. A fresh examination of two practices at the heart of the Christian faith--giving and forgiving--the Archbishop of Canterbury's Lenten study book for 2006 is at the same time an introduction to

Christianity. Even more, it is a compelling invitation to Christian faith as a way of life. Miroslav Volf, one of the most celebrated theologians of our day, offers us a unique interweaving of intense reflection, vivid and painfully personal stories and sheer celebration of the giving God . . . I cannot remember having read a better account of what it means to say that Jesus suffered for us in our place. -- Dr. Rowan Williams, Archbishop of Canterbury

The Crying of Lot 49 Thomas Pynchon, 2012-06-13 The highly original satire about Oedipa Maas, a woman who finds herself enmeshed in a worldwide conspiracy, meets some extremely interesting characters and attains a not inconsiderable amount of self-knowledge.
