Itzik Ben-Gan

The 761st "Black Panther" Tank Battalion in World War II Joe Wilson, 1999-01-01 Their motto was Come Out Fighting, and that they did without fail. The 761st Tank Battalion - the famed Black Panthers - was the first African American armored unit to enter combat, and in World War II they fought in four major Allied campaigns and inflicted 130,000 casualties on the German army. And the fighting was intense - only one out of every two Black Panthers made it home alive. This is the complete history of the 761st, told in large part through the words of the surviving members of the unit. Richly illustrated, this work recounts how the unit was given long overdue recognition - the Presidential Unit Citation and the Medal of Honor - in recent years.
