**Real Estate at a Crossroads** Gregory Charlop,2019-06-13 Your insider's guide to real estate success For the first time, mastermind Tom Ferry teams up with senior leaders from Redfin, eXp, Century 21, realtor.com, and top investors to teach you how to use technology to win in the real estate business. Written for agents, brokers, executives, or anyone considering a career in real estate, Real Estate at a Crossroads is your insider's guide. The book answers critical questions: Should you even go into real estate? How does a new agent succeed? Will computers replace real estate agents? Can you be a part-time real estate agent? How should you use social media? Will real estate commissions fall? What are iBuyers and how will they impact the industry? What's blockchain and Bitcoin? Do you need to worry about them? How can traditional real estate brokerages compete with virtual real estate companies? What are chatbots and virtual assistants? Should you use them? What's up with new technology like virtual and augmented reality, voice assistants like Alexa, and artificial intelligence? How can elite agents stay on top of their game? What is a social entrepreneur and how can you weave philanthropy into your business? Real Estate at a Crossroads features compelling interviews with eighteen real estate leaders. It will show you how the industry is changing and how you can use technology to make a killing! Periods of rapid change are the best time to make a fortune - and this book has the secrets you need to win at real estate.

**The End of 6%: How to Get the Real Estate Expertise You Need Without Paying Commission\* \*Unless You Want to** Mollie W. Wasserman,2010-09 Few transactions are as complex as real estate. Every situation, is different, and most of us don't do it often enough to get good at it. Without expert advice, For Sale By Owner (FSBO) can be a quagmire that costs you thousands of dollars and even generates expensive lawsuits. The real estate industry has been stuck in a 19th-century business model that offers one choice: work with a commission-based broker. But that model just doesn't work when you're trying to make decisions like: - Should I remodel-or buy something different? - Will I recoup the cost of this improvement when I sell? - How will that new highway, factory, or school affect my property value? - How much extra should I pay for a Green home? In this groundbreaking new model, Mollie Wasserman finally brings real estate into the 21st century. At last, you can get the expert advice and counsel you need, from qualified, certified Accredited Consultants in Real Estate (ACRE) -whether or not you actually sell or buy a property.

*Don't Look Behind You* Ann Rule,2011-11-29 I'LL BE WATCHING YOU Walking home on a dark night, you hear footsteps coming up behind you. As they get closer, your heart pounds harder. Who is closing in with dangerous intent—a total stranger? Or someone you know and trust? The answer is as simple as turning around, but don't look behind you . . . run. Ann Rule, who shared her own nerve-jangling account of unknowingly befriending sadistic sociopath Ted Bundy in *The Stranger Beside Me*, chronicles other fateful encounters with the hidden predators among us in this riveting collection, fifteenth in the bestselling series drawn from her personal files. First in line is a stunning case that spanned thirty years and took a determined detective to four states—ending, finally, in Alaska—where he unraveled not one but two murders. A second case appears to begin and end with the hunt for the Green River Killer, focusing on a Washington State man who was once cleared as a suspect in that deadly chain of homicides. But the millionaire property owner believed he had successfully buried his own murderous past and the awful truth behind his young wife's disappearance. She vanished soon after she left for a day at the Seattle World's Fair, and her three small children grew up believing their mother had abandoned them. But one amazing witness remained—the missing woman's best friend, who heard her last words in a frantic phone call—"He's coming!"—before the line went dead. Only since Robert Hansen's suicide has the monster within been revealed. In another true story, a petite woman went to a tavern, looking only for conversation and fun. Instead, she met violent death in the form of a seven-foot man who had seemed shy and harmless. You'll feel a chill as you uncover these and numerous other cases of unfortunate victims who made one tragic mistake: trusting the wrong person—even someone they'd known intimately, or thought they knew.
