Everybody Fights Kim Holderness, Penn

Holderness, 2021-03-30 A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand, not do battle—and maybe laugh a little more along the way. In *Everybody Fights*, couples will learn how to: Use magic words for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. *Everybody fights*. Marriage is messy. Marriage is work. But marriage is worth it. Fight for it!

The Ledge Jim Davidson, Kevin Vaughan, 2011-07-26

NEW YORK TIMES BESTSELLER • “The authors bring extreme climbing to life. . . . Perhaps no author can rationalize why some choose to risk their lives . . . for the thrill of conquering a mountain. *The Ledge* comes perilously close and tells a ripping true story at the same time.”—The Denver Post In June 1992, best friends Jim Davidson and Mike Price stood atop Washington’s Mount Rainier, celebrating what they hoped would be the first of many milestones in their lives as passionate mountaineers. Then their triumph turned tragic when a cave-in plunged them deep inside a glacial crevasse—the pitch-black, ice-walled hell of every climber’s nightmares. An avid adventurer since youth, Davidson was a seasoned climber at the time of the Rainier ascent. But the harrowing free fall left him challenged by nature’s grandeur at its most unforgiving. Trapped on a narrow frozen shelf, deep below daylight, he desperately battled crumbling ice, snow that threatened to bury him alive, and crippling fear of the inescapable chasm below—all the while struggling to save his fatally injured friend. Finally, alone, with little equipment and rapidly dwindling hope, he confronted a fateful choice: the certainty of a slow, lonely death or the near impossibility of an agonizing climb for life. A story of heart-stopping adventure, heartfelt friendship, fleeting mortality, and implacable nature, *The Ledge* chronicles the elation and grief, dizzying heights and punishing depths, of a journey to hard-won wisdom. “Plunges readers into a dark, icy chasm

from which escape seems impossible. Then it reveals the strength it takes to look up, and to start climbing.”—Jim Sheeler, winner of the Pulitzer Prize and author of the National Book Award finalist *Final Salute* “How [Davidson] rescued himself is the core of *The Ledge*, and its most gripping part. The physical effort and will involved are astonishing.”—*The Plain Dealer* “A moving portrait of friendship and loss.”—*The Wall Street Journal*

Amanda Wakes Up Alisyn Camerota, 2018-06-12

“Amanda Gallo is my kind of girl: funny, self-aware, and unable to resist a makeover. . . . I loved this novel.”

—Lauren Weisberger, author of *The Devil Wears Prada* and *When Life Gives You Lululemons* “Entertaining.” —*People*

When Amanda Gallo, fresh from the backwater of local TV, lands the anchor job of her dreams at FAIR News, she thinks she’s finally made it: a six-figure salary, wardrobe allowance, plenty of on-air face time, and a chance to realize her dreams, not to mention buy herself lunch. Instead, she finds her journalistic ideals shredded as she struggles to keep up with the issues in a ratings-crazed madhouse: battling for hair and makeup time; coping with her sexist (but scathingly handsome) coanchor, Rob; and showing Benji Diggs, her media maestro boss, that she’s got what it takes. As the news heats up in a hotly contested election season and a wildcard candidate, former Hollywood actor Victor Fluke, appears on the scene, Amanda’s pressure-cooker job gets hotter while her personal life unravels. Walking a knife’s edge between ambition and survival, and about to break the biggest story of her career, Amanda must decide what she’s willing to give up to get ahead—and what she needs to hold onto to save herself.

Liquor Store Theatre Maya Stovall, 2020-10-09 For six years Maya Stovall staged *Liquor Store Theatre*, a conceptual art and anthropology video project---included in

the Whitney Biennial in 2017---in which she danced near the liquor stores in her Detroit neighborhood as a way to start conversations with her neighbors. In this book of the same name, Stovall uses the project as a point of departure for understanding everyday life in Detroit and the possibilities for ethnographic research, art, and knowledge creation. Her conversations with her neighbors—which touch on everything from economics, aesthetics, and sex to the political and economic racism that undergirds Detroit's history—bring to light rarely acknowledged experiences of longtime Detroiters. In these exchanges, Stovall enacts an innovative form of ethnographic engagement that offers new modes of integrating the social sciences with the arts in ways that exceed what either approach can achieve alone.

This Is the Fire Don Lemon, 2021-03-16 In this vital book for these times (Kirkus Reviews), Don Lemon brings his vast audience and experience as a reporter and a Black man to today's most urgent question: How can we end racism in America in our lifetimes? The host of CNN Tonight with Don Lemon is more popular than ever. As America's only Black prime-time anchor, Lemon and his daily monologues on racism and antiracism, on the failures of the Trump administration and of so many of our leaders, and on America's systemic flaws speak for his millions of fans. Now, in an urgent, deeply personal, riveting plea, he shows us all how deep our problems lie, and what we can do to begin to fix them. Beginning with a letter to one of his Black nephews, he proceeds with reporting and reflections on his slave ancestors, his upbringing in the shadows of segregation, and his adult confrontations with politicians, activists, and scholars. In doing so, Lemon offers a searing and poetic ultimatum to America. He visits the slave port where a direct ancestor was shackled and shipped to

America. He recalls a slave uprising in Louisiana, just a few miles from his birthplace. And he takes us to the heart of the 2020 protests in New York City. As he writes to his young nephew: We must resist racism every single day. We must resist it with love.

Mommy Burnout Dr. Sheryl G. Ziegler, 2018-02-20 The ultimate must-read handbook for the modern mother: a practical, and positive tool to help free women from the debilitating notion of being the perfect mom, filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you over being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most liked photos, and serves delicious, nutritious home-cooked meals in her neat,

organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to mommy burnout. Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with families and children, Dr. Z has devised a prescriptive program for addressing mommy burnout—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

Being a Dad Is Weird Ben Falcone, 2017-05-16 A funny and intimate look at fatherhood from the actor and writer/director of *The Boss* and *Tammy* that combines stories about his own larger-than-life dad and how his experiences raising two daughters with his wife, Melissa McCarthy, who also penned the Foreword, are shaped by his own childhood. Though he's best known for his appearances in the movie *Enough Said*, as well as his hilarious role as Air

Marshall Jon in *Bridesmaids*, Ben Falcone isn't a big shot movie star director at home. There, he's just dad. In this winning collection of stories, Ben shares his funny and poignant adventures as the husband of Melissa McCarthy, and the father of their two young daughters. He also shares tales from his own childhood in Southern Illinois, and life with his father—an outspoken, brilliant, but unconventional man with a big heart and a somewhat casual approach to employment named Steve Falcone. Ben is just an ordinary dad who has his share of fights with other parents blocking his view with their expensive electronic devices at school performances. Navigating the complicated role of being the only male in a house full of women, he finds himself growing more and more concerned as he sounds more and more like his dad. While Steve Falcone may not have been the briefcase and gray flannel suit type, he taught Ben priceless lessons about what matters most in life. A supportive, creative, and downright funny dad, Steve made sure his sons' lives were never dull—a sense of adventure that carries through this warm, sometimes hilarious, and poignant memoir.

Vice Patrol Anna Lvovsky, 2021-05-28 *Vice Patrol: Cops, Courts, and the Struggle over Urban Gay Life* chronicles how local police and criminal justice systems intruded on gay individuals, criminalizing, profiling, surveilling, and prosecuting them from the 1930's through the 1960's. Anna Lvovsky details the progression of enforcement strategies through the targeting of gay-friendly bars by liquor boards, enticement of sexual overtures by plainclothes police decoys, and surveilling of public bathrooms via peepholes and two-way mirrors to catch someone in the act. Lvovsky shows how the use of tactics indistinguishable from entrapment to criminalize homosexual men in public and private spaces produced

charges brought forward and disputed by attorneys and evidence that had to stand before judges, who at times intervened against punitive policies. In *Vice Patrol* the author demonstrates how developments in the psychological, medical, and sociological handling of homosexuality filtered into police stations, courthouses, and the wider culture--

Fox News and American Politics Dan

Cassino, 2016-04-14 In recent years, scholars have argued that the ability of people to choose which channel they want to watch means that television news is just preaching to the choir, and doesn't change any minds. However, this book shows that the media still has an enormous direct impact on American society and politics. While past research has emphasized the indirect effects of media content on attitudes – through priming or framing, for instance – Dan Cassino argues that past data on both the public opinion and the media side wasn't detailed enough to uncover it. Using a combination of original national surveys, large scale content analysis of news coverage along with data sets as disparate as FBI gun background checks and campaign contribution records, Cassino discusses why it's important to treat different media sources separately, estimating levels of ideological bias for television media sources as well as the differences in the topics that the various media sources cover. Taking this into account proves that exposure to some media sources can serve to actually make Americans less knowledgeable about current affairs,

and more likely to buy into conspiracy theories. Even in an era of declining viewership, the media – especially Fox News – are shaping our society and our politics. This book documents how this is happening, and shows the consequences for Americans. The quality of journalism is more than an academic question: when coverage focuses on questionable topics, or political bias, there are consequences.

PopMatters.com's Best of 2014 Fiction Winner of the 2014 LA Times Book Prize for Fiction Finalist for the 2014 Kirkus Prize Hailed by The Washington Post as "Siri Hustvedt's best novel yet, an electrifying work," *The Blazing World* is a masterful novel about perception, prejudice, desire, and one woman's struggle to be seen. In a new novel called "searingly fresh... A Nabokovian cat's cradle" on the cover of The New York Times Book Review, the internationally bestselling author tells the provocative story of artist Harriet Burden, who, after years of having her work ignored, ignites an explosive scandal in New York's art world when she recruits three young men to present her creations as their own. Yet when the shows succeed and Burden steps forward for her triumphant reveal, she is betrayed by the third man, Rune. Many critics side with him, and Burden and Rune find themselves in a charged and dangerous game, one that ends in his bizarre death. An intricately conceived, diabolical puzzle presented as a collection of texts, including Harriet's journals, assembled after her death, this "glorious mashup of storytelling and scholarship" (San Francisco Chronicle) unfolds from multiple perspectives as Harriet's critics, fans, family, and others offer their own conflicting opinions of where the truth lies. Writing in Slate, Katie Roiphe declared it "a spectacularly good read...feminism in the tradition of Simone de Beauvoir's *The Second Sex* or Virginia Woolf's *A Room of One's Own*: richly complex, densely psychological, dazzlingly nuanced." "Astonishing, harrowing, and utterly, completely engrossing" (NPR), Hustvedt's new novel is "*Blazing* indeed:...with agonizing compassion for all of wounded humanity"(Kirkus Reviews, starred review). It is a masterpiece that will be remembered for years to come.

Foxocracy Tobin Smith, 2019-10-29 From a 14-year Fox News contributor, guest anchor, and two-time New York Times bestselling author comes an unprecedented insider's account of the Fox News playbook--the production secrets

and manipulation strategies Fox News uses to influence viewers, divide families, weaponize the daily discourse of news and public opinion, and addict a core audience on right-wing rage and fear. Fox News did not start America's culture war--but they did have the manipulative and destructive genius to exploit it for billions of dollars. For the first time, a Fox News veteran exposes and diagrams the toxic strategies and tactics within the Fox News playbook that liberal and progressive candidates will be fighting against in 2020 and beyond. It is the very same playbook that Fox News used to move twelve percent of Independents to vote for Donald Trump in 2016 to produce Republican wins in the previous Democrat strongholds of Ohio, Wisconsin, and Pennsylvania. Author Tobin Smith takes readers behind the scenes of the actual production of the fair and balanced opinion panel segments that feed a ravenous audience. How are these productions rigged so that right-wing pundits always win? What techniques does Fox News use in manipulating its viewers' tribal instincts: to addict them; to activate a hatred toward partisan enemies; and to hook them on ego-gratifying feelings of intellectual and cultural superiority? Foxocracy is filled with never-revealed conversations with Fox News executives--including the late Roger Ailes--and opinion programming producers. It breaks down the real and often heartbreaking collateral damage among friends and family caused by the waging of an endless culture war. And it brings incendiary proof from an insider and on-air talent of Fox News's predatory audience manipulation psychology and production tactics. And perhaps even more frightening, this book reveals how that playbook is now being insidiously upgraded for maximum effect--white tribal-identity activation--on all forms of social media and means of content delivery.
