Emily Freeman

The Cheat Sheet Sarah Adams, 2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in

to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.

The Employee Experience Advantage Jacob Morgan, 2017-03-01 Research Shows Organizations That Focus on Employee Experience Far Outperform Those That Don't Recently a new type of organization has emerged, one that focuses on employee experiences as a way to drive innovation, increase customer satisfaction, find and hire the best people, make work more engaging, and improve overall performance. The Employee Experience Advantage is the first book of its kind to tackle this emerging topic that is becoming the #1 priority for business leaders around the world. Although everyone talks about employee experience nobody has really been able to explain concretely what it is and how to go about designing for it...until now. How can organizations truly create a place where employees want to show up to work versus need to show up to work? For decades the business world has focused on measuring employee engagement meanwhile global engagement scores remain at an all time low despite all the surveys and institutes that been springing up tackle this problem. Clearly something is not working. Employee engagement has become the short-term adrenaline shot that organizations turn to when they need to increase their engagement scores. Instead, we have to focus on designing employee experiences which is the long term organizational design that leads to engaged employees. This is

the only long-term solution. Organizations have been stuck focusing on the cause instead of the effect. The cause is employee experience; the effect is an engaged workforce. Backed by an extensive research project that looked at over 150 studies and articles, featured extensive interviews with over 150 executives, and analyzed over 250 global organizations, this book clearly breaks down the three environments that make up every single employee experience at every organization around the world and how to design for them. These are the cultural, technological, and physical environments. This book explores the attributes that organizations need to focus on in each one of these environments to create COOL spaces, ACE technology, and a CELEBRATED culture. Featuring exclusive case studies, unique frameworks, and never before seen research, The Employee Experience Advantage guides readers on a journey of creating a place where people actually want to show up to work. Readers will learn: The trends shaping employee experience How to evaluate their own employee experience using the Employee Experience Score What the world's leading organizations are doing around employee experience How to design for technology, culture, and physical spaces The role people analytics place in employee experience Frameworks for how to actually create employee experiences The role of the gig economy The future of employee experience Nine types of organizations that focus on employee experience And much more! There is no question that engaged employees perform better, aspire higher, and achieve more, but you can't create

employee engagement without designing employee experiences first. It's time to rethink your strategy and implement a real-world framework that focuses on how to create an organization where people want to show up to work. The Employee Experience Advantage shows you how to do just that.

The Enemy Sarah Adams, 2020-08-21 It's been twelve years since I've seen him. Twelve years since he won our war of wits by outsmarting me with a tactic I didn't even know was allowed. But tonight...I resurrect the battle. Ryan Henderson is back in town for our best friends' wedding, and I plan on showing him exactly how much I don't care about him--or the almost kiss he ruthlessly dangled over me after graduation. A lot has changed since our feuding days. I'm a successful bakery owner now, and I plan to rub every delicious

detail of my life in his ugly face. Just one problem: his face is gorgeous. He wasn't supposed to look like this or pursue me like a sexy guided missile. I must stay strong until the wedding is over and Ryan scurries back into whatever alternate universe he escaped from. His interest in me is nothing but a continuation of the games we played in high school...right? But the longer he stays, the more I wonder if I'm wrong and his tender smile and heated attentions are genuine. Maybe it's not a game. Ha! Who am I kidding? This is Ryan we're talking about. Of course it's a game. A game called war. And this time, I will win. The Enemy is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

The Jordan Peterson Cheat Sheet Ed D Annette Poizner Msw, 2021-02-28 'A picture tells a thousand words Many can benefit from the pearls that Jordan Peterson shares and many have found incredible inspiration in his teachings, but not everyone will tune in to lengthy lectures. If you have been heartened by Peterson's work and looking for a modality that might capture the interest of someone you know, this may be the right gift! Peterson describes a hallmark of truth, saying it snaps things together....You have a nature, and when you feel that nature articulated, it's like

the act of snapping the puzzle pieces together. In this work, the goal is to facilitate that type of revelation, by pairing compelling quotations with visual images which can then be colored! Using humor, word play and creative visual renderings, this work will unlock insight into self and other, detonating truth bombs that let readers peek into the infrastructure of reality and access some of the fascinating insights that underpin Jordan Peterson's worldview. In a resource designed to inspire growth, learning - and a cleaner room - the author provides an inroad, allowing readers to access teachings that have, to date, catalyzed many. Coloring books allow readers to reflect and focus, building concentration skills, this in an age characterized by distraction, busyness and skimming. The coloring book modality is designed to bring quiet back into life. As a modality, it also reinforces Peterson's message: 'what if you attended to each detail in your life like it mattered. Imagine what that outcome would look like!' Once introduced to memorable quotes and concepts, readers can follow up by watching Peterson's lectures. Additional journaling pages are provided for those who further explore Peterson's work to curate content, recording quotes as they come upon them. Annette Poizner, MSW, Ed.D., is a clinical social worker, therapist and community educator who has written extensively on the work and worldview of Dr. Jordan B. Peterson. Among the books she has written about the work of Jordan Peterson is Finding One Self: A Teenager's Guide to Jordan Peterson's Rules for Life. That book provides young readers with an

accessible treatment of many of the rules that Peterson discusses. Lobster University Press, publishes short volumes which unpack ideas introduced by Dr. Jordan Peterson in his talks and books. The materials published are designed to help people better integrate the material and tweak that most important of abilities: the capacity to turn chaos into habitable order! These works will be the product of discourse and exchange with others interested in Peterson's work, as we continue to mine the depth of his opus and explore interesting and helpful applications.
