Governance and Food Security in an Age of Globalization

Robert L. Paarlberg, 2002-01-01 Commissioned by the International Food Policy Research Institute, this discussion paper asks who is responsible for assuring food security in an age of globalization? Paarlberg (political science, Wellesley College) argues that significant hunger persists in some regions largely because of governance deficits and failures at the national, rather than the global, level. He then suggests options for improving the performance of national governments in countries increasingly affected by hunger (particularly those in Africa). Annotation c. Check Your English Vocabulary for Medicine Bloomsbury Publishing, 2009-01-01 Check Your English Vocabulary for Medicine is a workbook designed to help learners of English improve their knowledge and understanding of core medical terminology. The workbook includes crosswords, puzzles and word games to test and build specialist English vocabulary. The combination of self-study exercises and practical speaking activities mean that this book is ideal for both home and class-based study.

Check Your Vocabulary for Natural Collocations Jon Marks, Alison Wooder, 2007-09-03 Check Your Vocabulary workbooks are aimed at non-native speakers who want to build essential vocabulary and learn to speak fluent and natural-sounding English. For example, in English we use different words to describe different types of food when they go bad. We can describe meat as rotten, cheese as mouldy, milk as sour and butter as rancid - but we would not say sour meat, or rotten milk. Knowing how words are naturally used together is known as collocation. A good knowledge of these word combinations greatly improves the style of written and spoken language for non-native speakers. Knowledge of collocations is often tested in exams such as IELTS, TOEFL and TOEIC. Containing a range of word games,

quizzes and exercises, this workbook will help intermediate learners to develop core language skills in a challenging, yet entertaining way.

Improve Your Word Power Caroline Taggart, 2019-07-11 Put your vocabulary skills to the test with this witty and engaging book. *Improve Your Word Power* is primarily a collection of multiple-choice challenges in which the reader is asked to decide which definition of a given word is correct. But it's actually so much more than that. Each topic is themed - from words borrowed from French to words about colours; words from Shakespeare to words that sound alike - and the answers are wonderfully informative and accessible, each giving readers the chance to say 'Gosh! I didn't know that!' even with quite familiar words. Interspersed throughout are boxes that feature odd definitions, confusable words and fun facts that make the language come to life. Written by Sunday Times bestselling author Caroline Taggart, this is a book that is aimed at readers who want to improve their vocabulary for the sheer enjoyment of it - and have fun doing so.
