William D. Rouse

Plucked Again William D. Rouse,2000 Hurriedly preparing his broiler-chicken houses for impending delivery of chicks, Flanker Fitzroy is accidentally knocked unconscious. Coming to, disoriented, he discovers he has no memory of whom, or where, he is. A strange, oversized, English-speaking chicken he nicknames MAC takes over, convincing Flanker that he needs his clairvoyance and magical powers to forestall ruin. It seems Flanker has mortgaged his future for semi-obsolete chicken houses and a rundown manor house on a saltwater farm. MAC will guide him and provide the labor. Except for Flanker's lovely and loving wife Miss Lil, prospects are bleak. Yet, bonds of friendship between man and chicken mentor grow as they stave off the mortgage-holder, defeat oyster pirates in a nighttime battle and counter-terrorize the errant cropduster who buzzes the chicken houses, while quieting the evil bankers who want Flanker's hide. Meanwhile, Flanker has a brief tryst with gorgeous Wanda, parties at a nude beach, and is trapped in a riot. Later, he saves his fellow hostages in a robbery, but is severely injured. Recuperating, his past is revealed and his wife's deep love proved, as they triumph over all disaster.

Chick'N Charlie Christine Carlisi Manzi,2018-04-26 Chickn Charlie is a memoir about a New York family navigating the uncharted waters of post WWII and working to build a good life after the war. Because of the historical upheavals of this time period, the Greatest Generation, full of hope and dreams for their children, did their best to manage the effects of the 60s, rock n roll, and the accompanying drug culture. Unfortunately, this family found itself battling to stem the tide of addiction consuming one of its members. Filled with artifacts, the book portrays the pain, joy, strength, perseverance, and limitations experienced during this familys struggle. The reader gets a glimpse at the realities of dealing with a beloved son/brother addict. As America once again faces the scourge of widespread addiction, this very personal story is universal.

Nalley, A Southern Family Story Evelyn McCollum,2002-12-26 Nalley, A Southern Family Story is filled with stories that make the Nalley family come alive. This book is not a genealogical record, although genealogy is included. The opening chapter portrays the illustrious life of the enigmatic patriarch, George Burdine Nalley. An active minister in the Wesleyan church for eleven years, he fell from grace because of his involvement with another woman, and he had the audacity to bring the other woman to live in the house with his wife, Emma Burns, and their children. The next twelve chapters depict the lives of the twelve children—nine boys and three girls. Since all of them are deceased, their stories were written by their children as they remember their parents and their own childhoods. These stories give a picture of life in a less sophisticated time in the rural south when people lived off the land and had none of the modern conveniences that we enjoy today. Nalley, A Southern Family Story chronicles 170 years in the life of a family. In one chapter, the dates of births, marriages and deaths of this line of the family are interwoven into national and world events. Another chapter gives statistical information on the numerous family members, including a chronological list of the births, marriages and deaths of the twelve children and ninety-four grandchildren. Newspaper clippings are included of the obituaries of the twelve children and their spouses as well as accounts of the tragic deaths which have occurred. Information on places and events pertinent to the family is recorded. The family reunion which began the year after George Burdine's untimely death in 1914 and continues to this day. Camp meeting, where families lived for two weeks under conditions even more primitive than at home, while they worshipped their God, got caught up on family news, and renewed acquaintance with old friends. Fairview Methodist Church where many baptisms, weddings and funerals of the Nalley clan took place and where many of them are buried. Central Wesleyan College, which the Rev. G. B. Nalley was instrumental in founding. This is a book that you can sit down and read, but it is more than that. It is a reference book that you can refer to over and over again when you are discussing family, trying to remember who was older, who married first, when someone died, and the endless number of other facts and fallacies that we Nalleys talk and argue about when we get together. In addition, this book is a social history of the way life was lived "in those days" as Daddy used to say. When I think of how much change has occurred in the last one hundred years, I am grateful that we have this written record of how our forefathers and foremothers actually lived. Here it is, as complete as I can make it—the history of the George Burdine and Emma Burns Nalley family. I hope you enjoy reading it and referring to it as much as I have enjoyed putting it together. If you have a drop of Nalley blood flowing through your veins, you will want to own a copy of this book for your library.

A Kind of Madness Uche Okonkwo,2024-04-16 "Steady-handed and gut-punching. I'm in awe."—NoViolet Bulawayo An Oprah Daily Most Anticipated Book of 2024 A searing, unflinching collection of stories set in Nigeria that explores themes of community expectations, familial strife, and the struggle for survival. A teenage girl from a poor family is dazzled by her rich, vivacious friend, but as the friend's behavior grows unstable and dangerous, she must decide whether to cover for her or risk telling the truth to get her the help she needs. A young woman and her mother bask in the envy of their neighbors when the woman receives an offer of marriage from the family of a doctor living in Belgium—though when the offer fails to materialize, that envy threatens to turn vicious, pitting them both against their community. And a lonely daughter finds herself wandering a village in eastern Nigeria in an ill-fated quest, struggling to come to terms with her mother's mental illness. In ten vivid, evocative stories set in contemporary Nigeria, Uche Okonkwo's A Kind of Madness unravels the tensions between mothers and daughters, husbands and wives, best friends, siblings, and more, marking the arrival of an extraordinary new talent in fiction and inviting us all to consider the question: why is it that the people and places we hold closest are so often the ones that drive us to madness?

Peace Meals Anna Badkhen,2011-10-25 Provides not only an unsparing and intimate history of some of the last decade's most vicious conflicts but also the most human elements that transcend the dehumanizing realities of war: the people, the compassion they scraped from catastrophe, and the food they ate. Making palpable the day-to-day life during conflicts and catastrophes, Badkhen describes not just the violence but also the beauty of events that take place even during wartime. Throughout Badkhen's stories, punctuated by recipes from the meals she shared with the people she encountered, emerges the most important lesson she has observed in conflict zones from Afghanistan to Chechnya: that war can kill our friends and decimate our towns, but it cannot destroy our inherent decency, generosity, and kindness--that which makes us human. --From publisher description.

A Penny Dip Meg Hutchinson,2010-03-10 One of five sisters, Margaret Rose Astbury grew up in Wednesbury during the first half of the twentieth century. Despite the constant struggle to make ends meet, and the hardship and worry of wartime, life in the Black Country was not all doom and gloom. In the crowded terraced houses and teeming communal yards, there was love and laughter aplenty. Meg was no angel, and was often up to her armpits in mischief. But she knew she could rely on her sisters to stick up for her and her mom and dad were too soft-hearted to punish any of their beloved daughters. With all the humour and narrative skill that have made her novels bestsellers, Meg Hutchinson paints a loving portrait of family life in a more innocent age.

August Wilson Mary Ellen Snodgrass,2015-03-10 Award-winning African-American playwright August Wilson created a cultural chronicle of black America through such works as Ma Rainey's Black Bottom, Fences, Joe Turner's Come and Gone, The Piano Lesson, and Two Trains Running. The authentic ring of wit, anecdote, homily, and plaint proved that a self-educated Pittsburgh ghetto native can grow into a revered conduit for a century of black achievement. He forced readers and audiences to examine the despair generated by poverty and racism by exploring African-American heritage and experiences over the course of the twentieth century. This literary companion provides the reader with a source of basic data and analysis of characters, dates, events, allusions, staging strategies and themes from the work of one of America's finest playwrights. The text opens with an annotated chronology of Wilson's life and works, followed by his family tree. Each of the 166 encyclopedic entries that make up the body of the work combines insights from a variety of sources along with generous citations; each concludes with a selected bibliography on such relevant subjects as the blues, Malcolm X, irony, roosters, and Gothic mode. Charts elucidate the genealogies of Wilson's characters, the Charles, Hedley, and Maxson families, and account for weaknesses in Wilson's female characters. Two appendices complete the generously cross-referenced work: a timeline of events in Wilson's life and those of his characters, and a list of 40 topics for projects, composition, and oral analysis.

Golden Age Wang Xiaobo,2022-07-26 At the time Wang was writing, novels about the Cultural Revolution tended to be fairly conventional tales of how good people suffered nobly during this decade of madness. The system itself was rarely called into question. Wang's book was radically different . . . The idea of how to stand up to power underlies Golden Age. --Ian Johnson, The New York Times Book Review Like Gary Shteyngart or Michel Houellebecq, Wang Xiaobo is a Chinese literary icon whose satire forces us to reconsider the ironies of history. "Apparently, there was a rumour that Chen Qingyang and I were having an affair. She wanted me to prove our innocence. I said, to prove our innocence, we must prove one of the following: 1. Chen Qingyang is a virgin; 2. I was born without a penis. Both of these propositions were hard to prove, therefore, we couldn't prove our innocence. Infact, I was leaning more toward proving that we weren't innocent." And so begins Wang Er's story of

his long affair with Chen Qinyang. Wang Er, a 21-year-old ox herder, is shamed by the local authorities and forced to write a confession for his crimes but instead, takes it upon himself to write a modernist literary tract. Later, as a lecturer at a chaotic, newly built university, Wang Er navigates the bureaucratic maze of 1980’s China, boldly writing about the Cultural Revolution’s impact on his life and those around him. Finally, alone and humbled, Wang Er must come to terms with the banality of his own existence. But what makes this novel both hilarious and important is Xiaobo’s use of the awkwardness of sex as a metaphor for all that occurred during the Cultural Revolution. This achievement was revolutionary in China and places Golden Age in the great pantheon of novels that argue against governmental control. A leading icon of his generation, Wang Xiaobo’s cerebral and sarcastic narrative is a reflection on the failures of individuals and the enormous political, social, and personal changes in 20thcentury China.
