*Freedom Chickens* Yocheved Artzi, 2011-09 When Grandpa Israel decided to raise chickens in his big green yard, he wanted them to have all the freedom in the world and to grow up eating healthy, natural food, laying eggs wherever they wanted. One day, to his dismay, Grandpa Israel discovers one of the chickens, Lonely Chicken, always strolls alone. Realizing that Lonely Chicken is struggling to be a part of a group and be accepted by her sister chickens, Grandpa Israel sets out to see what he can do to help. When Lonely Chicken begins laying eggs, a big surprise is revealed. Her sisters are amazed! What is this phenomenon that causes Lonely Chicken's life to change? *Freedom Chickens: The Story of Lonely Chicken* will delight and entertain young and old readers alike, becoming a cherished book for the entire family. An Israeli writer who divides her life between her native country and the United States, Yocheved Artzi

Providence & Rhode Island Chef's Table Linda Beaulieu, 2014-06-17 The state of Rhode Island is so small, it's more like a city-state with just about everything within easy driving distance. Rhode Island really is like one big city where you can drive thirty minutes in any direction and find a restaurant worthy of your time and money. Rue de l'Espoir and Pot au Feu were the early pioneers, serving French cuisine and bistro fare. Al Forno and New Rivers opened in 1980, both garnering national acclaim for their Modern Italian cuisine and New American cuisine, respectively. Not surprisingly, these four wonderful restaurants are still in business today. Their continued success is a testament to their culinary vision. It was those venerable restaurants and chefs that brought media attention to little Rhode Island, but so many chefs and restaurateurs deserve to be mentioned: If Rhode Island had a foodie hall of fame, these well-established culinary stars would all deserve a place there. Standing on their shoulders is a whole new generation of young chefs, members of the new progressive food movement. They are equally passionate about their food and where it comes from. They have all formed close ties to local farmers and fishermen to ensure the freshest possible ingredients are delivered regularly to their kitchens. With 100 recipes for the home cook from the state's most celebrated eateries and showcasing full-color photos featuring mouth-watering dishes, famous chefs, and lots of local flavor, *Providence & Rhode Island Chef's Table* is a feast for the eyes as well

as the palate. The delicious dishes featured here are personal histories—stories of people, place. Each recipe, chef profile, and photo tells its part of the story of Rhode Island.

Bear and Chicken Jannie Ho, 2017-11-14 Humor, a surprise ending, and an unlikely friendship make Bear and Chicken fall into the ranks with Mo Willems and Dev Petty, and the soup recipe at the end will inspire young chefs to get into the kitchen and cook! When Bear finds a chicken frozen in the winter snow, he brings it home to try to defrost it. As Chicken thaws-um, awakens-he fears that Bear is actually prepping to eat him. Oh no! All signs are pointing to a fateful end for Chicken-being wrapped like a burrito, chopped basil and veggies sitting on the counter, the huge pot on the stove that's just the right size for a chicken to fit inside. It's almost time for lunch, so Chicken makes a run for it! But in the end, Chicken learns that perhaps he too quickly jumped to conclusions. This funny and clever friendship tale teaches kids that things are not always as they seem, while learning a thing or two about making soup with a friend!

**The Secret Lives of Chickens** Sunny Franson, 2013-02 Like chickens? The Secret Lives of Chickens, or Tales from the Chickenyard and Beyond describes life with chickens, chicken behavior, and chicken community, a hidden life that isn't generally associated with chickens. There are tales about chickens and their pecking order in the chicken house, chicken yard, and out in the great beyond, which was the creek and fields nearby. The times and places seem simpler but actually are not, because of the feathered inhabitants within. Although the chickens and their lives are the main characters, The Secret Lives of

Chickens relates stories about other birds and animals around the chickens. Chickens have their own culture that is more complex than we assume. They are stalwart little feathered beings that live with equanimity in the world around them, following the time-honored rules of the flock, day-in and day-out, in a generally pleasant and peaceful frame of mind. These are tales that happened over many years' time, but with chickens, it seems there is always more to learn. Each and every life is deeply touched by something or someone special. It doesn't matter who or what it is, because the soul recognizes and responds to what is honest and true, to a bright sunflower, to endless, soothing ocean waves, and to the soft cooing of contented chickens.

*The Chicken Dance* Jacques Couvillon, 2007-08-21 When eleven-year-old Don Schmidt wins a chicken-judging contest in his small town of Horse Island, Louisiana and goes from outcast to instant celebrity, even his neglectful mother occasionally takes notice of him, which leads to the discovery of some shocking family secrets.

*The Chicken of the Family* Mary Amato, 2008 When her older sisters tease her into believing that she is actually a chicken, Henrietta runs off to a farm to be among her own kind.

Louis, and an activity director for the past thirty-eight years. Her personal hobbies include prayer, reading, music, sewing, running, cooking, and traveling with her husband, family, and friends.
