The Chicken Runs at Midnight Tom Friend,2018-10-02 Discover the nearly unbelievable true story of how a goofy catchphrase spoken by a coach's dying daughter inspired the 1992 Pittsburgh Pirates in game seven of the National League Championship Series and later became a sign from heaven to a grieving family at the end of game seven of the 1997 World Series. As a Major League Baseball coach, Rich Donnelly was dedicated, hardworking, and successful. But as a husband and father, he was distant, absent, and a failure. He'd let baseball take over his life, and as a result, his family suffered--that is, until the day he received some harrowing news. Dad, I have a brain tumor, and I'm sorry. These words from his seventeen-year-old daughter, Amy, turned his world upside down. Now, more than ever, he was determined to put his family first. The time they spent together in the months before Amy's death were moments that Rich and his family will treasure forever, but they'll especially remember the inside joke that became a catchphrase for not only the Donnelly family but also the Pittsburgh Pirates as they played in the National League Championship Series that year: The chicken runs at midnight. This book shares the heartwarming story behind the odd catchphrase--and how it still lives on as a symbol for never giving up--and proves that God can work in any person's life, even despite their mistakes and failures. As you learn more about Amy's incredible story, you'll discover: The life-changing power of forgiveness How to find peace and joy in the midst of loss The gift of God's grace Weaving baseball history with personal memoir, this book is one that will make you thrill to victory, believe in hope, and stand up to cheer for what is good in people's lives. It reminds us that God can work in our lives even when we think it's too late to change--and sometimes he sends us signs from heaven, if we only have eyes to see. Praise for *The Chicken Runs at Midnight*: *The Chicken Runs at Midnight* is a beautiful story of baseball, family, and faith. Tom Friend does a wonderful job of weaving these three themes together and telling you a story that will give you the chills. You will cry; you will laugh; and you will tell the story over and over again--just as I have. --Craig Counsell, manager of the Milwaukee Brewers *The Chicken Runs at Midnight* is the kind of heartwarming story all of us need, not just baseball fans. In our loud, busy world, it's a poignant reminder of what is truly important. --Tom Verducci, bestselling author of *The Yankee Years* and *The Cubs Way*

The Chicken Run Lynne Whelon,2012-04-01 The year is 1955. Bill Haley is rocking the charts and teddy boys are emerging from shadowy street corners. It's a year of great change and, for four families in Churchill Street, East London, it's a year that none of them will ever forget. 'The Chicken Run' is set on a council estate built after the Second World War. Most of the story takes place in 1955 and 56. The main characters are the Potter family Billy, Kate and their nine year old son Jimmy. The Chicken Run is a story of children and adults who inhabit the same physical space but live in totally different worlds as most children in that era did. It takes the reader into an extreme scenario where fact and fiction become confused and lead to potentially disastrous conclusions. Throughout the novel there is a strong vein of East End humour, even in the darkest moments. On the surface it was maybe a much more brutal and prejudiced world than now but this is also a story about community spirit; how people stood together and supported each other.

Chicken Run Storybook ,2000 This humorous retelling of the movie captures the fun and excitement of Ginger and Rocky's daring and spectacular escape from Tweedy's chicken farm.

Chicken Run Brian Sibley, 2000 *Chicken Run* is the first feature film from Aardman Animation, the British 3-D animation studio that created the Academy Award-winning Wallace & Gromit short films. In this spirited comedy, to be released in the U.S. by DreamWorks in June 2000, a band of intrepid chickens led by an American rooster (the voice of Mel Gibson) and an English hen (Julia Sawalha of *Absolutely Fabulous*) bust out of their coop to avoid becoming chicken potpies -- and prove that some chickens are anything but. Here's the complete story of the making of this epic adventure. The book takes readers inside England's magical Aardman animation studio, where animators make movies (at a rate of four seconds per day) out of bits of clay, metal, paper, and wood. Based on extensive interviews with acclaimed directors Nick Park and Peter Lord and their gifted team of stop-action animation artists, and reproducing a wealth of visual material, the book is the next best thing to spending every day for three years building and playing with model chickens
