**May you choose the best** Andreino, That night you called me for sex, but I came to make love. This is the difference between me and you, because I didn't want a night with you, I wanted to make love so that we could be and live a life together! Now you cover your eyes and hide in silence, without any pleasure, and you obey the rules of your mind without listening to your heart and you are wrong because you are kinda shy so that you not narrate anymore! You told me we could leave from here and leave everything behind, because maybe tomorrow we'll get far from here so that we can be together once and for all. But you have chosen the easiest way that will prove to be the hardest way! We both got lost and lost so many times and then we found each other again through the crowd among many strangers and a lot of torment.

**I Choose the Best Room** Marvin Stovell, 2018-10-22 This is a book about a promise. A promise which gives birth to hope, and opens the door into a journey of faith - until that which has been promised is finally received. It is also my story - the adventures, experiences and journey of a simple man, traced from childhood to the present. I am Marvin Stovell aka 'Geneman'. The title of this book is very special to me because they are words from an extremely powerful, life changing, prophetic dream I had on October 27th, 2006. What follows here is centered around key parts of that particular dream, as I trace its unfolding in my life over time. This may be my first book, but it is not the first time I have put words to paper. I'm also a recording artist, known in the world of Gospel Reggae as "Geneman" (pronounced - jen-uh-man). It originates from the first Book of the Bible - Genesis, and it means "A man of new beginnings in Christ Jesus". It also links to this scripture: "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new is come". (2 Corinthians 5:17) My greatest desire is that through this book many will accept Jesus Christ as Saviour, Lord and King, and through Him begin to live a life of true abundance. And when that journey comes to an end - receive a rich welcome into His Eternal Kingdom of Heaven. (2 Peter 1:11)

**Potty Training Seats: How to Know & Choose the Best Potty Seat Suitable for Your Child** Carl Allen, 2019-10-26 Potty seats are extremely beneficial to have readily available for touring as well as when out in public areas or in other's homes too. You need to ensure they are comfortable and your kid feels protected on it, and also ensure it is functional and simple to use as well. Plus, often children become very mounted on their toilet chair because it is exactly what they grew up to know plus they might not want to use another thing. There are many manuals on the internet on home potty training for children, no matter the technique, the utilization of potty-training chair or toilet seat is usually imperative, and the finish objective remains the same; ensuring kids use the toilet at the correct time with little or no guidance.

**Choosing the Best Mattress: An Experiment in Testing Whether Individuals Choose a Bed That Leads to Improved Sleep** Sean O. Hogan, Jack D. Edinger, Gayle S. Bieler, Andrew D. Krystal, 2011-08-07 A comfortable mattress is said to be an essential ingredient in a good night's sleep, but we have little understanding of the effects of sleep surface on sleep outcomes such as daytime drowsiness or energy. Most studies devoted to testing the effects of sleep surface on sleep have been hampered by methodological shortcomings; these include having small numbers of subjects and evaluating a narrow array of bedding systems. We hypothesized that motion and self-reported measures of sleep quality and outcomes would demonstrate that the optimal mattress would differ from person to person. We hypothesized that individuals would be able to select one mattress from among several under showroom circumstances that would lead to optimal rest. We find that optimal mattress firmness varies among individuals and is reflected, at least to a degree, by overnight motion. When allowed to test mattresses in a typical showroom experience, individuals choose a mattress that does not minimize overnight motion and maximize perceived sleep quality. This suggests that they may not be receiving the health benefits that come from optimal rest. Therefore, both manufacturers and sleep scientists could improve sleep outcomes by testing ways to help consumers select a mattress.
