

Choose The One

Debra Fileta

True Love Dates Debra K. Fileta,2013-10-08 It is possible to find true love through dating. In True Love Dates, Debra Fileta encourages singles not to kiss dating goodbye but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. True Love Dates provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

Choose to Win Tom Ziglar,2019-03-05 The secret to winning at life is one good choice at a time. Are you frustrated with your job, career, or relationships? Are you unsure if what you are doing right now in your life is the right thing? In this revolutionary new book, success and motivation expert Tom Ziglar shares the good news that you can change and that, in fact, you can win at life. Choose to Win shows you how to achieve massive change without massive upset. It all starts with identifying your why, which reveals the how that opens multiple doors of what. His revolutionary plan guides you through making one small choice at a time through a sequence of easy-to-follow steps in seven key areas: mental, spiritual, physical, family, finance, personal, and career. Ziglar also helps you identify the life-killing, unhealthy habits that cause misery, dissatisfaction, and lack of success—and, more importantly, how to implement positive habits through the trinity of transformation: desire, hope, and grit. The result is a more productive, more fulfilling, and more meaningful life. You can take control of your destiny and leave the lasting legacy you've dreamed about and deserve. You simply need to choose to do so.

Which One Would You Choose? Edith Kunhardt,1989-01-01 The reader joins characters Will and Maggie in choosing articles of clothing, picking out something for breakfast, and making other decisions as the day proceeds.

The Scars We Choose A. Lee Hughes,2020-07-08 Scarlett Elizabeth Nell Waverly has a story to tell and it's as big as her name. Like most stories, hers is divided into interwoven parts. The first part starts when she's young and her family buys a beach house on the Florida Gulf Coast. That's where she meets and falls in love with Julian Rose, a handsome biracial boy with a scarred face and a whacky, secret-keeping family. Just like her own. But not quite. Young Lizzie Nell's family disapproves of her friendship and budding romance with Julian Rose and they take drastic measures at keeping them apart. Julian also has a story, a story as magical as his haint blue eyes, only he's still trying to figure out where it starts and how it ends. Not long after he turns nine and learns a little about his mother's disappearance, Julian sets out to write her messages, stuffing them inside empty rum bottles and tossing them into the Gulf. Although he doesn't yet know it, there is magic in his words, a magic as remarkable as his connection to the little girl down the beach. As time moves on, and the two blossom into adolescence, Lizzie Nell can no longer live the life her family has chosen for her. She runs away-from school, from her unrelenting mother, and even from her name-setting out for New Orleans where she and Julian have planned to make a life together. But some things have a way of finding us, like our scars, the truth, and despondent mothers. The first book in a two-part series, THE SCARS WE CHOOSE is a coming-of-age story about how we define love, the ways in which we cope when overcoming adversity, and the consequences that can arise when we allow other people, places, and events to affect our decisions, and ultimately, our happiness.

Ball or Shoot: Choose One Chris Stone,2019-03-11 Ball or Shoot: Choose One is a memoir of sorts. It starts with the author taking you back to his childhood. Recollections of his mother being abused, friends being locked up, and challenges faced growing up in the city where the streets can consume black youth quickly. Basketball was the option to save himself and his family from being a statistic.

101 Ways to Free Yourself Choose One David St Surin,2017-01-31 This Book is filled with Inspirational Quotes that I myself was inspired by The Ruach Hakodesh to write. This Book is meant to inspire the masses uplift those whos Souls seem to be down casted. There is always a way to free yourself from the burdens of this world giving up is not one of them.

My One Word Mike Ashcraft,Rachel Olsen,2012-12-18 The concept of My One Word is simple. Lose the long list of resolutions—all your sweeping promises to change—and do something about one thing this year instead of nothing about everything. Choose just one word that represents what you most hope God will do in you, and focus on it for an entire year. This single act will force clarity and concentrate your efforts. As you focus on your word over an extended period of time, you position yourself for God to form your character at a deep, sustainable level. Growth and change will result. Author Mike Ashcraft, who has led his megachurch through this My One Word project for more than five years, and Proverbs 31 Ministries author and speaker Rachel Olsen, who has lived it, are encouraging, insightful, good-humored, yet realistic in this enjoyable read. Their stories of growth and change through My One Word will keep you motivated. Throughout the book you'll also find words and stories of people just like you who have joined the My One Word movement and discovered the power of just one word. Includes discussion questions for use with the small-group video curriculum, My One Word: A DVD Study (sold separately).

Love in Every Season Debra Fileta,2020-01-14 An Invitation to Love Well Through the Four Seasons Every relationship goes through four life-changing seasons that play a pivotal role in taking your relationship to the next level. But depending on how you navigate each season, your relationship will either strengthen and grow, or it will slowly begin to fade. Maybe your relationship is in the first blooms of spring, when friendship takes root and attraction blossoms. Maybe you're in the season of summer, and things are starting to heat up—spiritually, emotionally, and physically. Maybe you're deep in fall, and your true colors are starting to shine through. Or maybe you're in winter, when the passion cools down and it would be all too easy to let the relationship freeze over. Whether you're single, dating, engaged or married, join author, counselor, and relationship expert Debra Fileta, creator of TrueLoveDates.com, as she takes you on an eye-opening psychological and spiritual journey through the four seasons of every healthy relationship. You'll learn to... Recognize each season as it comes and navigate it with intention, focus, and practical steps. Avoid the pitfalls of each stage by preparing for the hard moments and seeing them as opportunities to grow and connect. Celebrate not just the magical moments of each season, but the day-to-day choices that pave the way for a lasting relationship. No matter what your relationship status, you're invited on a journey to strengthen and grow your love in every season.

The Choose Yourself Guide to Wealth James Altucher,2017-07 This is a bold book by James Altucher because he not only gives you a new map for the new financial landscape, but he also has skin in the game. This is the first financial book in which the author REVEALS HOW HE, PERSONALLY, MAKES HIS OWN MONEY. We are living in an epic period of change, danger and opportunity. The economy is crashing and booming every few years. People are getting fired and replaced by computers and Chinese workers. The stock market crashes with regularity. Every fix from the government makes things worse. The Old World has been demolished... and people are desperate for answers. James Altucher's The Choose Yourself Guide To Wealth contains those answers. This is the field guide to the New World we live in. You can play by the old rules and get left behind, or you can use these new ideas and become wealthy. This is not a book for the faint of heart. Read at your own risk, because sometimes the truth is hard to take. But for those who are ready to hear, James provides an updated map of the new territory for generating wealth and freedom. This book is the eye-opener of the century, it is the guide to building, keeping, and investing your money and breaking free from the chains of rusted, old thinking.

The Paradox of Choice Barry Schwartz,2009-10-13 Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to

decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

The Future We Choose Christiana Figueres,Tom Rivett-Carnac,2020-02-25 A cautionary but optimistic book about the world’s changing climate and the fate of humanity, from Christiana Figueres and Tom Rivett-Carnac—who led negotiations for the United Nations during the historic Paris Agreement of 2015. The authors outline two possible scenarios for our planet. In one, they describe what life on Earth will be like by 2050 if we fail to meet the Paris Agreement’s climate targets. In the other, they lay out what it will be like to live in a regenerative world that has net-zero emissions. They argue for confronting the climate crisis head-on, with determination and optimism. *The Future We Choose* presents our options and tells us what governments, corporations, and each of us can, and must, do to fend off disaster.

Choose Yourself! James Altucher,2013 The world is changing. Markets have crashed. Jobs have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for “security,” everything we thought was “safe,” no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, to invest in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without “help.” More and more opportunities are rising out of the ashes of the broken system to generate real inward success (personal happiness and health) and outward success (fulfilling work and wealth). This book will teach you to do just that. With dozens of case studies, interviews and examples—including the author, investor and entrepreneur James Altucher's own heartbreaking and inspiring story—Choose Yourself illuminates your personal path to building a bright, new world out of the wreckage of the old.

To Be Or Not to Be Intimidated? Robert Ringer,2003-12-18 In candid terms the book explains what intimidation is, why you become intimidated, and how you can avoid the mental lapses that can cause even the most successful people to sometimes fall victim to intimidation.

Choose Your Own Love Story Ilyse Mimoun,2015-12-22 Face it -- love is a crapshoot. Say no to one guy and you might miss out on your soul mate. Say yes to another and you might find yourself in the middle of the world's most awkward threesome. This book grants you the ultimate dating fantasy: a do-over! Choose Your Own Love Story puts YOU in the driver's seat and lets you make over 50 choices and pick from 20 possible endings. Will you make out with sexy, brooding Zack, the mayor of red-flag island? Or will you settle down with Anthony, a gentle plumber with restless leg syndrome? If you don't like where you end up, go back and start again! How will your story end? Are you ready to find out?

One Block Wonders Maxine Rosenthal,2010-11-05 1 Great Fabric + 1 Block = 1 Stunning Quilt! • Brand new technique is all about texture, movement, sparkle, and swirl! • Choose hexagons or octagons-you're the designer • Easy random cutting! The Ones We Choose Julie Clark,2018-05-08 Lisa Genova meets 23andMe in this exploration of the genetic and emotional ties that bind, as debut author Julie Clark delivers a compelling read about a young boy desperate to find his place in this world, a mother coming to terms with her own past, and the healing power of forgiveness. The powerful forces of science and family collide when geneticist Paige Robson finds her world in upheaval: Her eight-year-old son Miles is struggling to fit in at his new school and begins asking questions about his biological father that Paige can’t answer—until fate thrusts the anonymous donor she used into their lives. Paige’s carefully constructed life begins to unravel as the truth of Miles’s paternity threatens to destroy everything she has grown to cherish. As Paige slowly opens herself up—by befriending an eccentric mother, confronting her own deeply buried vulnerabilities, and trying to make sense of her absent father’s unexpected return—she realizes breakthroughs aren’t only for the lab. But when tragedy strikes, Paige must face the consequences of sharing a secret only she knows. With grace and humor, Julie Clark shows that while the science is fascinating, solving these intimate mysteries of who we are and where we come from unleashes emotions more complex than the strands of DNA that shape us.

One-Block Wonder Panel Quilts Maxine Rosenthal,Nancy Miller,2021-03-25 Pick one great fabric to create a stunning block One-Block Wonder expert and best-selling author Maxine Rosenthal, along with fellow quilter Nancy Miller, teach quilters the endless ways to turn preprinted fabric panels into fabulous blocks.
