Wheeler's Graded Readers Gail Calmerton,William H. Wheeler,2017-08-30 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world.The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work.We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

The Beacon Second Reader James H. Fassett,2015-03-26 [...] The first hid under the table, the second in the bed, the third in the oven, the fourth in the kitchen, the fifth in the cupboard, the sixth under the washtub, and the seventh, who was the smallest of all, in the tall clock. The wolf quickly found and gobbled up all but the youngest, who was in the clock. Then the wolf, who felt sleepy, went out and lay down on the green grass. Soon he was fast asleep.[...].

Pollard's Synthetic Third Reader Rebecca Smith Pollard,1890

Seen Reading Julie Wilson,2012-04-01 Selected as one of the Globe & Mail's "Top 100 Books of 2012." Seen Reading is the exciting and unique debut collection of microfictions by Julie Wilson, Canada's pre-eminent literary voyeur. Based on the award-winning and critically acclaimed online movement of the same name, Seen Reading catalogues over a hundred reader sightings-brief descriptions of individuals Wilson has spied reading books in public, on Toronto's transit system. Wilson then imaginatively expands on each sighting, re-inventing the seen reader in a poetic piece of short fiction. Tender and poignant, these fictions are love letters to the reader and, gathered together, form a beautifully inspired fictional map, joyfully charting an urban centre's cultural commitment to books and literature in an era that continually predicts the demise of both.

Many Voices Richard W. Goffman,2001-01 This provocative collection of works from the world's diverse cultures has been designed to empower users to take control of their own reading, writing and learning processes. assignments encourages readers to interact with, and write about the ideas contained in the readings. KEY TOPICIS: Activities and exercises in pre-reading, examining content and responding to ideas, working with words, writing topics and editing and revisions. For individuals interested in exploring and writing about culturally diverse readings.
