*What Can Colors Do?* Liz Yohlin Baill,2021-05-11 There's a rainbow of ways to think about colors. Colors pop and shine. Cool colors make us shiver, while warm colors heat us up. They can even express our moods, from feeling blue to being tickled pink. *What Can Colors Do?* introduces children to color through vibrant artworks that inspire curiosity, joy, and surprise in young learners. Colorful paintings, sculptures, and objects from the Philadelphia Museum of Art help children think about how artists use color. How can colors express feelings? Can a color be loud or soft? As children learn the basics of color theory, from mixing to contrast and color wheels, they answer engaging, thoughtful questions that bring the world of art and their own experiences together. A series of activities for kids to complete on their own—from a scavenger hunt to a color-inspired way to meditate—helps them to appreciate the beauty and complexity of the hues around us.

**Color-Field Paintings** Fleur Yano,Fiore Ai,2017-03-28 This book is a collection of prints and paintings by the artist Fiore Ai, who was inspired by the color-field and hard-edge geometric abstraction paintings of American art. The paintings depict translucent and prismatic light, with interplays of soft color gradations against hard edges and spatial divisions. They are at once subtle and bold, fluid and tense, moving across space that evokes a cosmic world.

The Breakaways Cathy G. Johnson,2019-03-05 Quiet, sensitive Faith starts middle school already worrying about how she will fit in. To her surprise, Amanda, a popular eighth grader, convinces her to join the school soccer team, the Bloodhounds. Having never played soccer in her life, Faith ends up on the C team, a ragtag group that’s way better at drama than at teamwork. Although they are awful at soccer, Faith and her teammates soon form a bond both on and off the soccer field that challenges their notions of loyalty, identity, friendship, and unity.
