Sydney I thought running away would save me. Instead, I ran straight into danger. His name is Torch and I started to burn for him the moment our eyes met. As a member of the Great Wolves M.C. he's brutal, rough, and raw... He's pure sin wrapped in denim, leather, and tats. I shouldn't want a guy like him. I was born into wealth and privilege. I had my whole life mapped out for me. The best schools. Fancy cars. Lavish life. But oh, how I want to throw it all over and let Torch touch me that way. He makes me forget myself. I want to let him own me. I want to let him drag me down and ruin me. But if I give into my darkest nature, there's no turning back. I'll lose everything that I am. Torch I've got no time for games. There's a war coming. Anyone close to me is bound to get hurt. Except I want Sydney anyway. She's a spoiled little rich girl. Expensive hair. Designer clothes. Living off her family's trust fund. When she bats those lashes at me, I know just how to ruin that pretty makeup. Because I don't flirt. I want to possess her. I want to make her beg for me. One night with me and she'll never want another guy. It's selfish of me, but I don't care. And now I'm in too deep to walk away. But, the devil's at my doorstep and he'll swallow us both whole. The Chinese Dark Poet: Huang Xiang and His Colorful World Zhengming Fu (Sweden), Huang Xiang 黄翔, the protagonist of this book, was born on 26th December 1941 in Guidong county, Hunan province of central China. After the Communists came to power in 1949, he was imprisoned six times and severely persecuted for his free-spirited writing and his campaigns for human rights. For more than thirty years, this self-educated poet and writer, wrote secretly against the bondage of totalitarian ideology to safe-guard the freedom of speech. According to the author of the book, Huang is a great dark poet who has expressed the painful memories, fears and struggles that haunted his life creating wonderful poetic beauty in the darkness. His poetic creation is a miracle in the history of Chinese contemporary literature. We may say that Huang's identity as an unknown dark poet is conditioned by his personal, emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976, the April 5th Movement in 1976, the Democracy Wall Movement in 1978 and the Pro-Democracy Movement in 1989 in China.

A fascinating retrospective on Ford Y-Block engines as well as Ford FE engine family and the new for 1970 Lima series engine is also provided. The Tree with Many Colors Fred Lipsius, 2020-03-16 This is Fred's first children's book (for ages 9 to 100). It came about because an artist friend, who used to work with young children, told Fred she loved one of his digital art pictures of a colorful tree. She felt this picture and some others he had done could be used to create a wonderful storybook for children. Fred came up with the book title and started writing the story with hardly anything in mind at first... it just began with the 'tree' and one other picture, which he used for one of the main characters. The story quickly flowed out from him and was completed in little more than a week. Fred just kept thinking to himself, "This is crazy." Being a musician his whole life and having just retired, he wondered why he was writing a book for children. But this is not just for children. There's a universal message here for everyone. It's about 'giving and receiving love' - the purpose of life! Nine year-old Hugh has an amazing adventure meeting an ancient friend from the past who teaches him some lessons about love, tells an incredible tale about their ancestors, and shares memories of when they were together in a time long forgotten. It all begins with the 'tree'... This book contains both fiction and simple truths. It has something the world can use right now. It can open your heart and bring out the 'child' in you, regardless of your age! Regarding his art for this book, Fred says: "Whatever you can imagine already exists somewhere!" Here's some comments about Fred's book: "Out of this world pictures." "It breaks boundaries..." "Beyond your bridled imagination." "It lets you see things from another part of the world, dimension, or existence." "Helps show you how important love is, in so many ways."
