Alpha Guide Alpha, 2018-08-21 The Alpha Guide is a companion to either the Alpha Film Series or Alpha with Nicky Gumbel. This guide is divided up by session with an easy-to-read outline so that guests can follow along during each talk. With simple bullet-point organization and plenty of room for notes, the guide functions as an invaluable resource to the guest during Alpha, and as a reference tool for individual reflection long after Alpha. It is considered an essential resource for Alpha guests as well as the host and helpers on Alpha. Alpha creates an environment of hospitality where people can bring their friends, family, and work colleagues to explore the Christian faith, ask questions, and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life's biggest questions in a safe and respectful way. Alpha's approach to hospitality, faith, and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion.

**From Alpha to Omega** Anne H. Groton, 2013-04-17 One of the most successful Classical Greek introductory textbooks, this edition provides an introduction to Classical Greek with an encouraging, pleasant, and accessible presentation for today's modern students. Fifty short lessons presume no knowledge of Latin, and allow students to master a concept before moving on to the next. Each lesson is accompanied by numerous exercises, as well as manageable selections of Ancient Greek writings (edited in early chapters) from Aesop's most amusing and curious fables to concise Greek passages from The New Testament, Aristotle, Arrian, Demosthenes, Lysias, Plato, Thucydides, and Xenophon. The fourth edition of From Alpha to Omega retains all the features that have made it a best-selling introductory Greek textbook, many of them improved or expanded: Balanced, evenly-paced lessons to accommodate various academic schedules Brief readings from Ancient Greek authors Efficient translation exercises Succinct, instructive vocabulary lists Glossary containing all vocabulary words from lessons and readings, both Greek-to-English, and English-to-Greek Online exercises, audio recordings, video tutorials, and more accompany each chapter at [courses.pullins.com](http://courses.pullins.com). An Ancillary Exercise Workbook and a Greek Reader are also available.

**Telling Others** Nicky Gumbel, 2010-11-01

Alpha Film Series Nicky Gumbel, Alpha, 2017-12-19 The Alpha Film Series includes fifteen episodes (30 minutes each), an introduction to the Alpha weekend (10 minutes), two required team training sessions on how to lead an Alpha small group, and how to lead prayer ministry (30 minutes).

*The Alpha Course* Alpha International (Organization), Nicky Gumbel, 2011-05-03 This manual accompanies the Alpha Course, highlighting the main points and giving space for notes.

Run Alpha Handbook Alpha, 2018-08-21 For Alpha directors and leaders, this is one of the most important tools in setting up and running an Alpha course. This essential how-to resource offers a guided tour through every stage of setting up and running the Alpha course, including reproducible resources to make it easy to recruit and train your Alpha team. Contains: Job descriptions Questionnaires Bulletin inserts Sample forms Planning timeline Schedules Reusable checklists Forms for recording and organizing information Tips on booking venues for the weekend or day away Advice on organizing guest services Alpha is based on a pattern found in the New Testament of people bringing their friends, family, and work colleagues to meet Jesus. Alpha is an easy way to say to friends, Come and see, come and explore your questions, come and hear about Jesus, come and see for yourself. Everyone is welcome at Alpha, but the program is designed especially for people who would not describe themselves as Christians or church-goers.

**How to Pray** Pete Greig, 2019-10-01 Pete Greig is a worldwide authority and the face of a generation when it comes to prayer. One of the founders of the 24-7 prayer movement, he has seen, experienced, and chronicled amazing works of God in the world. While you might imagine him to be puffed

up, Pete Greig is entirely the opposite. He is enchanting, down-to-earth, friendly, and most of all, very normal—and yet he tells preposterous tales about prayer (and they're true). He is basically a regular dude who loves to talk with God. *How to Pray* is written to evoke a passion for prayer in everyone—the committed follower of Jesus as well as the skeptic and the scared. The enormous blessing of *How to Pray* is that it is accessible, full of surprising stories of answered prayer, and tremendously engaging. The basic idea is that prayer is a conversation between you and God. Pete Greig demystifies and reenchants prayer, helping you to find prayer achievable and enjoyable, and ultimately life-giving and life-changing. *How to Pray* is designed to be used together with *The Prayer Course* (a free video curriculum associated with the Alpha course), making it useful for personal and group or church-wide reading.

*Proven Alpha Course Tips* John Fairhaven, 2005-02-18 Written by a colleague: Alpha is a tremendous worldwide hit, yet most groups deploying it will - at times - be somewhat disappointed by the amount of resulting fruit. Holy Trinity Brompton readily acknowledges this. Even groups faithfully adhering to the official advice that has so far been published can still find many non-Christian attendees disappearing during, or shortly after, the program. *Proven Alpha Course Tips* identifies several previously unrecognized causes of this problem and has been created to help every group using Alpha to see much greater fruit. Very well written and laid out.... Very well researched and extremely informative. It's positive and a manageable size.... It's a "must read" - Phil Phillimore, Alpha course leader Drawing on profound knowledge of the Alpha resources and interviews with Nicky Gumbel, John Fairhaven has created a most practical work. *Proven Alpha Course Tips* will encourage and excite readers with its unique insights. In view of the substantial amount of time and effort spent implementing each program - and on getting unbelievers to attend them - this book represents a very wise acquisition. Written by someone who cares passionately about his subject, the material in this new volume will be of great benefit to every individual in a group running any type of Alpha course.

*Inside Alpha* James Heard, 2012-06-01 UK church attendance hemorrhaging and one course is hailed as the most effective tool for turning back the tide. From small beginnings in the early 1970s, Alpha has grown to become a global success. Churches from across the denominational spectrum have enthusiastically seized upon the course, seeing it as the remedy for declining church attendance. *Inside Alpha* explores such claims through richly grounded qualitative research on six Alpha courses. It assesses Alpha's primary aim of converting non-churchgoers and its longer-term goal of spiritual maturity (Colossians 1:28-29). It questions whether the Alpha program is as successful as it claims at uniting evangelism and discipleship, mission and spiritual formation. This is an invaluable study for those--in the academy and the church--who have an interest in ecclesiology and mission. How exactly is one to understand conversion? What is it to be Christian? How does ambiguity and doubt fit within one's journey of faith? The importance of this work is in discovering--through an engagement with Alpha--how people might appropriately be initiated into and disciplined within the Christian faith in contemporary culture.

*Changing the Game for Generation Alpha* Valora Washington, 2021-02-02 "Generation Alpha" applies to children born between 2011 and 2025. They will be raised in smaller and constantly evolving families, digital natives, more tech-savvy than previous generations, globally-connected, diverse, and will live and interact with many more generations. Because of these differences, the next generation and the nation is transforming in ways that adults have never experienced before. Valora Washington invites you to consider how to advocate for and influence the trajectories of this next generation. *Raising Generation Alpha Kids* looks at how this generation of young children presents new opportunities and challenges, and supports and informs the two principal groups of adults in children's lives—their families and early childhood educators.

*The Alpha Course*, 2002

**The Alpha Enterprise** Stephen Hunt, 2019-10-01 *The Alpha Enterprise* explores the development, growth and impact of the most widely used

evangelising programme of recent decades. The Alpha course is run in over seven thousand churches in the UK and over five thousand in the USA. Across the world some four million people have graduated through the course in over 80 countries. Alpha is truly the fastest growing evangelising initiative, creating widespread support as well as stirring strong criticism. Stephen Hunt critically examines the content and working philosophy of the Alpha course through the experiences of the churches that have run it, as well as the individuals who have experienced it first hand. Hunt charts the history of the programme, its use of group dynamics and media, how it links with the charismatic movement, how it deals with issues such as homosexuality, how it is run not only in churches but in prisons and universities too, and concludes by measuring Alpha's impact and success. Engaging with debates regarding postmodernity, globalisation, McDonaldisation, consumerism, and secularisation, and based on real-life surveys, *The Alpha Enterprise* sheds new light not only on evangelism but on contemporary Christianity in general and how it engages with a post-Christian culture.

**Alpha Trading** Perry J. Kaufman, 2011-02-04 From a leading trading systems developer, how to make profitable trades when there are no obvious trends How does a trader find alpha when markets make no sense, when price shocks cause diversification to fail, and when it seems impossible to hedge? What strategies should traders, long conditioned to trend trading, deploy? In *Alpha Trading: Profitable Strategies That Remove Directional Risk*, author Perry Kaufman presents strategies and systems for profitably trading in directionless markets and in those experiencing constant price shocks. The book Details how to exploit new highs and lows Describes how to hedge primary risk components, find robustness, and craft a diversification program Other titles by Kaufman: *New Trading Systems and Methods*, 4th Edition and *A Short Course in Technical Trading*, both by Wiley Given Kaufman's 30 years of experience trading in almost every kind of market, his *Alpha Trading* will be a welcome addition to the trading literature of professional and serious individual traders for years to come.

**The Jesus Lifestyle** Nicky Gumbel, 2018-05-03 What does living as a Christian really look like? What changes do I need to make to the way I live my life? How does Jesus want me to live? The Sermon on the Mount is Jesus' teaching on how to conduct our lives. While his original audience was a crowd of first-century Jews, his words are astutely relevant to 21st century living, particularly as modern Western cultural trends are increasingly at odds with Jesus' teaching. Laid out to follow the structure of Matthew 5-7, each chapter delves into the topics raised in these verses, including: - Dealing with anger - Handling conflict and criticism - Managing money - Sex, marriage and divorce - The secret of true happiness With his familiar mix of wisdom and humour, Nicky Gumbel explains Jesus' teaching and presents practical ways to apply it so Christians can follow Jesus in every aspect of their lives.

*The Alpha Course* Alpha International (Organization), 2010

**After Alpha** Michael Green, 2004-10-01 Attending an Alpha Course has given you a strong start in your Christian life. Now that the course is over you're ready to go deeper. Michael Green provides an inspiring companion to the Christian life, seen within the context of the local church. Building on the ground covered by Alpha, he outlines practical ways in which committed disciples of Jesus christ can express their faith and impact the world today. Includes Reader's Guide for Personal or Group Study.

**The Alpha Series** John Glenn, 2006-10 On a scale of 1 to 10, with 1 being sinful and worthless and 10 being absolutely perfect and righteous, how do you rate yourself, really? On that same scale, how does God rate you? The Alpha Series is a systematic study of all that God has done to make you a 10 and a course on how you can begin to see yourself the way God sees you. Knowing what God thinks about us gives us a choice in what we are going to believe about ourselves. Believing what God says he made us to be allows us the hope we need to cope with life. The joyful, confident expectation about our own future gives us the liberty to care about others. The Alpha Series may be used as a counseling model, a discipleship course, a faith based recovery tool, and a training curriculum. Along with the companion workbook it is suitable as basic curricula for all types of study groups and

recovery programs.

**Alpha Team Guide** Alpha,2018-08-21 The Alpha Team Guide is recommended for Alpha small group hosts and helpers. It includes notes for the two required team training sessions on how to lead an Alpha small group, and how to lead prayer ministry, that can be found online or on either the Alpha Film Series DVD or Alpha with Nicky Gumbel DVD. It also provides weekly key concept summary and suggested questions to help guide the discussion time for each session of Alpha. Alpha creates an environment of hospitality where people can bring their friends, family and work colleagues to explore the Christian faith, ask questions, and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life's biggest questions in a safe and respectful way. Alpha's approach to hospitality, faith, and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion.
