Rob Moody

Apocalypse Cowboy Eve Langlais, 2015-04-02 It figured that the last man on earth would be the one who broke her heart. The world died practically overnight, leaving behind sparse pockets of survivors, who must learn to live without electricity, internet, cable, or grocery stores. When it came to survival, it was kill or be killed. When Brody rides off into the sunset, with grandiose dreams, he leaves behind not just his small town but also his first love. But the hopes he had of making it big are shattered when a deadly virus hit. Lonely in this new reality, he finds himself drawn back to his hometown and rediscovers the woman he left behind. Hannah never thought the expression, "Not if you were the last man on earth" would ever come back to haunt her, but when the world's population is decimated by a deadly virus, she regrets her words, especially when Brody comes riding back into her life. A very alive Brody who reminds her she's not just a survivor but also a woman. Eking out an existence in this new world is hard. Forgiving the blunders of the past sometimes harder. Against all odds, Brody and Hannah survived the plague, but will their stubborn nature still tear them apart? A Second Chance: Love, Hope, and Rebuilding After the Zombie Apocalypse William Cruz, 2023-03-15 In the novel, Jake and Julia, who couldn't be more different from one another, go on their first date in a wildlife refuge. Nevertheless, when a fire starts and zombies unexpectedly show there, everything swiftly goes wrong. Whereas Julia is a self-made billionaire whose family was massacred by marauders, Jake is a haughty cowboy who lost his sister to the zombie apocalypse. Together, they make a promise to exact vengeance on those who caused their losses. Jake and Julia encounter several difficulties that put their determination and their love to the test as they make their way through the perilous zombie apocalypse. In addition to fending against zombie hordes, they must also forage for food and supplies while avoiding threatening gangs of survivors who are just as eager to survive as they are. Even though they are in a dangerous and chaotic environment, Jake and Julia

can't help but be pulled to one another. Their immediate chemistry develops into a strong bond as they open up about their pasts, concerns, and aspirations for the future. They learn that even in the most unexpected situations, love can survive. Along the way, Jake and Julia are forced to consider challenging issues related to morality, fairness, and what it means to be human. They discover that the survivors themselves may pose the biggest danger to their survival rather than the undead. *A Second Chance: Love, Hope, and Reconstruction After the Zombie Apocalypse* is a suspenseful and heartfelt tale of love, survival, and redemption. The story is gripping and will have readers on the edge of their seats as it combines aspects of horror, romance, and retribution. Cowboys Vs Zombies Eric Brown, 2012-04-01 Dilouie is a killer. He's always made his way in life by the speed of his gun hand and the coldness of his remorseless heart. Life never meant much to him until the world fell apart and they awoke. Overnight, the dead stopped being dead. Hungry corpses rose from blood splattered streets and graves. Their numbers were unimaginable and their need for the flesh of the living insatiable. The United States is no more. Washed away in a tide of gnashing teeth and rotting, clawing hands. Dilouie no longer kills for money and pleasure but to simply keep breathing and to see the sunrise of the next dawn. . . And he is beginning to wonder if even men like him can survive in a world that now belongs to the dead?

Z-Burbia 2: Parkway to Hell Jake Bible, With Whispering Pines refusing to give up and die, Jace "Long Pork" Stanford has nothing better to do than find out who the heavily-armed newcomers in town are. Well, while he's not busy dealing with the ever present Z hordes. Or running for his life from paramilitary mercenaries. Or possibly blowing up more of the zombie-infested city because he can't help pressing buttons. Buttons are meant to be pressed, even in the apocalypse, right? Looks like it's just another day in Z-Burbia! Reviews- "Loved this book and loved the series so far. Not sure what took me so long to discover it as I am a big zombiephile. This book has all the elements I love in a story, very character driven, with soldiers, strong women, sassy teens, and some smart ass men." - Michele, 5-star Goodreads review "Jace and his crew are back in Book 2 and it is just as hilarious as the first. I find that sometimes authors hit a home run with their first books but never quite live up to the same standard with each additional book. Not so with Jake Bible. It is rare that I read a book that makes me laugh out loud." -Veronica, 5-star Goodreads review "A fast paced, action packed sequel that had me hooked from the beginning. I loved the snark from Jace 'Long Pork' and the sarcastic wit,

it made the book memorable, fantastic narration.” -Mia, 5-star Goodreads review Other books by Jake Bible: By Series: The Apex Trilogy (Dead Mech, The Americans, Metal & Ash) The Kaiju Winter Series Roak: Galactic Bounty Hunter Series The Mega/Team Grendel Thrillers The Flipside Sagas Max Rage: Intergalactic Badass! Shamblers: the zombie apocalypse Andrew Cormier,

Soldier On Shawn Chesser, 2012-08-01 Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade soldiers on alone, eastbound, locked and loaded. **Soldier On** is Book Two in the **Surviving the Zombie Apocalypse** series, picking up on day four where **Trudge: Surviving the Zombie Apocalypse** left off. Day one began the same as any other Saturday in Portland, Oregon. After months of rain people were out and about enjoying the sights and sounds of summer. Cade Grayson dropped his wife Brook and daughter Raven off at Portland International Airport. They were bound for Myrtle Beach, South Carolina to visit Brook's parents. On that eye opening first day, Cade's introduction to the new world was hard to wrap his mind around. He was forced, in self defense, to kill his infected neighbors Ted and Lisa. Pioneer Courthouse Square, nestled in the center of downtown Portland, was but one of the many flashpoints of a viral outbreak in the United States. By evening all of the hospitals in and around Portland were ravaged and teeming with ravenous walking dead. There was no triage, no way to cure them and by evening, for those unfortunate enough to be in a major metropolitan area, no way to

escape them. Day two saw Washington D.C. fall to the reanimated hordes in search of human flesh. After declaring martial law and calling back all of the soldiers, airmen and marines from overseas, President Bernard Odero was never heard from again. Former Speaker of the House and now President by succession Valerie Clay is saddled with the seemingly insurmountable task of leading the country back from the brink of what may prove to be mankind's Extinction Level Event. Her first order of business is to set up a safe haven in Colorado Springs as the new Capitol of the United States. Delta Force commander Mike Desantos embarks on a new mission with his small team of Tier-One operators. They must rescue critical personnel from the Center for Disease Control in Atlanta, Georgia and retrieve any useful information they have gleaned concerning the Omega virus. Cade Grayson, ex Delta Force operator narrowly escaped Portland, Oregon ahead of the massive exodus. He eventually ended up leading a group of survivors through the western high desert, losing five of them violently along the way. After battling zombies and humans across the west, and still unsure of the well being or whereabouts of his family, Cade linked up with retiree Harry Conrad and Vietnam-era aviator Duncan Winters in Draper, Utah at Camp Williams, garrison for the 19th Special Forces Group. While suffering a night of fitful sleep trying to block out the moans of the living dead, Cade made the decision to leave the base and soldier on alone, resuming his cross country search for his loved ones. Can Valerie Clay bring the United States back from the brink and find a way to deal with the millions of undead? Will Cade Grayson survive long enough to find his wife and daughter... still alive? Can Mike Desantos complete his mission to the CDC and return to Colorado Springs in time to attend the birth of his first boy? Or will the insatiable dead succeed in breaking the indomitable spirit of mankind...?
