

Craving Crock Pot Food

Don Orwell

Southern Plate Christy Jordan,2010-10-05 My name is Christy Jordan and I like to feed people. I come from a long line of Southern cooks who taught me home cooking is best, life is good, and there is always something to be grateful for. I created Southern Plate so that I could share the recipes and stories that have been passed down through my family for more than nine generations. You won't find fancy food or new-fangled recipes in this cookbook—just easy, no-fuss Southern favorites such as Chicken and Dumplings, Homemade Banana Pudding, Aunt Looney's Macaroni Salad, Fried Green Tomatoes, and Daddy's Rise-and-Shine Biscuits. (I want to make one thing as clear as possible: How your mama made it is the right way! I'm going to bring it to you how my mama made it, which is the only right way for me.) These stories and recipes come from my heart. They are a gift from my ancestors, but the ability to have them heard is a gift from you. Take a seat at the Southern Plate table; you're with family now.

These great recipes take advantage of the slow cooker's ability to keep food moist through its long cooking cycle, letting readers create dishes with far less oil and saturated fat than in traditional recipes. Anupy Singla shows the busy, harried family that cooking healthy is simple and that cooking Indian is just a matter of understanding a few key spices. Her Indian Spices 101 chapter introduces readers to the mainstay spices of an Indian kitchen, as well as how to store, prepare, and combine them in different ways. Among her 50 recipes are all the classics – specialties like dal, palak paneer, and gobi aloo – and also dishes like butter chicken, keema, and much more. The result is a terrific introduction to making healthful, flavorful Indian food using the simplicity and convenience of the slow cooker.
