Cricket World Cup Ashis Ray, 2019-06-24 This is a riveting read for a cricket lover, especially an India fan. A remarkable, eye-witness history of the Cricket World Cup from an Indian perspective the book details the little-known story of India's turning point in one-day cricket in Guyana, when Kapil Dev's team in March 1983 beat the previously unassailable West Indies in their backyard. It also reminds readers of the tremor that was felt in the cricketing world when India repeated the success at Manchester in the World Cup 10 weeks later, before defeating the same side in the final two weeks later. It relives India's forgotten triumph in the 1985 World Championship and the rekindling of hope when Sourav Ganguly's team finished as runners-up in the 2003 World Cup. The book further depicts how MS Dhoni planned victory, together with Sachin Tendulkar inspiring Yuvraj Singh to perform at his best, in the 2011 tournament. The book is embellished by illuminating reports and scores on each India match and every semi-final and final in the World Cup since its inception. Finally, it discusses India's prospects in the 2019 World Cup.

The Magic of Indian Cricket Mihir Bose, 2006-04-18 In the last twenty years, Indian cricket has been transformed. With the arrival of global television networks, mass-media coverage and multinational sponsors, cricket has become

big business and India has become the economic driving force in the world game. For the first time a developing country has become a major player in the international sports arena. This fully updated and revised edition of Mihir Bose's classic history is a unique account of the Indian cricket phenomenon. Drawing on a combination of extensive research and personal experience, Bose traces the development of the Indian game from its beginnings as a colonial pastime to its coming of age as a national passion and now a global commercial powerhouse. This illuminating study reveals Indian cricket's central place in modern India's identity, culture and society. Insightful, honest and challenging, Bose tackles the myths and controversies of Indian cricket. He considers the game in terms of race, caste, politics, national consciousness and ambition, money, celebrity and the media, evoking all the unpredictability, frustration and glory that is the magic of Indian cricket.

Cricket Today Cricket Today Team, If Chris Gayle stands by his decision to retire from ODIs after the World Cup there is little doubt that he will be missed by the entire cricketing community the world over. For some time there has never been any doubt that Ross Taylor is one of New Zealand's greatest batsmen. New Zealand these days is doubly fortunate that they have not one but two outstanding batsmen in Taylor and Kane Williamson. Enjoy the action packed edition of *Cricket Today*.

Cricket Today - Weekly 2017 CT Team,2017-12-08 Suddenly the focus has shifted on tour of South Africa, where India has struggled to improve its track record in Test cricket, losing matches comprehensively. The former Indian cricketers, who have been impressive during their playing days, is counting big time on Team India, calling it as the team who can win outside the sub-continent. After his comeback from a long injury spell, Murali Vijay, the Indian opener, is in red hot form against the visiting Lankan team, scoring runs with ease. His superb and easy comeback will add more firepower to team's batting line-up before Proteas tour. Apart from him, R Ashwin, the off-spinner, is another player, who has not let expulsion from the ODIs and T20 internationals effect his performance in Test cricket. Making a kill against Sri Lanka, he became the fastest bowler to reach 300 Test wickets mark, which is another feat in his illustrious career. There is much more to read from cricket in this issue.

This book does so scientifically and logically as not to leave any doubt in the reader's mind. And if you are betting on cricket matches, this book tells you why you should stop that forthwith. A book that answers all hows and whys one could think of about cricket fixing.

Fire on the Mountain Pamela McDowell, 2022-03-15 Lightning sparks a forest fire deep in the mountains near the town of Waterton. Days later, the sky is blue and the air is clear, so it doesn't seem like an emergency, until crews of firefighters begin to arrive and townspeople start to prepare. Cricket and her friends watch deer and birds flee the forest and run right through town. But what about the slower animals? What about the porcupines and squirrels,

the salamanders and snakes? Cricket searches for a way to help until the fire surprises everyone by quickly switching directions and racing towards the town. She hopes that the preparations and the firefighters' experience will be enough to save her home. But what about all the animals she loves? This is the fifth title in the Cricket McKay series, following Cougar Frenzy, Bats in Trouble, Ospreys in Danger and Salamander Rescue.
