Sustainable Business: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources,2019-08-02 In the increasingly competitive corporate sector,

businesses must examine their current practices to ensure business success. By examining their social, financial, and environmental risks, obligations, and opportunities, businesses can re-design their operations more effectively to ensure prosperity. *Sustainable Business: Concepts, Methodologies, Tools, and Applications* is a vital reference source that explores the best practices that promote business sustainability, including examining how economic, social, and environmental aspects are related to each other in the company's management and performance. Highlighting a range of topics such as lean manufacturing, sustainable business model innovation, and ethical consumerism, this multi-volume book is ideally designed for entrepreneurs, business executives, business professionals, managers, and academics seeking current research on sustainable business practices.

Biographical Dictionary of New Chinese Entrepreneurs and Business Leaders Wenxian Zhang, Ilan Alon, 2009 The book is an outstanding compilation. It is easy to use, the information is clear and well-presented, and the volume is smart and robustly crafted. . . The book is an important reference source for practitioners in international business, entrepreneurs and Asian studies. Bob Duckett, Reference Reviews The current compilation fills the need for a Who's Who in the Chinese business world. . . This is a useful reference for scholars and students in China studies and for business practitioners. Recommended. K.T. Wei, Choice As direct foreign investment, both inward and outward, continues to gather momentum, the need to understand the leaders of Chinese corporations is increasingly important. The *Biographical Dictionary of New Chinese Entrepreneurs and Business Leaders* is therefore a welcome addition to corporate and academic libraries. The encyclopedia provides up-to-date coverage of the major players in China's new economy. Dorothy Mays, Chinese Librarianship A long awaited reference volume! Professionally compiled and user-friendly. A must for the serious researcher. Leo-Paul Dana, Journal of Enterprising Communities Biographical information about business leaders and entrepreneurs in China is scattered in a variety of Chinese sources such as books, newspapers, journal articles, web pages, etc. and are difficult to locate, especially from outside of China. This biographical dictionary, written in English, which includes some 200 of the most important movers and shakers of the new Chinese economy since 1978, is a very useful reference tool for libraries of all types as well as for anyone who is interested in learning and understanding the growing influence of China as a new economic power in the world. Hwa-Wei Lee, formerly of the Library of Congress, and Ohio University Libraries This impressive effort by two leading scholars of Chinese business and society will quickly become a reference for all students and practitioners. Indeed, it is a ready vade mecum, filling the crying gap many experts have identified in recent years.

This work will set the standard for its successors: independent in its analytical assessments, broad-spectrum in its choice of entry, far-sighted in its selections. John R. McIntyre, Georgia Institute of Technology, US The book is a must-have for any student, library, executive or entrepreneur contemplating the business environment in China. In an important society where clout is paramount and relationship is key, the book's listing of Who's Who in China is essential to success. An essential read for anyone thinking of doing business in China! J. Mark Munoz, Munoz and Associates International and author of *A Salesman in Asia* For anyone interested in interacting with China, whether doing business or not, it would be advantageous to know thy foe and thyself, as Sunzi (Sun Tzu) put it. And this work will definitely be conducive to your gaining an insight on contemporary China and its economic boom. It can be used as a reference tool or read as a textbook. Highly recommended for college and public libraries. Shixing Wen, Editor-in-Chief, Chinese Librarianship, Former President, Chinese American Librarians Association and Councilor, American Library Association This exhaustive resource provides comprehensive coverage of the major players in the Chinese economy since the reform era, which began in 1978. It includes 200 entries briefly summarizing each individual's life and career, with a central focus on his or her accomplishments and the key roles played in the economic development of China. The emphasis of the book is on the movers and shakers of China's new economy, highlighting notable figures from both the initial economic liberalization period and the renewed growth from the early 1990s to the present time. This invaluable dictionary is the result of collaborative efforts across the globe. Over forty scholars from the United States, mainland China and Taiwan, United Kingdom, Germany, F

Crafting and Executing Strategy Alex Janes,Ciara Sutton,2017-02-16 This new edition of *Crafting and Executing Strategy* continues to provide a valuable resource for European readers while embracing new and updated core concepts and key theories in strategy. Throughout the text you will find a range of examples that illustrate how strategy works in the real world and encourage the practical application of learning. Complementing the chapters is a section of new cases providing in-depth analysis of the challenges of strategic management at a range of companies. This edition includes:

- A new 6Ds framework, allowing readers to structure their approach to strategic management

around the fundamental elements of the strategy process (Diagnosis, Direction, Decisions and Delivery) and the context within which that process is managed (Dynamism and Disorder). • Opening cases that begin each chapter and feature real-life business scenarios from companies such as Tinder, Ikea and Victorinox, introducing strategic concepts and theories. • Illustration Capsules, which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk and more. • Key Debates that stimulate classroom discussion and encourage critical analysis. • Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. • A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. • End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego and Uber. • New recommended reading at the end of each chapter which help to further knowledge, including classic texts and advanced reading, and author notes providing context. Connect is McGraw-Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview-style videos, featuring author Alex Janes in discussion with business leaders, exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk and a prestigious oil and gas company. The videos are provided in full-length or in segments, with questions aimed at encouraging classroom discussion or self-testing. This new edition is available with SmartBook, McGraw-Hill Education's adaptive, digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. Crafting and Executing Strategy is also available with both The Business Strategy Game and GLO-BUS – the world's leading business strategy simulations.
