Crystal Heart (The Glass Sky Book 3) Alexia Purdy, 2021-10-30 This is book 3 of The Glass Sky Series. Read the harrowing conclusion to this gripping futuristic, genre-blending fantasy series filled with stunning twists in a mesmerizing world. Twisted bargains with the fae, a corrupt regime with magical prisons, unauthorized genetic engineering, and did I mention robots, too? Seriously, what could go wrong? Sometimes insanity makes things remarkably simple. Especially for a girl like me, Star Rickton. This isn't a world I ever wanted to live in. It's where being female is reason enough to be locked up and enchanted, and where using magic can strip people of their humanity. Humans and Fae once lived and worked together harmoniously for we are not so different. Yet, now, we destroy what we both hold dear and

wreak havoc on one another without the thought of serious consequences. Like annihilation? Pretty much. I'm determined to figure this out but if I can't get it together, this time we might be all out of luck for good.
